

## **The Secret History of the International Court of Justice**

### **KIERSTEN'S VENGEANCE**

#### **27**

#### **RESUME**

The following covers the operations of the Secret Society women and Homeland Security CO chief against me and the associated International Court of Justice trial from 4 to 13 December, 2014. The Secret Society women are: Angelica (Angelina, G), Dr P (Petterson), Karin (K), Kiersten (J), and SDW (Maura). The "TMU" continues to refer to the LAPD's "Threat Management Unit".

Now a reminder about what was at stake in this stalking claim of Ekaterina's. If the Secret Society women should ever succeed in persuading law enforcement to admit that Homeland Security's warnings about me were correct – that their claims about me were accurate and that Ekaterina's stalking claim against me was thus legitimate – then the Russians and Homeland Security could win the current ICJ trial and then use the judgment from the current ICJ trial to permanently seal up the previous ICJ trial. If, on the other hand, law enforcement should ever succeed in proving that Homeland Security's warnings about me were incorrect – if they should ever succeed in proving that the Secret Society women were a bunch of false complainers and that Ekaterina's stalking claim was meritless – then the CIA could win the current ICJ trial and then use the judgment from the current ICJ trial to reactivate the previous ICJ trial and introduce there my reconstructions of that previous ICJ trial as newly found evidences – the CIA could then convict the SVR (along with Homeland Security, Mr former Secretary Chertoff, and Boss Cheney) in that previous ICJ trial. And not just the SVR, but even Ekaterina's father could be convicted as well. This is why the Russian diplomatic service had been trying so hard to get US law enforcement to establish that, precisely in accordance with Homeland Security's warnings about me, Ekaterina should indeed be considered as the victim of my "stalking". As you shall see, although the TMU had definitively rejected Ekaterina's stalking claim, the Russians would, by 7 December, succeed in getting another US law enforcement authority to reconsider Homeland Security's warnings about me and thus Ekaterina's stalking claim against me. But, by 13 December, the CIA would again succeed in convincing the new law enforcement authority that the Secret Society women's testimonies about me were not to be trusted.

*Synopsis:*

**04.12:** My collection in Culver City tonight. The Secret Society women's operation: (1) A volunteer from a US military base in Germany reported on my "Cultural Feminism". (2) Five volunteers reported on my harassment of Ekaterina and her family members. (3) Two volunteers reported on my delusion about how the Secret Society women were going after me. (4) My delusions about the chips inside my brain. (5) My harassment of Shizuka. (6) A Hialeah volunteer linked my chapter elementarystructures20.htm from a secret Facebook page. (7) The St Petersburg volunteer came again to report on my delusions about Russia. (8) My plagiarism.

**05.12:** My collection in Hermosa Beach tonight. The Secret Society women's operation: (1) My delusion about how they were going after me. (2) My harassment of Ekaterina. (3) My harassment of Kiersten with my blog. (4) A LUG buddy came to my blog from Prasad's blog. (5) A volunteer had found my latest reconstruction (TL-IV-1L). (6) My plagiarism.

**06.12:** No collection. Conversation with Wes: Homeland Security CO chief's evidence of my insanity. Today, the LAPD detective's reports about my vandalism and the Moscow police's conclusions had together convinced some authority in Northern California to establish me as indeed dangerous and stalking Ekaterina (that Homeland Security's warnings about me were correct). Earlier in the day, the St. Petersburg volunteer came again, and then more reports about my harassment of Shizuka and Ekaterina and my delusions about the Secret Society women and SDW, and an Iranian volunteer reported on my external links page. Around 1:40 PM, the LUG buddies also reported on my website and blog for about 10 minutes (how I had blogged about them to harass them.) Then another volunteer looked up healer2.jpg from a US military base overseas (Robin's friend?). The Secret Society women also discovered my latest blog post ("Anglo-American justice system's..."). Note that the Baltimore Lawyer had traveled all the way to Northern California for an important meeting tonight (perhaps with a Russian consular official). Along with two other volunteers, they were discussing my terrifying delusions about being gang-stalked and targeted. By the end of the night, Homeland Security CO chief should have enough evidences to revive his case in the ICJ.

**07.12:** This afternoon, the Secret Society women and Ekaterina's representative talked to a new law enforcement authority (probably in Sacramento). The Baltimore Lawyer might have gone to meet him together with the Russian consular official. The meeting seemed to have lasted from 1:40 to 3:30 PM. Nelson reported on my front page on 1:53 PM, Ekaterina's friend (who was staying in Red Lions in Beverly Hills) reported on my posting of Ekaterina's

pictures and those of her family members on 3:10 PM, and SDW reported on my blog on 3:15 PM. Other than this, there were 5 volunteers here today to examine my harassment of Ekaterina. The Vallejo volunteer came again to report on my delusion about the chips inside my brain. The Texas volunteer showed up on 6 PM to report on my delusion about how the Secret Society women were going after me. On 6:20 PM, another volunteer reported on my crazy messages on Prison Planet Forum. Around 7:30 PM, while I was at Union Station, the Secret Society women sent in their investigator to monitor me doing my nails. This was also shared with the new law enforcement authority in real time. Around 11 PM, a Hong Kong volunteer came to make final reports about many pages on my website for 15 minutes or so.

