

The Secret History of the International Court of Justice

KIERSTEN'S VENGEANCE

28

RESUME

The following covers the operations of the Secret Society women and Homeland Security CO chief against me and the associated International Court of Justice trial from 14 to 26 December, 2014. The Secret Society women are: Angelica (Angelina, G), Dr P (Pettersen), Karin (K), Kiersten (J), and SDW (Maura).

Synopsis:

14.12: As the Secret Society women scrambled to save their case – to prove to the new law enforcement authority that every characteristic on Homeland Security's warnings about me was rightly attributed to me – they mobilized their volunteers to brainstorm all day long how to report me again for all that they had reported about me before: (1) my delusions about Khalezov; (2) my delusions about the chips inside my brain; (3) my violation of my family members' privacy; (4) my violation of Dr Brizendine's intellectual property rights; (5) my computer-hacking; and of course (6) my plagiarism (including how I had plagiarized my theory on linear perspective). Other than this, we must note that, around 5 AM, the Secret Society women had called up the Baltimore Lawyer to share with her the bad news and that, around midnight (15 December), a Philadelphia volunteer was examining my latest message about the Secret Society women on Prison Planet Forum to see if it was possible to make something out of this. Note that, this morning, Homeland Security CO chief ordered "jerryweaver" to post a nonsensical message below my latest posting on Prison Planet Forum in order to enter new evidence into the ICJ via faulty surveillance as a way to keep his case afloat.

15.12: As the Secret Society women tried for the second day to persuade the new law enforcement authority to reopen their case against me, they mobilized many volunteers to report on my delusions about how they were going after me (including the Huntington Beach volunteer who was on my website for two hours, and also a volunteer from Brunei Darussalam). There were also plenty of reports on my violation of my family members' privacy, my plagiarism, my computer-hacking, and my harassment of Shizuka. And the strange visit from Microsoft again. And a Hagerstown volunteer came to my external links page by searching for "CIA QuWave". Robin seemed to be involved again (healer2.jpg). Then, from tonight onward, reports resumed about my harassment of Ekaterina.

16.12: The Secret Society women were thus trying for the third day to persuade the new law enforcement authority to reconsider their (and Ekaterina's) complaints. A

Warsaw volunteer seemed to be examining my harassment of Dr P with my website early this morning. Then, both the Hong Kong volunteer and the Huntington Beach volunteer spent hours this morning to brainstorm how to better report me for harboring delusions about how my women victims were going after me. A St Louis volunteer also looked up the front page of my website. Robin seemed to have asked two more friends of hers to complain about how I had stolen her drawing (including one Navy officer stationed in Iraq). Jennifer Day seemed also to be in the discussion today (to continue to spy on the Secret Society women). Then, late at night, the Secret Society women called up Aamoy and his LUG buddies and asked them to make another complaint about my blog to the new law enforcement authority. Finally, a Seoul volunteer looked up [index3.pdf](#) and [capra7777.html](#) was looked at 3 times today. It was also from today onward that a whole throng of volunteers from New York University would be looking at [schuld.html](#).

17.12: The Secret Society women spent another day brainstorming how to better report me in accordance with Homeland Security's warnings about me in order to repeal the decision of the new law enforcement authority. The themes for today: (1) My harassment of Shizuka and Ekaterina with my website. (2) My harassment of Karin with my "blog". (3) My delusions about how the Secret Society women were going after me – note especially the Belton, Missouri, volunteer. (4) A South Korean volunteer came to report on my being a danger to myself. (5) My delusions about being chipped in the brain: this includes a Belgium volunteer who, late at night, placed a link to my blog post series [/brain-chip/](#) on a secret Facebook group. (6) My computer-hacking. (7) And of course my plagiarism. Note that NYU students continued to come in throng to my [schuld.html](#). Then there were a UK search for "Planmex LTD", a visit to [links.html](#) from Pennsylvania, a visit to my "Actor and Constraints on Actions" from the Netherlands, and possibly Robin's involvement. Only slight collections on my part.

