

The Secret History of International Court of Justice

KIERSTEN'S VENGEANCE

24

RESUME

The following covers the operations of the Secret Society women and Homeland Security CO chief against me from 31 October to 7 November, 2014. The Secret Society women were: Angelica (Angelina, G), Dr P (Pettersen), Karin (K), Kiersten (J), and SDW (Maura). Leading them was Russia's First Daughter Ekaterina (Putina). The "TMU" continues to refer to the LAPD's "Threat Management Unit".

This is a July 2021 revision of the original "Kiersten's Vengeance, 24", originally composed in July 2020. The original version, with the file name "timeline114-5h.pdf" (last dated 05.11.2020), can still be found in the same file folder.

Synopsis:

31.10: Stories closed. The Secret Society women's focus today seems to be on my delusions about the chips inside my brain. Oliver might have been in the discussion. A Sharon Springs volunteer, after hearing about the women's latest debacle, examined my drawings and paintings thoroughly and then produced an excellent testimony.

01.11: The Baltimore Lawyer went to Washington DC this morning to argue with the same authority again. My cousin Evelyn, the "SPH-L710" volunteer, Veronica, and several others all called in to confirm that I did steal my drawings from my family and plagiarize, really was insane, and still had pictures of Ekaterina and her family members on my website. After the case was rejected again, the Secret Society women spent the rest of the day brainstorming. One of SDW's Tampa friends came to look at "Feefee and Valerie". The Montreal volunteer also came to examine menard.html again. Jennifer Day might have been in the discussion again. And plenty of volunteers continued to brainstorm how to report me for plagiarism (including Veronica). Tonight I was at Dr P's mother's: Homeland Security CO chief's evidence to keep himself temporarily afloat in the ICJ.

02.11: Morisio in Stories. The Baltimore Lawyer went again to Washington DC to argue with the same authority. Many volunteers called in, including one from Turkey to report on my "Third Run Outline" and one Tampa volunteer who came repeatedly to yunqing.pdf. Then many reporting on my harassment of Ekaterina and Shizuka. The LUG buddies might have showed up again, and so did Veronica. Afterward, a volunteer from Bangkok (most likely an associate

of Khalezov's) also examined my "delusions" about Khalezov, and SDW's Tampa friend came again to look at "Feefee and Valerie".

03.11: Morisio? Today the Secret Society women were discussing how, even when the stalker had just stalked his victim on Saturday night, neither the TMU nor the Washington DC authority would do anything about it – and also how correct the Homeland Security warning about me really was: the volunteers continued to examine my delusional slanders about my victims: SDW, Karin, Angelica (in "Cheney Plan"), and Khalezov. Then my harassment of Ekaterina and her family. The Tampa volunteer (yunqing.pdf) came again. Plenty of volunteers continued to brainstorm how to report me for plagiarism.

04.11: Morisio not in Stories. Today the Secret Society women seemed to be concentrating on brainstorming how to report me for plagiarism. (Note the Toronto volunteer in the morning.) Probably in order to overcome the TMU's refusal to validate the Homeland Security warning about me on the basis that I didn't seem to have plagiarized. Then the women seemed also to have a focus on my delusions about Angelica. (3 visits to my story about her today.) Probably in order to overcome the TMU's same refusal on the basis that my blogging didn't constitute stalking. And also on how I had stolen Oliver's painting. A little bit on my harassment of Ekaterina. And also my delusions about the chips inside my brain.

05.11: Morisio not in Stories. The Russian diplomatic mission intervened and obliged the TMU to listen once more to the Secret Society women's complaints about me. The Secret Society women thus continued to mobilize their volunteers to report on my delusions about them (especially SDW) and the chips inside my brain and my harassment of Ekaterina. A Leduc volunteer seemed to be reporting on my delusions about Gaurav. The Egersund volunteer showed up again to report on my blog. Strangely, a Syrian volunteer and another one from La Habra came to report on my misogynist utterances. The Hennef volunteer seemed to have come again to report on my delusions about some ICJ trial and the intelligence agencies. Notably, while the Secret Society women continued to mobilize volunteers to report about my plagiarism, they seemed to have recruited another physicist from the Italian National Institute of Nuclear Physics. They also seemed to have reported me for a second time to Microsoft today. Then, tonight, the Monkey controlled me to talk to Wes about how Russia missed a "hippie movement": the Russians' evidence that I was delusional about Russia and therefore a danger to Ekaterina.