**08.12:** The Secret Society women's operation: (1) my delusions about the chips inside my brain. (2) My harassment of Shizuka. (3) Two volunteers came to examine my harassment of Ekaterina. (4) The Gothenburg volunteer examined the front page of my website. (5) The Texas volunteer from yesterday came again (my delusion about how the Secret Society women were going after me). (6) A Houston volunteer looked up my latest TL-IV-1L. (7) Later in the night, the HK Hacker indexed my website to submit it to the new law enforcement authority. (8) The T-Mobile volunteer from yesterday also came again (my front page). Meanwhile, I collected damages in Westwood tonight and Karin was at her Any Language and Culture Meetup.

**09.12:** Today Homeland Security CO chief instructed volunteers to make more reports to the new law enforcement authority that would confirm for him every characteristic that had been attributed to me on the Homeland Security warnings about me. The most notable reports were that of the St Petersburg volunteer – that I had this obsession with, and delusion about, Russia – and that of my cousin Evelyn – that my schizophrenia was so severe that I even imagined my aunt Jennifer to be harming me and then sued her about it. Then Homeland Security CO chief wanted the volunteers to emphasize to the new law enforcement authority that I did plagiarize, and the volunteers had especially focused on saxonwarrior.jpg as proof of my frequent plagiarism. The Secret Society women also got another physicist from DESY to testify that I did plagiarize. The volunteers also reported amply on my computer-hacking and my posting of the pictures of Ekaterina and Shizuka on my website. An Israelite volunteer also reported on my impersonation as “Prasad” on Blogspot. Another Hong Kong volunteer also reported on my crazy blog. Finally, the CIA sent in Jennifer Day again as a mole within the Secret Society women's latest enterprise with the new law enforcement authority.

**10.12:** Early in the morning, a Woodbridge, Virginia, person was sent the link to my website. It's not clear whether this was a government official. Then, as the Secret Society women continued to try to make a strong case about my

plagiarism to the new law enforcement authority, they instructed a physicist from the French government's nuclear laboratory to make a false report about my plagiarism. Then, my brother seems to have reported on my violation of my family members' privacy. Then, plenty of volunteers reported on my harassment of Shizuka, Ekaterina and her family members, and Dr Brizendine, and my slandering of the Secret Society women by imagining them to be going after me (including a Huntington Beach volunteer). Both the St. Petersburg volunteer ("soft-power") and the Israelite volunteer ("Prasad") came again. Finally, an Arcadia volunteer reported on my June Diary.

**11.12:** As the Secret Society women continued to try hard to convince the new law enforcement authority that I did plagiarize, they asked another physicist from the French government's nuclear facility to make false reports about my plagiarism. One of SDW's Tampa friends then made another false report about how my delusions had caused me to become a danger to myself. To emphasize to the new law enforcement authority that Homeland Security was right about the fact that I frequently developed delusions about famous people, Ekaterina instructed a friend of hers in South Korea to report on my blog posts about Khalezov, and Homeland Security CO chief instructed a volunteer from Akron, Ohio, to report on my blog post about Snowden. Then a volunteer from Bonn, Germany, reported on my "violent" Nicaragua videos. Then more volunteers reported on my online harassment of Shizuka, SDW, and the Secret Society women (including one Santa Cruz volunteer who reported on my messages on Prison Planet Forum about the women). Finally, a Maple, Ontario, volunteer checked out the front page of my website, and the Belton, Missouri, volunteer came to my blog again. As for Karin, she should have been at her Any Language and Culture meetup tonight.

**12.12:** Other than reporting me for plagiarism, such were the Secret Society women's actions today. The Hong Kong volunteer came again to look at my blog twice, and a Leduc volunteer and another volunteer from Saudi Arabia (or so it seems) came to look at the front page of my website. Several volunteers reported on my harassment of Shizuka, and Dr Brizendine herself was asked to make a complaint about me to the new law enforcement authority. Then the Huntington Beach volunteer spent two hours on my blog reporting on my delusions about the Secret Society women (how they were going after me). Two more volunteers reported on my delusions about being mind-controlled. The Frankfurt volunteer came to look up my "Cheney Plan" again. Finally I talked to Wes later in the night: Homeland Security got the new law enforcement authority to listen in on my terrifying "delusions".

**13.12:** During the first half of the day, the Secret Society women continued their reporting as usual: (1) my delusion about Khalezov. (2) My harassment of Shizuka and Ekaterina. (3) My delusion about how the Secret Society women

were going after me. (4) My delusion about Snowden. (5) The Russian law enforcement's visits? Then, on 3 PM or so, the new law enforcement authority notified the Secret Society women that he had decided to reject their case. The women scrambled their volunteers to brainstorm how to report me for plagiarism (note especially the Avella volunteer between 3:40 and 4 PM) and harboring dangerous delusions. On 5:25 PM, SDW herself came to my website to report on my delusion about the ICJ. The brainstorming continued throughout the night. Then, just after midnight, Dr P sent in a friend of hers to pretend to be a psychologist and befriend me.