18.12: Today the Russian diplomatic service and Homeland Security CO chief had identified another US law enforcement authority to report me to. The Secret Society women, excited, thus mobilized their volunteers – especially to report me for stalking and harassing Ekaterina with my website. 12 volunteers in total! To achieve maximum effect, the Secret Society women even called on another employee at the Department of Veterans Affairs to report on my stalking of Russia's First Daughter. Then the volunteers reported me for harassing Shizuka. Then they concentrated on reporting on my delusional mind – how I believed I was chipped in the brain and remotely controlled (including even an employee from the US Census Bureau) and my women victims were going after me. Then, also my computer-hacking. Finally, they must also report on my supposed plagiarism – and volunteers continued to come in throng from New York University to report on my [schuld.html](#). Robin seemed also to be in the discussion again. As for me, no collections today.

19.12: As the Secret Society women were reporting me to the new law enforcement authority for the second day, they mobilized 11 volunteers in total to report on my stalking and harassment of Ekaterina in order to convince the new authority that the

TMU had wrongly dismissed Ekaterina's talking claim against me. The women also seemed to have called upon Dr Brizendine to file another complaint against me. Meanwhile, Shizuka continued to be in the complaint (although most likely as the CIA's mole (through the Japanese intelligence service)). Complaints also streamed in about my delusions about my women victims' going after me (3 complaints) and the chips inside my brain and of course about my plagiarism (including another engineer from Boeing to complain about how I had plagiarized my theory on linear perspective). Note that, around noon, an unidentified volunteer looked up my front page and then my Preface and another Milwaukee volunteer looked up my external links page. As for me, collections in Westwood tonight.

20.12: As the Secret Society women continued to complain to the new law enforcement authority for the third day, they mobilized today only 5 volunteers (including a Huntington Beach volunteer) to report on my stalking and harassment of Ekaterina and her family members. Then the usual complaints about my harassment of Shizuka, my delusions about the chips inside my brain and my women victims' going after me (especially SDW), my computer-hacking, and my bizarre obsession with Russia. To emphasize the seriousness of the matter, it seems that Russian law enforcement had also reported to the new law enforcement authority in the US. However, the CIA struck back. Jennifer Day was again mobilized to spy on the Secret Society women and obtain evidences of their fraud. (This includes a Hollywood, Florida, volunteer who reported on my false accusation, due to my schizophrenia, that she was a CIA agent.) Meanwhile, from my conversation with Wes tonight, the CIA obtained more evidences that I did not hate Russia when I loved Russia and did not pose any danger to Ekaterina.

21.12: Today, some time in the morning, the new law enforcement authority informed the Secret Society women that he had decided to dismiss their (and Ekaterina's) stalking claims because Homeland Security's warnings about me could not be deemed to be correct. Desperate, the Secret Society women called on their old friends, the UK volunteer from 2 December and the Lincoln Center volunteer, one to brainstorm about the delusional contents on my blog and the other about my plagiarism. The Secret Society women then also called upon a psychiatrist from NIH to brainstorm how to better report me for suffering from severe schizophrenia. Given the emergency situation, Russian law enforcement was involved again. Other than this, the Secret Society women had mobilized volunteers today to brainstorm about: (1) my delusion about the chips inside my brain; (2) my harassment of Ekaterina, Shizuka, and Jennifer Day; (3) my delusion about Khalezov; and (4) my plagiarism (including my theft of Robin's drawing). Also, SDW discussed me with the other TIs at the FFCHS party from 5 to 8 PM. Meanwhile, tonight, the Monkey controlled me to "hurt somebody" so that Homeland Security CO chief could immediately have evidence in the ICJ to keep his case afloat.

22.12: The Secret Society women continued to brainstorm how to save their case with any law enforcement authority. Because the new law enforcement authority had even questioned whether I was really delusional, Angelica contacted her old friend at the

DHS headquarters around 10:25 AM asking him to confirm for the new law enforcement authority that the ICJ trial which had preoccupied me had never existed, and, from 10:50 to 11:30 AM, the other Secret Society women also discussed with a Van Nuys volunteer my delusions about the chips inside my brain. They also called on the Hong Kong volunteer again around 3:40 PM asking him to figure out how to more effectively convince law enforcement that I was insane. Other volunteers also continued to brainstorm how to better report me for being totally delusional, for harassing Ekaterina, Shizuka, SDW, and the Secret Society women in general, and of course for plagiarism. Robin was probably still involved in today's brainstorming.