06.11: Morisio? The Secret Society women continued to mobilize volunteers to report me in accordance with the Homeland Security's warning about me: SDW continued to call on her TI friends to report about my delusions about her; Kiersten called on somebody in Los Angeles to report about my blogging about her; and many volunteers reported about my misogynist utterances, my harassment of Ekaterina and Shizuka, and my plagiarism. However, by the end of the day, the TMU again informed them, as well as the Russian diplomatic mission, that they did not deem Homeland Security's warning about me to be correct and so had rejected Ekaterina's appeal. The Secret Society women were thus back to brainstorming how to report me for plagiarism. (Note especially

the Scottsdale volunteer who spent the whole night brainstorming about chinese patriarchy220.html.) The Secret Society women seemed also to have reported me for a third time to Microsoft today.

07.11: Morisio? Since early in the day, the Secret Society women renewed their focus on my harassment of Dr Brizendine. The Seattle person seen on 22 October showed up to examine /gang-stalking/. Was he a volunteer? The women then mobilized volunteers to examine my harassment of Shizuka and Ekaterina and how I had painted Angelica nude. And of course the brainstorming about how to report me for plagiarism continued. Then, by night fall, they started mobilizing volunteers to examine the delusions I had supposedly expressed about them on my blog: this included the Saint Martin's University volunteer and several others late in the night. On 5:27 PM, desperate to help Homeland Security CO chief and the Russian diplomatic mission, the women called on the Baltimore Lawyer again to examine my blog post series /gang-stalking/. By 11:30 PM, the women called on two more volunteers to examine my Scientific Enlightenment: "Why wouldn't the police accept it as plagiarized?"

Note that Karin hardly uploaded any pictures to her Meetup website during the month of October. She uploaded something on 1 October; then on 28 October; and then no more until 18 November, at which time she changed her name! She was terribly disappointed with the course of event: in the past two years, she had spent around 4,000 hours reporting me to law enforcement, and yet it had all come to naught.

31 October (Friday; severe hatred)

First, a note about myself. Woke up past 3 PM. TNT, Jons, chickens. For a while, good feeling toward Silvia. Stories closed. Not sure whether it was because Homeland Security shut it down due to my confession to Silvia yesterday. Got on the bus again to go to Casbah. Told a French tourist about "mistaking him for a Russian agent". It's raining. Worked in Casbah until 10 PM. Urine, **1 B, 1 H**, at LAZO. Then, going to Dr P's. Unfortunately, because of severe rain, I suffered severe damage. All wet, glasses broken, no nails had hit any target (more than 10 sets), and couldn't W at three different places. Severely tired. Couldn't see. Forced to abandon checking. Severe anger: no planning. Should have bought umbrella. Severe anger toward xxxxxxxx because of my inability to know anything, and yet couldn't do any damage to retaliate. Complete powerlessness. Total: **4 H, 4 B**. Was able to get on the train to come back by 1:20 AM. Severe misery, because of having no one to verbalize my experience with. Came back to VRMNT: **3 W (library, 3rd; SZZLR, 4th; BLD 4th), 3 B (SCHL, home)**. Home by 3:30 AM. **Total: W: 358.**

I also wrote this down in my diary today: Presumably, by now, Homeland Security is directing people, from the most unlikely places, to visit my website for no reason whatsoever, in order that my reconstruction of the Secret Society women's actions in the past can be discredited on the ground that I have read too much into what is abnormal and irregular on my visitors' log. *(Complete bullshit!)*

1 Given the proximity of Sharon Springs to Albany, the fact that it was Verizon, and the importance of this Sharon Springs person's testimony for the important occasion tomorrow, we have to wonder whether this person was in fact just Wes. He would then be using Alessandra's phone and only doing this as part of his work as an informant inside the Secret Society women's organization.