Now the diary entries and the log of the Secret Society women's operations on my website. As always, my subsequent corrections to my diary entries are bracketed and in italics.

#### 4 December (Thursday)

*First, a note about myself.* MST (young AWF). Went to bed around 6:30 AM. Watched Dowker's lecture, then a Chinese movie, all on my latest DVD on Toshiba Satellite. Discovered that the Chinese movie (with Jet Li) was also badly burned. By 10:30 AM, still couldn't sleep. Thus realized the impossibility of falling asleep. Got up, out, going to Carl's Jr. Severe anger, required to be angry with, and lose interest in, Russia, in order to produce evidence showing me loving and hating the same thing at the same time. (*Bullshit! But Homeland Security CO chief really did want me to love and hate the same thing at the same time.*) Also required to commit crimes. (*Correct!*) Worked on my reconstruction in Starbucks until almost 2 PM. Home, fell asleep at last. But then missed the French meetup, naturally. (Was hesitating about whether to go in any case, since Alan would be there.) Woke up past 8 PM, then lay around until almost 10 PM. TNT, checked the visitors' log, then went down Vermont, ready to take bus 33 to OVLND/ VNCE. **2 B (Cortez)**. Collection: **2 B, 2 W, 4 H (Yoga again), 11 N**. Couldn't W at both PRSCHL and Dr LNDWLLM (security). Began waiting for the bus from 1:40 AM onward. No bus came until past 2:30 AM. (*It's not clear whether the Secret Society women were monitoring me tonight.*)

Now, the Secret Society women's operation on my website today. 4:30 AM, videotron.ca, Montreal, Quebec,

This volunteer was visiting from a US military base overseas (most likely in Germany). A Google search would explain:

Overseas military addresses must contain the APO or FPO designation along with a two-character "state" abbreviation of AE, AP, or AA and the ZIP Code or ZIP+4 Code. AE is used for armed forces in Europe, the Middle East, Africa, and Canada; AP is for the Pacific; and AA is the Americas excluding Canada.

Again, the Secret Society women had recruited somebody from the strangest place. As you shall see, this volunteer may have something to do with Robin.

## 5 December (Friday)

*First, a note about myself.* Slept past 6 AM. Busy burning DVD 422: getting all my data out of ASUS. Woke up around 10:50 AM. Not enough sleep. Tried to sleep more, but couldn't. Finally, got up almost 1 PM. Chinese fast food, TNT, took my Toshiba (Ubuntu) instead. Left a message with Wes. It's my Ubuntu's first day of operation. Worked on the visitors' log and installing new software (SM Player and SM Youtube Browser (SMTube)). Worked past 4:30 PM. Went home for a nap – tried not to be too upset today over programmed sleep disorder. But of course not allowed to sleep. Merely fantasized telling the Stories girls about the Secret Society women. Called Wes a little past 7 PM, no answering. MST (AWF). Then lay on the bed a little more. Around 9 PM, out to collect damages. Collected rocks, and bought hot dogs. Got on the train past 9:30 PM, but eventually was able to reach Mariposa on time. HRMSA: **2 W (ESCRW 2<sup>nd</sup>), 9 N, 5 B (in total), 2 H, 1 SPC**. Reached Long Beach, concentrated on writing “neoteny and postmodernity”. From Long Beach, there were no trains, but only buses, then took the train from Willow. At the Korean restaurant near home by 2:30 AM.

Listened to a lot of Flunk and Propaganda lately. And, due to sleep disorder, couldn't buy cheap chickens at Jons. Not allowed to save money, basically. (*Bullshit. It's not clear whether my persistent sleep disorder was indeed programmed by the Monkey from the control center. It's also not clear whether the Secret Society women were monitoring me tonight.*)

Now the Secret Society women's operation on my website today. 4:11 AM,

We need to discuss a little where this visit came from. This “Prasad” made extensive excerpts of me on his blog post for 18 November:

Kiersten's Vengeance, 27  
Lawrence C. Chin

We have to wonder whether this “Prasad” was in fact instructed by Homeland Security CO chief to plagiarize me so that his faulty surveillance can intercept it into the ICJ as evidence that I either did plagiarize or frequently use false identities online. This is a very real possibility since, on 17 November, as we have just seen, Homeland Security CO chief instructed Francesca to plagiarize me on her Facebook: 17 and 18 November were the time when he needed such kind of evidence in the ICJ. As for this visit, presumably it was one of the LUG buddies since they frequently used TOR to visit my website.