23.12: The Secret Society women spent this third day mobilizing their volunteers to brainstorm how to convince the new law enforcement authority to reinstate their stalking claim against me. First, they called on Dr Brizendine to add her complaint to the petitioning process. Second, they asked many volunteers to reexamine the delusions I had spilled out about my women victims on online forums (Prison Planet) and on my website – hence two volunteers looked up my June and August Diaries and a Boone volunteer examined my blog from 4:30 to 5:30 PM. Other volunteers then examined my latest delusions about Russia (my latest blog post about the problem of Russia's soft-power), my delusions about the chips inside my brain, my harassment of Ekaterina or Uma Blasini and Shizuka, my harassment of Kiersten and SDW, my obsession with a certain politician that I linked to on my website, and my computer-hacking. And of course my supposed plagiarism (with the involvement of Robin again).

24.12: Today, the Secret Society women were trying for the fourth day to persuade the new law enforcement authority to change his mind. They mobilized their volunteers to brainstorm how to report my harassment of Shizuka and Ekaterina, my delusions about how they were going after me, and my plagiarism. Note that, around noon, a Chicago volunteer looked up my front page, and that the Secret Society women called on Dr Brizendine again. There were also 4 visits to the painting of Queen Himiko today. When the new law enforcement authority got off work at sunset, he must have made it clear to the women that he did not regard Homeland Security's warnings about me (or the women's claims about me) to be correct. As a result, Homeland Security CO chief had to run an operation on me hours later ("San Diego") in order to generate evidence of my intent to stalk SDW. Soon afterward, the Secret Society women called on Nelson to examine my blog and, late at night, an Illinois volunteer looked up "Ying and Yang", II.

25.12: Even though it was Christmas, the Secret Society women continued to mobilize volunteers to brainstorm how to more effectively report me to law enforcement. The topics of brainstorming today: (1) How I had harassed Shizuka, Ekaterina, and Dr Brizendine. (2) My delusions about Angelica ("Ying and Yang", I), SDW, and the Secret Society women in general. (3) My delusions about the chips inside my brain (especially the Parramatta volunteer, who spent more than an hour on my blog). (4) My obsession with, and delusions about, Russia (the same Louisville volunteer). (5) The Russian law enforcement seemed to have showed up again, and

(6) the Secret Society women might have appealed to Microsoft again. Finally, Homeland Security CO chief ordered the Secret Society women to mobilize the community vigilante group again and to recruit GSLTR to the enterprise.

26.12: It's not clear whether the Secret Society women had as yet located the next law enforcement authority to re-examine their, and Ekaterina's, stalking case against me. If they hadn't, then they were brainstorming about the matter for the sixth day. What's special today is that the Secret Society women had mobilized three volunteers in total to examine my postings on Prison Planet Forum: the Boone volunteer who was on it from 11 AM to 2:30 PM; the London volunteer who was on it from 4 to 5 PM and then from 1 to 2 AM; and the New Berlin volunteer who was on it from 9 to 10 PM. The Secret Society women had also mobilized 6 volunteers in total throughout the day to examine my harassment of Ekaterina and her family members. They also seemed to have examined my Facebook 3 times in the morning. Then of course my harassment of Shizuka, my delusions about the Secret Society women's going after me and Angelica in particular, my delusions about the chips inside my brain, my computer-hacking, and my plagiarism and theft of other people's drawings. (Note the Zurich volunteer who was on it on 8 AM and then from 2 to 3 PM, and Robin who seemed to have been on it 5 times today.) Early in the morning the Russian law enforcement seemed also to have been involved again.

Now the log of the Secret Society women's activities on my website and my diary entries during the period under consideration. Again, my corrections are in brackets and italicized.

14 December (Sunday)

First, a note about myself. Slept around 5 AM, watching "Mobile Boyfriend" (Japanese). Was allowed to sleep until 1 PM, somewhat enough. Lay around, used the restroom, then TNT, almost 4 PM. Left a message with Wes, but he would not call back today. Jons, chickens. Realized: Perhaps Russia wants me for its soft-power construction. New Feminism is important there because women will play a prominent role in the construction of Russia's soft-power. (*Complete bullshit! Russia just wanted me to be Ekaterina's schizophrenic racist and misogynist terrorist stalker!*) Still feeling like trapped in a desert, and so went to Westwood for visual stimulation. There by 6 PM or so. Sat next to a physics graduate student using Debian. Asked him about my Ubuntu, but couldn't chat more because I discovered that I had forgotten to bring my AC charger with me. Very upset, almost nervous breakdown. Went home to get it, 7 PM. Then came back to Starbucks, Westwood, 9:10 PM. (Reading Ducret's *Femmes* while on the bus.) Worked until past 12 AM. The whole night, feeling depressed over meaninglessness – not sure if the writings I am doing are ever going to amount to anything. Collection near Peter's. **7 N, 2 H, 1 SPC, 3 W (Dr AWF, 3rd), 5 B.** It was okay; on bus 4 going home by 2:35 AM.