1 November (Saturday; Dr P's mother)

First, a note about myself. Slept past 6 AM while watching Princeton lectures on matrices. The video on Youtube "Einstein's grosse Idee" malfunctioned, the 1:45:00 video became a 15:00 video. Is Homeland Security preventing me from absorbing dangerous ideas? (*Bullshit.*) Woke up on 12 PM. Tried to sleep again. Succeeded. Woke up 4 PM. TNT, then Stories. The girl there told me Stories was closed 6 PM yesterday because of Halloween. Checked the visitors' log. Called Carolyn's office number, 8:50 PM. Her office hour: Tue: 8 -8; Wed-Sat: 8- 6, Thurs: 8-2. It turned out to be a cellphone number. Looked up the bus route to David P's old address, was planning to take a look. Left Stories on 9:30 PM, asking Claudia: "How come Liana doesn't like me anymore?" "I don't know, she hasn't said anything." As if all that warning never happened. On Metro Blue Line by 9:55 PM. Would have been able to make it to the 232 bus at Mariposa. However, Metro Blue Line suddenly stopped on its track for a few minutes, causing me to become unable to catch the 232 bus. Very upset. Homeland Security trick! Why? What mystery is there in David P's old home? On the train, finally decided to go to Dr P and David P's old address when they first got married. Thus, Homeland Security or the control center wanted me to go to this address instead of the other one. Perhaps in order to repeat more closely the episode with Chaya. Thus, there, 11 PM, near AVATN. A red van was parked in front of the house just like on Google Earth: 3WQX215. **1 SPC, 10 N, 4 B, 1 W, 2 H.** On the train coming back around 12:20 AM. Stopped by LATTC: **1 W, 1 H, 1 B.** Then home by 2 AM or so. For a while, couldn't find my newly bought ice tea. Then the computer froze up several times. Burned DVD-415 and 416-B. No problem. Then discovered that "House 121" belonged to Dr P's mother.

(It must be Homeland Security CO chief who wanted me to loiter outside Dr P's mother's house tonight. This, because of the Baltimore Lawyer's debacle this morning, which you shall soon see. Dr P must have been informed about it beforehand and sent in the investigators early afternoon to set up all the surveillance cameras. Tomorrow, she would report it to the TMU: "The Homeland Security warning about him IS true! He's stalking us again!" In this way, Homeland Security CO chief could obtain another evidence with which to justify his warnings about me in the ICJ and temporarily lock up the previous ICJ trial.)

This looks suspiciously like the Arlington, Virginia, visit seen on 30 October, 4:31 PM. Namely, it could be the Baltimore Lawyer in Washington DC again! To argue again with the Washington DC authority! But today was Saturday! Apparently the authority in question was working even on a Saturday! Well, of course: the stalker had just stalked his victim last night again: the situation was urgent. All this of course means that the Sharon Springs volunteer yesterday must have produced an excellent testimony as to how I had stolen my drawings from my family members, which testimony the Baltimore Lawyer was asked to present to the Washington DC authority today. And this also means that the Chicago volunteer (Evelyn?) was visiting my web gallery because she was at this very moment also calling in to confirm the same thing for the Washington DC authority.

2 According to my aunt Winnie (06.02.2014), Evelyn and her husband Ben had in October 2013 moved to Colorado, close to my cousin Gilbert. But she and Ben never seem to have sold their Chicago house (6649 S. Fairfield Ave.) which they purchased in Dec. 2012. Could she be back to Chicago from time to time? Recall that she was a MAC person. It's possible that, because the Baltimore Lawyer (if it was "Martha") was licensed to practice in Illinois but not in Colorado, the Secret Society women asked Evelyn to return to Chicago to complain about me to the authority from there so that the Baltimore Lawyer could "represent her". This of course means that Evelyn was not simply making false reports to help Ekaterina and the Secret Society women, but had attempted to become a "victim of my stalking" in her own right.