## **6 December (Saturday; sleep deprivation, Wes)**

*First, a note about myself.* Worked on the new posts “Favorite music” and “Anglo-American justice system's bias toward white females” (the two blog posts you see for 6 December) until past 6 AM. Slept almost 7 AM. Was quite excited, and would be excited for the whole day. Woke up again before noon. Not enough sleep. Tried not to be angry. TNT, left a message for Wes. This time I was determined to return to the old routine (chickens at Jons) in order to save money. Suddenly had the desire to read Daniel, and brought my Bible with me onto the bus to read it. At Starbucks, Vermont, to check the visitors’ log. The “Mommylijk” (seen here before) was here again. Then departed for Sabor. There to work on my reconstruction. My keypad began malfunctioning (no response). Left another message for Wes. Finally, Wes called me back around 7 PM (from 4:33:00 onward in the recording). But he was only able to talk for 30 minutes. Then thoroughly checked Google Map to make sure I could make it to the German Christmas Festival in Huntington Beach tomorrow. Finally, I was so overcome by sleepiness that I decided to go home and sleep and skip over collection tonight. **Total: 1 B only.** Home by 10 PM, and quickly went to sleep. Listening to “Daniel”.

*Highlights of my conversation with Wes tonight:* (1) I might have to suffer sleep deprivation in order to establish my identity with the Secret Society women. Also to establish my identity with the LUG buddies who would then serve as intermediaries between me and the Secret Society women. (2) My dream of how I was appointed the director of the FBI. The control center programmed me to have this dream in order to produce evidence. (3) The Secret Society women had hacked into my blog and removed data. (*Wrong.*) (4) My anger over the fact that my philosophical reflections on the stalking scandal were all flawed and distorted because I didn't have the correct data. People who were not able to reflect were given to know and those who were able to reflect were not allowed to know so that society will always be filled with garbage. (5) My theory to explain why, when a nation reaches its prime, it would start to self-destruct. (6) *Dr P had a Russian Jewish therapist friend.* (7) It's the Russians who had made a promise to SDW. (*Bullshit.*) (8) How I had gone to Draw Anything LA Meetup: I learned everything faster than everyone else and yet I didn't have any rights. That must be BOL's program. "Nobody can understand the results of the simulation except me, but I'm the only who is not allowed to know anything." (*Bullshit.*) (8) I wanted to send Wes the link to my blog post about neoteny. *Again, all my wrong scenarios (marked "bullshit") were Homeland Security CO chief's evidence in the ICJ that I was indeed delusional.*

Now the Secret Society women's operation on my website today. 4:16 AM,

Was this part of the Secret Society women's operation?

5:20 PM, it's the 4:56 PM person:

This volunteer was very nearby. Had she been here before? Or was she a new person to whom the Secret Society women had sent the link?

Was this the same volunteer as that seen on 4 December, 6:40 AM? Now using his iPhone instead? What's so strange is that he was here looking at something completely different than the last time. The Secret Society women virtually never assigned a different part of my website to the same person.

In any case, this visit may very well be another sign of Robin's involvement. By this time, Robin (Levy) seems to have met the love of her life, Jeremy (Lizotte). Jeremy was a Navy veteran, having served on USS Providence (SSN-719, a Los Angeles class submarine). This image was, you recall, the drawing I gave to Robin as a gift in 2001. It thus seems that, upon the Secret Society women's request, Robin asked Jeremy's Navy friend somewhere to make a serious false

report about how I had stolen her drawing and put it on my website (because, as shall be noted, very serious reporting was going on tonight). It's not clear whether the military personnel from 4 December was also Jeremy's friend.<sup>1</sup>

What's so amazing is the fact that the user-agent is identical to the Baltimore Lawyer's. Note that this was the tag which the Baltimore Lawyer was given to look up the last few times she was here (11 and 7 November, although not 10 November). Did the Baltimore Lawyer travel to California in the past few days? Did the "SPH-L710" volunteer go up to Northern California to meet with her? What were they doing in the Bay Area? To meet with the a Russian consular officials about my stalking of Ekaterina? In any case, she would have seen all the postings from August. Today must be a serious day for the Secret Society women if both the LUG buddies and the Baltimore Lawyer had shown up.<sup>2</sup>

9:09 PM, the Texas volunteer from 30 minutes ago continued:

<sup>1</sup> By March 7 next year, Jeremy and Robin would move to Hanahan, South Carolina (to find Kenny?). The couple would then move to Idaho and purchase a house in Hope, Idaho, in August.

<sup>2</sup> It's in fact very likely that this wasn't the Baltimore Lawyer but the Lafayette volunteer seen on 15 November, 12:01 PM, who had the exact same iPhone as the Baltimore Lawyer.

To summarize: there must have been a breakthrough on the part of the Secret Society women today. The LAPD detective's reports about my vandalism and the Moscow police's conclusions had together convinced some authority in Northern California to establish me as indeed dangerous and stalking Ekaterina (that Homeland Security's warnings about me were correct). The Baltimore Lawyer had traveled all the way to California just for this.

### **7 December (Sunday; SDW's visit)**

*First, a note about myself.* Unfortunately, woke up 2 AM. Still not allowed by the control center to sleep. Tried not to be angry. Lay around. Played Sarkozy's speech. Then Flunk. Lay around for

two hours, but eventually fell asleep. Woke up 6:30 AM. Just in time. Checked the visitors' log (open 3:30 AM or so). 7:30 AM or so, was ready to leave for Huntington Beach. Locked my door, then discovered that I hadn't brought my keys and pouch with me. Called Choi, then located her sister outside the building. She opened my door for me. Not too angry. Then Coffee Bean, and was on Metro, and then on 460 bus almost 9 AM. Almost rode past Knott's Berry Farm because I was concentrating on writing. But got off on time, and eventually arrived at Old World Village by 11:30 AM. Couldn't locate the people from Stammtisch, but was eventually able to hang with the Klön Talk group until 4 PM. On the bus coming back on 4:08 PM.