Now the Secret Society women's operation on my website today. 4:13 AM,

Laurel is about 8 miles southwest of Baltimore. Could this person be related to the Baltimore Lawyer? Maybe the Baltimore Lawyer using her iPad? If so, it's just the Secret Society women wanting to share with her the bad news ("The new law enforcement authority has rejected Homeland Security's profile of him saying it's inaccurate) and asking her to examine my blog again and brainstorm.

To summarize: As the Secret Society women scrambled to save their case – to prove to the new law enforcement authority that every characteristic on Homeland Security's warnings about me was rightly attributed to me – they mobilized their volunteers to brainstorm all day long how to report me again for all that they had reported about me before: (1) my delusions about Khalezov; (2) my delusions about the chips inside my brain; (3) my violation of my family members' privacy; (4) my violation of Dr Brizendine's intellectual property rights; (5) my computer-hacking; and of course (6) my plagiarism (including how I had plagiarized my theory on linear perspective). Other than this, we must note that, around 5 AM, the Secret Society women had called up the Baltimore Lawyer to share with her the bad

news and that, around midnight (15 December), a Philadelphia volunteer was examining my latest message about the Secret Society women on Prison Planet Forum to see if it was possible to make something out of this. Most importantly, Homeland Security CO chief ordered “jerryweaver” this morning to post a nonsensical message below my latest posting on Prison Planet Forum. This would be his evidence in the ICJ to keep his case afloat (so that, after all, the CIA still could not reactivate the previous ICJ trial).

Note also that, at the end of my diary entry for today, I wrote down my erroneous understanding of what was going on at the moment:

Fewer visits than usual. It seems that what SDW had done yesterday (as indicated by Cindy's change of her cover picture on her Facebook) had frightened off many members of the Secret Society.

Ha! Bullshit.

15 December (Monday)

First, a note about myself. Slept around 5 AM or so, after watching many videos featuring Diane Ducret. Allowed to sleep until 1 PM. Okay. TNT, checked the log, and looked more at Judith. Burger, home, then going to the Russian language meetup. There by 7 PM. Nobody showed up until 7:30 PM. Worried, at Starbucks to check if it was the right place, and then came back. They were there. Chatted, until 10 PM. Then, Hollywood/ Vine. It started to rain. Almost gave up on collection, but stayed. Very angry over my stalking victims' actions to sting me, must collect. **3 N (1 AWF, 1 Asian), 3 B, 1 W.** Out of materials, but noted that it was a good place for Ns. Going home by 12 AM.

Now the Secret Society women's operation on my website today. First, on 4:42 AM, I was editing my blog from home.

To summarize: as the Secret Society women tried for the second day to persuade the new law enforcement authority to reopen their case against me, they mobilized many volunteers to report on my delusions about how they were going after me (including the Huntington Beach volunteer who was on my website for two hours, and also a volunteer from Brunei Darussalam). There were also plenty of reports on my violation of my family members' privacy, my plagiarism, my computer-hacking, and my harassment of Shizuka. And the strange visit from Microsoft again. A Hagerstown volunteer came to

16 December (some sleep deprivation)

First, a note about myself. Slept around 5:30 AM, watching Dr Physics' lecture on Dirac's notation. Woke up almost 12 PM. Not enough sleep, but was excited enough to want to get up – to read Judith, but then accidentally discovered Esther on Youtube. Began reading it, and then, by 1 PM, went to the Starbucks on Vermont and Wilshire to download the Luther version. (It was raining.) Would be sleepy for the whole day. Then, Home Depot. Had to buy nails with my debit card (the second time). Home. Rested. MST (AWF again: slightly chubby). Past 6 PM, out, going to Starbucks, Westwood. Continued reading Esther on the bus – Mordecai's story (Haman got hanged) seems to reflect the situation between me and SDW. Worked there until 11 PM. Then on bus 2, back to Vine/ Hollywood, for collection. **7 N, 2 W (at VRMNT: URGNT, 3rd or 4th), 4 B, 1 H.** Home by 2:30 AM.