3 Or Arlington, Virginia.

Perhaps the meeting with the Washington DC authority had already ended, with the usual result: no! Homeland Security CO chief, Ekaterina, and the Secret Society women would never give up because, at least for the first two, their life depended on proving me to be violent and insane and thus locking up the previous ICJ trial, but the Washington DC authority, although instructed by the CIA to never cooperate, must have got quite annoyed. Frustrated, Veronica now called in:

Society women were thinking about getting Marie to join the complaint after the Washington DC
authority had rejected their case again.

My harassment of Ekaterina. (Brainstorming after the Baltimore Lawyer's failure.)

2 November (Sunday)

First, a note about myself. Slept past 6 AM while watching a Princeton lecture on linear algebra. Woke up past 4 PM. TNT, some last pieces of EKT's operation came to mind: she has disabled a lot of scientists with "victim confidentiality": their works couldn't be utilized. Then found the paragraph below. Was thinking about going to the UCLA library instead, since Liana was working. Neither the French meetup nor the library. Jons, chickens. Stories, around 6:30 PM. Liana there, **Veronica's agent there**. Asked John: "How come Liana doesn't like me anymore?" He: "Did she? Don't know..." Left on 8 PM. Before leaving: a Hispanic guy came to ask me if I designed websites because of my "Filezilla". An attempt to fit me into the profile of a computer hacker? (*I might be correct: he could be a Homeland Security agent so that Homeland Security CO chief could intercept into the ICJ evidence that I was indeed a computer-hacker.*) Going to Union Station. Collection: INDNA: **11 N, 3 B, 1 SPC**. On the train by 10:30 AM. Came to SM. **2 W (SCHL and CHRCH, both 3rd time), 1 N, 2 SPC**. On bus 720 to come back by 1 AM. The bus shook violently, causing anger. Home around 2 AM. I posted on my blog:

In the investigation, by looking over some old materials, of the question of whether the "special theory of quantum gravity" can be generalized, I have come to focus on this seminal paragraph (in Zur Quantenmechanik II, Born, Heisenberg, Jordan, 16 November, 1925) as being some sort of key: $pq - qp = h/2\pi i$. "Es ist befriedigend, dass die Konstante k an dieser Stelle in so einfacher Form in die Grundlagen der

Theorie eingeht; ausserdem erkennt man aus (5), Kap. 1, dass die neue Theorie im LIME $h = 0$ in die klassische überhehen dürfte, wie es physikalisch gefordert werden muss."

Or here (Carson, "The Origins...": "Iconically, we now write Heisenberg's relations as $pq - qp = ih/2\pi$. Here p represents momentum and q represents position. For ordinary numbers, of course, pq equals qp , and so $pq - qp$ is equal to zero."

Well, $h = 0$, or $pq - qp = 0$, precisely when the value of gravity is 0, i.e., when nothing exists, which is thus a description of the vacuum. Such is the "special theory".

It would seem that I was actually getting somewhere!

Now the Secret Society women's operation on my website today. 4:38 AM,

This almost looks like Angelica from the Law Library. Recall that the IP address for the Law Library was always: 173.196.200.74 (rrcs-173-196-200-74.west.biz.rr.com). Presumably this wasn't Angelica from the Law Library. (Since she was a supervisor, she could always do research there by herself on a Sunday.) The strange thing is that, as you see below, a current trace of this IP address on thatsthem.com shows that it belongs to VZN Law, a law firm in downtown LA associated with a lawyer by the name of Ali Vazin. Was the trace valid for November 2014? If so, this is presumably what happened: the Baltimore Lawyer had gone to Washington DC to argue with the same authority again and was rejected again – despite all the volunteers calling in to testify that they saw me harassing Shizuka and Ekaterina and violating intellectual property laws and so on on my website. The authority cited that there was no convincing evidence that I did hack people's computers and plagiarize. Hence the Secret Society women called upon one of the LUG buddies to examine my hacker images, and then asked another person they had recruited at VZN Law to brainstorm how to report me for plagiarism here.