Continued to read Daniel today. **Total: 5 B.** Arrived in downtown, 6:45 PM. **5 N.** Then Union Station: **8 N.** A suspicious Hispanic woman in an SUV seemed to be waiting for me there. Veronica's investigator? If so, this demonstrates again that the Secret Society women knew where I would be committing crimes before I even decided it myself: they had access to the control center. Home by 8:45 PM. My Ubuntu repeatedly froze up.

*(I was right. The Secret Society women were continuing tonight to monitor my vandalism spree together with the new detective. But it was not as I thought, that they had somehow direct access to the control center. This was how it worked: some time earlier today, the Monkey saw on his computer screen that, tonight, I would decide to do the nails near Union Station. He thus informed the Secret Society women immediately where I would be tonight to collect what kind of damages. The Secret Society women then informed the new detective – since they couldn't reveal that they were special informants for Homeland Security and that Homeland Security CO chief had chips planted inside my brain, they must have said something like: "We have psychic power, and we predict that he would be doing his nails near Union Station tonight." The women then instructed their investigators to station somebody in the location near Union Station where the Monkey had informed them I would show up tonight. The investigator thus sent in had her cameras all set up ready to film me when I showed up. The new detective would be quite impressed. Meanwhile, because, as you shall see, the Secret Society women and Ekaterina's representative would be establishing their case with a new law enforcement authority in Sacramento this afternoon, my doing mails would be shared with him in real time. It's however not clear what the investigators made of the Secret Society women's strange ability to always foresee with total precision where I would be at what time to do what. You must keep in mind that Mr Homeland Security CO chief could only do all this (with the Monkey inside the control center to help him) as part of the neutralization of my terrorist act against him as authorized by the International Court of Justice.)*

Around this time, or three hours after she had made a false report about my blog, SDW was out. She would be out until almost 7:30 PM. As she would write on her "Log" for today: "Between 6:30 – 7 PM – Passed by SD Fire Dept. firetruck w/ emergency lights and sirens on while sitting in Zia Pizza on Adams Ave. (San Diego.)" That is, about 20 miles away from her home. What was she doing in a pizza store in San Diego? Meeting with another TI? What about the serious reporting to law enforcement today?

*First, a note about myself.* Although sleeping from 11 PM onward, woke up some time around 5 AM. Tried to sleep more, but couldn't, and got up around 9 AM. TNT. Tried to download Ubuntu 13, and then 14 Kylin, but couldn't. Suddenly, severe anxiety. Went home. Downloaded both on my Samsung netbook. Then installed Ubuntu 14 Kylin on Toshiba Satellite. Done by noon. Lunch at Chinese fast food. Already very sleepy, but decided to go to storage anyway. **2 N, 1 B.** Home by 3:30 PM. Tried to nap. Of course not allowed by the control center. Merely rested. Got up and out around 5:30 PM. On the bus going toward Westwood. Even the new Kylin suffered "internal system error" – and this time not because it was shut down improperly. Terribly worried. Dampened mood for the whole night. Worked in Starbucks until past 11 PM. Kylin had many problems: freezing several times, and Chrome cannot open Gmail. Left around 11:30 PM to collect damages. **10 N, 4 B (in total), 3 W, 1 SPC (mirror).** Home by 3 AM. Because of reinstallation, didn't do any reading.

Now the Secret Society women's operation on my website today. 4:24 AM,

Note that Karin was at her Any Language and Culture Meetup tonight: La Fiesta Grande and the movie "Viva La Liberta". Amazingly, as soon as she came home, she posted all the pictures of the meetup on her Meetup webpage. This is the first time that she posted anything since 17 November. Perhaps the fact that a new law enforcement authority had accepted Ekaterina's stalking claim against me had relaxed her.

### **9 December (Tuesday; no sleep deprivation)**

*First, a note about myself.* Slept around 4 AM. Quickly fell asleep. Woke up a little past 10 AM. Thought: another day of sleep deprivation. Read a little "Daniel". Lay in bed, but eventually fell asleep, and woke up around 3:30 PM. Allowed to sleep normally! TNT, Jons, chickens, then the Santa Monica library. Finished "Daniel". Returned the book and checked my website. Left before 9 PM, checking out *Femmes de dictateurs*, II (Diane Ducret, 2012). Starbucks, Westwood, worked until 2 AM. Collection nearby. **4 B.** (The camera in the restaurant in Village might have caught me.) **5 N, 2 SPC (one mirror only), 1 W (for lease, 3<sup>rd</sup> or 4<sup>th</sup>).** On the bus by 3:20 AM. A quiet day. Near home, **2 B** (SCHL).

Now the Secret Society women's operation on my website today. 4:05 AM,

Around this time, SDW would be out, and she wouldn't come home until almost 7 PM. As she would write on her "Log" for today: "2:01 PM – Passed by private ambulance at Hillside and Hidden Valley Rd. (San Diego.) 4:40 PM – Passed white DHS SUV parked on Broadway and First Str. (San Diego.) 4:40 PM – SD Police Dept. patrol SUV syncs parking on right shoulder of Broadway at First Str. before I pass. Female officer syncs exiting vehicle as I pass. (San Diego.) 6:11 PM – Passed by SD Sheriff's Dept. patrol car at Paseo de los Flores and Quail Garden Dr. Car # 20284, CA 1329216. (Encinitas.)" In other words, she had spent the whole afternoon in San Diego. What was she doing there?

He was last here on the early morning of 6 December. This time he must be reporting to the new law enforcement authority that, as can be seen on my blog posts about Russia, I had developed such a bizarre obsession with, and delusion about, this country, from which stemmed my obsession with, and delusion about, Ekaterina.

We must wonder whether this was one of my family members. But both my brother and my aunt Winnie used Windows. Perhaps this was Evelyn, who was staying with my aunt Winnie during the holidays. In any case, per Homeland Security CO chief's instruction, Evelyn was reporting me to the new law enforcement authority saying that I was so crazy and insane that I actually once filed a lawsuit against my own aunt accusing her of all these imaginary harms against me. This report could certainly vastly reinforce Ekaterina's stalking claim against me with the new law enforcement authority.

To summarize today's activities: since the validity of Ekaterina's stalking claim against me depended on the accuracy of the Homeland Security warning about me (or the Secret Society women's profile of me), Homeland Security CO chief today instructed volunteers to make more reports to the new law enforcement authority that would confirm for him every characteristic that was attributed to me on the said warning. The most notable reports were that of the St Petersburg volunteer – that I had this obsession with, and delusion about, Russia, such as Homeland Security had warned the Russian government already back in 2012 – and that of my cousin Evelyn – that my schizophrenia was so severe that I even imagined my aunt Jennifer (Evelyn's mother) to be harming me and then sued her about it. The third characteristic which Homeland

Security CO chief wanted the volunteers to emphasize to the new law enforcement authority was that I did plagiarize, and the volunteers had especially focused on saxonwarrior.jpg as proof of my frequent plagiarism. The Secret Society women then got another physicist from DESY to testify that I did plagiarize. Today the volunteers also reported amply on my computer-hacking and my posting of pictures of Ekaterina and Shizuka on my website. Another Israelite volunteer also reported on my impersonation as "Prasad" on Blogspot. Early in the morning, a Hong Kong volunteer also reported on my crazy blog. Finally, the CIA, in order to disrupt the Secret Society women's latest efforts with the new law enforcement authority, also sent in Jennifer Day as a mole.

### **10 December (Wednesday; sleep deprivation; machine malfunctioning)**

*First, a note about myself.* Slept 7 AM, watching "Daniel und der kommendend Antichrist". Woke up 11:50 AM. Not enough sleep. Tried to sleep more. Of course not allowed. Got up by 1 PM, TNT. Had enormous desire to continue on with Hosea. Soon overtaken by anger over Kiersten's gang's monopolization of all communication channels (to slander me without leaving me means to respond, under the pretext of "fearing retaliation"). All due to seeing last night the news "Feminist, reporting doesn't have to be sensitive" on Intercept. Will be angry over this for the whole day – and sleepy too. Due to anger, didn't go for cheap chickens at Jons. Home Depot, nails and spray. Chinese fast food. Home. Rested a little, checked the log, and then set out for Draw Anything LA Meetup. There, did many portraits like last time, not as pleasant as last time, and left by 9:40 PM. INDNA: **12 N, 4 B.** (1 shattered W.) At the Korean restaurant near home by 12:40 AM. 3:20 AM, Ubuntu Kylin froze, and for the next 20 minutes nothing could be done about it. Both Document B and this diary were still open. Had to forcibly shut it down, worried that it might damage the OS again. But, upon rebooting, it worked, and Libre Office went into recovery. Writings were recovered. Severe anger, however. Out, **6 B (SCHL).**

Now the Secret Society women's operation on my website today. 4:46 AM,

To summarize today's activities: First, a Woodbridge, Virginia person was sent the link to my website. It's not clear whether this was a government official. Then, as the Secret Society women continued to try to make a strong case about my plagiarism to the new law enforcement authority, they instructed a physicist from the French government's nuclear laboratory to make a false report about my plagiarism. Then, my brother seems also to have participated by reporting on my violation of my family members' privacy. Then, plenty of volunteers reported again on my harassment of Shizuka, Ekaterina and her family members, and Dr Brizendine, and my slandering of the Secret Society women by imagining them to be going after me (including a Huntington Beach volunteer). Both the St Petersburg volunteer ("soft-power") and the Israelite volunteer ("Prasad") came again. Finally, an Arcadia volunteer reported on my June Diary.