A current trace of this IP address says it belongs to VZN Law

9 In fact, this seems to be the same old Berkeley volunteer, last seen on 31 October, 1:19 AM. Recall that, in the beginning of this year when this Berkeley volunteer began to show up regularly, we have suspected her to be Kiersten's best friend Aysha Massell. Now Aysha had an address history in Santa Fe, New Mexico. If the Berkeley volunteer was indeed Aysha, then, apparently, she had gone to New Mexico over the weekend for some business. At this moment, she would have just heard the bad news from Kiersten that the Washington DC authority had rejected her gang's case again.

3 November (Monday)

First, a note about myself. Woke up between 1 and 2 PM. To assessor's office. Looked up
housing information on Dr P's group. Then, Stories. Ate at Chinese fast food: no chickens at
Jons today. Giselle there, Jalise there for a little bit. Asked John: "Have you found out why Liana
doesn't like me anymore?" Because Giselle had no interest in me, decided to go to SM public
library instead: 6 PM. Checked my website there, then checked out Dorsett's book on C. S.
Lewis. Out of the library by 9 PM. **5 N (one WF)**. Starbucks, Westwood. Nervousness all night,
partly due to thinking about Uncle James' response. Calmed down after working for a while. No
pretty AWFs there tonight. Worked until 1:30 AM, a lot of Wir sind Helden. Collection nearby:
5 B, 1 W (AUTO, 2nd). On the bus coming home before 3 AM.

Now the Secret Society women's operation on my website today. 4:22 AM,

This was obviously a volunteer. The search terms described precisely the Secret Society women's current predicament! Even when the stalker had just stalked his victim, the Washington DC authority still refused to intervene! And, when Dr P submitted her complaint again this morning about what happened on Saturday night to the TMU, the latter of course ignored it again. (Was this volunteer the "Pomona LUG buddy"? Now a note about SDW. She was out around 8:30 PM. As she would note in her "First
Responder Harassment Log, November 2014": "8:41 pm – Passed by Encinitas Fire Dept.
ambulance with lights/ sirens on while walking west on Encinitas Blvd. at Quail Gardens Dr.
(Encinitas)" It thus seems that she was merely out for a walk.

4 November (Tuesday)

First, a note about myself. 7 AM, looking at Taschenbuch der Mathematik, Matrizenrechnung. It's not basic. The other German book on the topic couldn't show up on Google Books. Homeland Security obstruction? Then slept while watching a Stanford lecture on Fourier Transform. Woke up past 3 PM. TNT. Thought: getting a Russian girlfriend is better than nothing. Also: if it's the Russians who have made the mistake, they should pay for it, rather than getting somebody else to pay for it. Hence the girlfriend had better be Russian. Recalled: "Putin doesn't like to break promises, even to his enemy." (*I continued to fail to understand that the Russians had completely betrayed me.*) Jons, chickens. Stories. Jalise there. Veronica's agent not there. Asked Jalise: "Why are you still nice to me but Liana isn't anymore?" Searched "McDearmon" in Arkansas on Facebook. Two persons came in to take pictures: will write stories on Stories. Posted the latest post: "The conclusion to the Secret Society's operation..." before leaving Stories (9 PM). Said goodbye to Jalise: "See you tomorrow. I'm going to the battlefield." Home Depot. **1 B (SCHL)**. A security guard threw me out of the Metro station for smoking. Union Station. **13 N**. Then going to PSDN. On the Metro, a very beautiful bohemian AWF, proud-looking, with bicycle. Any meaning? PSDN: **3 W (SNRCNTR: 2nd), 1 H (XIA), 2 B, 1 SPC, 3 N**. Done by 1 AM. On the bus by 1:20 AM. VRMNT, and near home: **1 N, 1 B**. Home by 3 AM. Listened to the coverage on election on Democracy Now. Realized that the CIA will stay in the background, the puppet master of the political elites. They let the Republicans win in order to use them to carry out the politically incorrect reform. (*Bullshit! All wrong!*)