### **11 December (Thursday; sleep deprivation; Karin's meetup)**

*First, a note about myself.* Slept around 4 or 5 AM, watching "Aimee und Jaguar". Woke up some time around 10 AM. Sleep deprivation. Tried to sleep more, of course not allowed. Watched more of "Aimee", read Hosea and Maccabee. Almost 1 PM, going to TNT. Will be

sleepy all day long. Discovered that I had forgotten to bring my keys. Some anger and distress. Called Ms Choi to ask her sister to open the door for me. Eventually she did. Wasted 15 minutes or so. Angered, wanted to commit crimes. TNT. Checked the log, and meetup.com. Then going to Westwood. Starbucks. Worked. Bus 6 to the UUAC Meetup in Marina Del Rey. There, **2 B**, and urinated. Some woman saw me, and was angered. At meetup, talked about my Ubuntu problem with an old man, and with Ralf from Military History Meetup (!). After presentation, was at Island with the crowd a little bit. But, 9:42 PM, missed bus 6. waited for the next one. Missed Venice Blvd stop. Some anger. Came back to Westwood instead, 11 PM. In-and-Out. Then collection. Raining, and so couldn't do much. **2 W (3<sup>rd</sup> and 2<sup>nd</sup>), 2 B, 5 N, 2H**. Home by 2:45 AM.

Note that, tonight, Karin should be at her Any Language and Culture Meetup (7 PM at Redwhite + Bluezz, and then movie "Poverty Inc.").

Now the Secret Society women's operation on my website today. 4:03 AM,

Let's summarize. As the Secret Society women continued to try hard to impress upon the new law enforcement authority the "fact" that I did plagiarize, they asked another physicist from the French government's nuclear facility to make one more false report about my plagiarism. One of SDW's Tampa friends then made another false report that my delusions had caused me to become a danger to myself. To emphasize to the new law enforcement authority that Homeland Security was right about the fact that I frequently developed delusions about famous people, Ekaterina instructed a friend of hers in South Korea to report on my blog posts about Khalezov, and Homeland Security CO chief instructed a volunteer from Akron, Ohio, to report on my blog post about Snowden. To corroborate Angelica's reports, a volunteer from Bonn, Germany, reported on my "violent" Nicaragua videos. Then more volunteers reported on my online harassment of Shizuka, SDW, and the Secret Society women (including one Santa Cruz volunteer who reported on my ramblings on Prison Planet Forum about the women). Finally, a Maple, Ontario, volunteer checked out the front page of my website, and the Belton, Missouri, volunteer came to my blog again.

### **12 December (Friday; allowed to sleep; Wes)**

*First, a note about myself.* Slept almost 6 AM. Woke up some time past 9 AM. Took sleeping pills, tried to sleep more. Succeeded. Allowed to sleep until 2 PM. TNT, checked the log, left a message for Wes. Then, on 4:30 PM, Firefox froze up, was locked, and could no longer be accessed. Some pain. Went home to fetch my umbrella. Feeling uncomfortable because I may have forgotten to burn the revised "Time Line" onto the DVD. Read more of Ducret's book while on the bus. Jons, chickens, then Sabor. Feeling like I was stranded in a desert, depression. 6:30 PM, left another message for Wes. Worked on my reconstruction, and realized that I had made a mistake with Plagscan at the University of Innsbruck. Distressed. Wes called (4:00:00), and talked to him about my distress over the inaccuracies in my reconstruction. 10:45 PM, "What is my IP address" was no longer accessible. Not too upset. 11 PM, left for PSDN. Distressed for the whole night over the waste of my life on reconstructions. **3 W (construction, 3<sup>rd</sup>), 1 N, 4 B, 4 H.** On the train coming back to downtown by 1:55 AM. Downtown, placed 8 sets and no hits. **4 B (LWLB and EVRST).** Home by 3:30 AM.

*Highlights of my conversation with Wes today:* (1) my attempt to reconstruct the Secret Society women's operations was a waste of time because I was only reconstructing something which everyone already knew about – sort of like an archaeological reconstruction of contemporary American society. Neither the Secret Society women nor the police knew what was really going on. It was more worth my effort to reconstruct the previous International Court trial since that was all national security secrets in any case. (2) Perhaps the Macrospherians were using me to

demonstrate that, forbidden to know anything, I had actually better knowledge than did the Secret Society women who were allowed to be in the light – because they wanted to prove to everyone that males are superior to females. (3) This trial will last until February next year: they would blow up the scandal only when the Republicans were about to take office. (*All these wrong scenarios were again Homeland Security CO chief's evidence that I was indeed delusional. Moreover, he might even have shared the interception of this conversation with the new law enforcement authority in order to convince him that I indeed suffered from schizophrenia.*) (4) Wes kept persuading me to stop reconstructing. (*He was just pretending: the CIA in fact wanted me to reconstruct.*) (5) The police were so lucky: they had a trainer with them and they got to see what happened. (6) Other people are wasting my time, and so I shall waste their time. (7) I understand human psychology much better, but I'm not allowed to interact with people, so that my understanding is average in the end. My entire potential is wasted. And developing my potentials while in enemy territories is a bad idea. (8) What Kiersten was doing and saying about me behind my back in late 2012. Conclusion: only if other people have goals in their life (and thus notions about time), then they wouldn't spend their whole time pulling shit behind my back. (9) Wes described the three different cultures: traditional, individualistic, and moralistic (Daniel Elazar).