Now the Secret Society women's operation on me website today. 4:19 AM,

5 November (Wednesday; Wes)

First, a note about myself. Slept while watching a Chinese martial art fantasy movie (Jet Li, 2014). Woke up on 2 PM or so. TNT, realized the function of Stories (*bullshit*), then, burger. Storage: put in DVD-414 and 416. Arrived at Stories around 6:30 PM. Jalise there. Veronica's agent not there. The "1024 Mommy" was there. (The CIA girl from 24 October.) Told Claudia: Russia wants to use her store as the basis on which to make its own hippie movement. (*That was*

the bullshit!) With Wes (from 2:32:00 onward in the recording). Left 9 PM. Also told Jalise. Was excited because of my talk with Wes. Ate at Kentucky Fried Chickens. Watched "Sophie Scholl" at the same time. On bus 4 going to Westwood. Starbucks. Excitement, and then confusion: the new Russian accelerator, September 2009. Related to me? And the cause of Russia's loss of the Cold War: not just the hippie movement, but its missing out on the entire cultural revolution of the 1960s. Left almost 2 AM. No collection tonight, too excited and too tired. **3 B only**. Home by 3:30 AM.

Highlights of my conversation with Wes today: (1) "Ekaterina's stalking case would result in something strange..." Wes: "How can you be stalking her when you are in LA?" "Because I put her pictures on my blog..." (*Did the CIA and the TMU instruct Wes to ask me this?*) (2) My theory: how Russia lost the Cold War because they didn't have a hippie movement and didn't develop a parental attitude toward their minorities. How the Russian intelligence had noticed this and so got the control center to control me to come to Stories. (*Wrong!*) How it was thus the Russians' program, not the CIA's. (*Complete bullshit!*) (3) Wes talked a long time about some other movement which was the precursor to the hippie movement. (4) My *wrong* scenario about how the Russian intelligence was trying to convince the conservatives. (5) Coincidences? Heisenberg's 1927 paper was published on 16 November that year, and Ekaterina's favorite movie was "The Matrix". The likelihood of such coincidences. (6) Both the Russians and the CIA were aware of my "solution" since the very beginning, but never said anything. (*Wrong! Only the Invisible Hand was aware of it.*) Then, in 2010, BOL made my theory into the focus of the scandal to be orchestrated. (*Bullshit!*) (7) How I had decided to wait for my Russian girlfriend! (*Stupid!*)

(Wes' first question to me suggested that the TMU was trying to refute a certain claim which Ekaterina and the Secret Society women had once again advanced. We should thus suppose that, now that the avenue of the Washington DC authority was closed, the Russian diplomatic service intervened (perhaps citing some treaty) and obliged the TMU to reconsider Ekaterina's case again. (Of course: the Russians were desperate to prove the Homeland Security warning about me true in order to prevent the CIA from reactivating the previous ICJ trial.) And so Homeland Security CO chief instructed the Monkey to control me to say all that "delusional" stuff about Russia, the Russian intelligence, and Ekaterina, so that these would be evidence that the Homeland Security warning about me was correct and should therefore be honored (in that I indeed suffered from bizarre schizophrenic delusions: in particular, my obsession with Ekaterina was fueled by my bizarre delusions about Russia and its intelligence agencies). All this followed upon all the usual reports about my website during the day which you see below that confirmed once again that the Homeland Security warning about me was correct. But the CIA and the TMU had collected their evidence too tonight: my awareness that it was my blogging which had made me Ekaterina's stalker clearly demonstrated that I wasn't one of those idiotic erotomaniac stalkers of famous women forever unaware of the meaning of his actions which Homeland Security had made me into. The CIA would further argue that my "delusion" about the Russian intelligence and so on actually made a lot of sense, even if untrue. And so, after tonight, the TMU would respond to the Russian diplomatic mission one more time that this Homeland Security warning about me wasn't correct and that I wasn't "deluded" about Russia and did not pose any danger to Russia's First Daughter.)