This visit is absolutely amazing since Dr Brizendine was a professor of psychiatry at UC San Francisco. It seems that, because the new law enforcement authority had sort of accepted Homeland Security's warning about me as true, the Secret Society women sent an email to Dr Brizendine to warn her that she was a victim of my terrorism because I had posted her picture on my blog. Dr Brizendine had just got into her office and checked the email, and she thus clicked on the link sent to her.

Again, this is a screenshot of my visitors' log.

In summary, just another day of reporting and false reporting to the new law enforcement authority. First of all, a throng of volunteers continued to report on my plagiarism. Then the Hong Kong volunteer came to look at my blog twice, and a Leduc volunteer and another volunteer from Saudi Arabia (or so it seems) came to look at the front page of my website. Several volunteers reported on my harassment of Shizuka, and Dr Brizendine herself was asked to make a complaint about me to the new law enforcement authority. Then the Huntington Beach volunteer spent two hours on my blog reporting on my delusions about the Secret Society women (their going after me). Two more volunteers reported on my delusions about being mind-controlled. Finally, the Frankfurt volunteer came to look up my "Cheney Plan" again. However, the highlight of the day is probably Homeland Security's decision to share with the new law enforcement authority the interception of my conversation with Wes tonight.

### **13 December (Saturday; Dr P's sting operation)**

*First, a note about myself.* Slept almost 6 AM; burned DVD-423 CP on Ubuntu using Verbatim: failed. One file damaged. Woke up 10 AM or so, thought it would be sleep deprivation, but then was allowed to sleep until 1 PM. Woke up, however, with severe headache. (Both sleeping pills and Tylenol had run out last night.) TNT, closed. Coffee Bean, headache so severe that it caused me stomach ache, then vomiting sensation. Had to go home to rest. Resting between 3 and 5 PM. Woke up feeling slightly better. By 6 PM, was on the bus going to Westwood. Depressed because feeling like trapped in a desert, needing visual stimulation such as can be had in Westwood. Chinese restaurant. Two white guys were talking about Russia. Worked in Starbucks between 8 and 11:30 PM. On 9:33 PM, I posted a new message on Prison Planet Forum to vent my hatred for the Secret Society women. (*This is the 13 December posting under "Some prominent targeted individuals might be government disinformation agents."*) Then collection at PRMNDE. Had difficulty with Ns. **7 N** (about 5 sets with no immediate hits). **4 B**. Then, waiting for bus 4. A strange woman came to talk to me, claiming to be a "doctor of psychology".<sup>3</sup> Related to the Secret Society women? Around BNDY: **2 W, 3 H, 1 SPC**. On the bus going home by 2:30 AM.

<sup>3</sup> Recorded in: "strbkwstwdmgSMwmtrap\_12\_13\_14\_811PM.MP3". This recording was broken, and so I re-recorded the episode in: "wmtrap\_20141213\_210104\_0138.mp3" (toward the very end).

*(It is Dr P who, working with Homeland Security and the investigators, had sent in this woman to conduct a sting operation on me. Dr P thought that, if her friend continued to emphasize that she was a doctor of psychology, I'd be attracted to her. What happened was that, around 3 PM today, the new law enforcement authority had informed the Secret Society women that he agreed with the TMU's decision to reject their case. Amidst all the scrambling to save her case, Dr P thus came up with this idea of sending her friend to pretend to be a psychologist and befriend me. While the new law enforcement authority had clarified that it was because the Homeland Security warnings about me couldn't be verified, he noted also that Chaya's warning (that I was especially attracted to psychotherapists and prone to stalk them) was not supported by evidence. Dr P thus thought that, if she could get me to talk to and follow this "doctor of psychology" she had sent in, that would be evidence which she could then submit to the new law enforcement authority to force him to reconsider his decision. But the sting operation failed: this friend of Dr P's really wasn't very attractive, which was far more important to me than her title of "doctor of psychology".)*

Now the Secret Society women's operation on my website today. 4:19 AM, btcentralplus.com, Newry, UK,

This is precisely the chapter which Karin had instructed her to look up on 3 April, if you call. We must comment that her visits seem to indicate an important development. This is the scenario. Thanks to the work of informants whom the CIA and the TMU had sent into the Secret Society women's organization, the new law enforcement authority had seen through their deception. This afternoon, around 3 PM or so, he informed the women that he agreed with the TMU's rejection of Ekaterina's stalking claim because Homeland Security's warnings about me couldn't be verified. Specifically, there was not enough evidence that I suffered from schizophrenia and that I had plagiarized. This is why, from 3:40 PM onward, the Avella volunteer came to brainstorm about how to report me for plagiarism, several volunteers came to examine my insanity on my blog, and SDW came to report on my delusions about the International Court of Justice.

9:33 PM, I posted my latest message on Prison Planet Forum and was testing the links I had provided to my website.

This was of course full of wrong scenarios: it would soon become the Secret Society women's evidence that I did frequently develop delusions about my women victims imagining them to be going after me. (Evidently the reason why the Monkey had controlled me to post this.)