6 November (Thursday)

First, a note about myself. Worked until 7 AM. Woke up on 4 PM! TNT. Jons, chickens. Stories. Liana there. The "1024 Mommy" was there again. John there. Claudia not there. She left on 7:25

PM. Internet connection cut off around 8:10 PM. The file uploaded to my website disappeared. Connection then restored. Left on 9 PM. Went directly to Westwood. Worked more at Starbucks. Past 12:30 AM, going to BRNTWD for collection. **7 N, 2 W (2nd, 4th), 3 B, 1 SPC, 1 H.** On the bus to go home before 2 AM.

(There must be a reason why the Invisible Hand sent in the '1024 Mommy' twice in a row. Was she here to elicit a certain reaction from me? Did she join the Secret Society women's organization as another informant? Or was the Invisible Hand simply doing this to create the impression that his agent wasn't here on 24 October specifically for me?)

Now the Secret Society women's operation on my website today. 4:09 AM,

Forging evidence of my plagiarism? This was indication that, by this time, the TMU had informed the Secret Society women and the Russian diplomatic service that they had again determined that the Homeland Security warning about me was incorrect because the evidence that I had plagiarized was unconvincing. There was again no more stalking claim from Russia's First Daughter against me.

7 November (Friday)

First, a note about myself. Slept 7 AM while watching a documentary on the movements in the 60s. Woke up around 1 PM. Will be sleepy all day long. Discovered two excellent videos on

Kiersten's Vengeance, 24
Lawrence C. Chin,

Youtube on North Korea. The latter, a NHK special, on the power structure of Kim's family. At TNT, immediately downloaded the two videos. Then, Jons, chickens. Many surveillance agents on the train, it seems. Has it something to do with my blog post from last night, correcting "hippie movement"? Finished reading Heisenberg's "Die Schönheit in exakte Naturwissenschaft". Stories, showed Claudia *The Presocratic Philosophers* (Cambridge) which was on the shelf. "You can solve the mystery of the origin of the universe... News people will come..." She said I wasn't talking normal, and brushed me aside. Saw Jeffrey outside, and told him what I wasn't able to tell Claudia. Liana there. Then Giselle came to replace her, wearing a gown to show her excellent figure. A man with his daughter came to sit down in front of me, saying his mother-in-law was from North Korea. He then told me about "Link" in Orange County, the organization which smuggled refugees out of North Korea via China. Bizarre. Downloaded more Wir sind Helden videos. Leaving on 10 PM. Asked Claudia again. She didn't "agree with me". To Union Station. **8 N**. Then, PSDN. **3 W (PRSCHL, 2nd), 1 N, 1 SPC, 4 H, 4 B**. (Note that the sign "You are on camera" was taken off at the PRSCHL: Did they actually put a camera there this time? Didn't see any.) On the train coming back by 1:40 AM.

(There were perhaps so many surveillance agents around me on the Metro train this afternoon because, now that the TMU had once again refused to validate the Homeland Security warning about me, Homeland Security CO chief had to run surveillance on me together with the Russian diplomatic service in order to find more evidences that I did in fact fit the Department's profile of me. (Pretending to be concerned with my latest blog post.) Both parties were terrified that more unfavorable evidences had entered into the ICJ to render the previous ICJ trial open to reactivation.)

Now the Secret Society women's operation on my website today. 4:03 AM,

The other blog posts that would show up include “The mystery of SDW’s targeting at last solved” (11.08.2014), “Outline of Kiersten’s vengeance, part III” (03.08.2014), and “The steps toward establishing Russian soft power in Asian Pacific: some application of Joseph Nye’s ideas”. Meanwhile, the blog post series “Four women try to knock down my website” would show up under the search “part + 1”. Thus, this volunteer was here to examine how I had spilled out on my blog my terrifying delusions about the Secret Society women and Russia (and, by extension, Ekaterina).

At the same time,