Now the Secret Society women's operation on my website for today. 4:02 AM,

My harassment of Shizuka?

To summarize: The Secret Society women were thus trying for the third day to persuade the new law enforcement authority to reconsider their (and Ekaterina's) complaints. A Warsaw volunteer seemed to be examining my harassment of Dr P with my website early this morning. (As shall be seen, Dr P would develop a strong bond with the Polish volunteers in her organization in the upcoming years.) Then, both the Hong Kong volunteer and the Huntington Beach volunteer spent hours this morning to brainstorm how to better report me for harboring delusions about how my women victims were going after me. A St Louis volunteer also looked up the front page of my website. Robin seemed to have asked two more friends of hers to complain about how I had stolen her drawing (including one Navy officer stationed in Iraq). Jennifer Day seemed also to be in the discussion today (to continue to spy on the Secret Society women). Then, late in the night, the Secret Society women called up Aamoy and his LUG buddies and asked them to make another complaint about my blog to the new law enforcement authority. Finally, a Seoul volunteer looked up index3.pdf and capra7777.html was looked at 3 times today. It was also from today onward that a whole throng of volunteers from New York University would be looking at schuld.html.

17 December (Wednesday)

First, a note about myself. Slept while watching Martin Luther (German). Woke up around 1 PM. Okay. TNT, then Jons, chickens, Starbucks, Vermont. Mommylijk there. Around 5:30 PM, Ubuntu froze up. Forcibly shut it down. Rebooted. Libre Office destroyed, recovered. Physical pain. By 7 PM, packing up. Chatted with Mommylijk. She was exceptionally friendly. Draw Anything LA meetup. Pleasant time. Past 11 PM, at Union Station for collection. **13 N (3 bus). 3 B.** The Korean restaurant. Home by 1:30 AM. Checked the log. Afterward spent an hour looking for "Judith" in Greek and German. Finally, laundromat, 3:35 AM. Read Judith.

This is amazing. There was actually a company named "Planmex LTD". This search was presumably part of the Secret Society women's operation?

"- "Mozilla/5.0 (Windows NT 6.1; WOW64; rv:35.0) Gecko/20100101 Firefox/35.0"

1:05 PM, the 12:42 PM UK volunteer came again:

79.65.63.17 - - [17/Dec/2014:14:05:39 -0700] "GET /blogs/wp-content/uploads/2013/10/102513-1.png

1:08 PM, he clicked on that one particular post on Snowden.

79.65.63.17 - - [17/Dec/2014:14:08:29 -0700] "GET /blogs/2013/10/29/the-truth-behind-the-edward-

"Mozilla/5.0 (Windows NT 6.3; Win64; x64; Trident/7.0; Touch; LCJB; rv:11.0) like Gecko"

1:10 PM, he did the same search again:

79.65.63.17 - - [17/Dec/2014:14:10:46 -0700] "GET /blogs/2013/10/ HTTP/1.1" 200 42026

%221%22&first=21&FORM=PORE" "Mozilla/5.0 (Windows NT 6.3; Win64; x64; Trident/7.0; Touch;
LCJB; rv:11.0) like Gecko"

26 seconds later, he searched for the term on my blog itself:

79.65.63.17 - - [17/Dec/2014:14:11:12 -0700] "GET /blogs/?s=planmex HTTP/1.1" 200 7230
"http://www.lawrencechin2011.com/blogs/2013/10/" "Mozilla/5.0 (Windows NT 6.3; Win64; x64;
Trident/7.0; Touch; LCJB; rv:11.0) like Gecko"

79.65.63.17 - - [17/Dec/2014:14:11:34 -0700] "GET /blogs/?s=planmex HTTP/1.1" 200 7268

Trident/7.0; Touch; LCJB; rv:11.0) like Gecko"

If he was indeed a volunteer, what was his purpose here? That I violated intellectual property laws by also coming up with a "PLANMEX"?

My harassment of Shizuka.

In sum: the Secret Society women had spent another day brainstorming how to better report me in accordance with Homeland Security's warnings about me in order to repeal the decision of the new law enforcement authority. The themes for today: (1) My harassment of Shizuka and Ekaterina with my website. (2) My harassment of Karin with my "blog". (3) My delusions about how the Secret Society women were going after me – the Belton, Missouri, volunteer. (4) A South Korean volunteer came to report on my being a danger to myself. (5) My delusions about being chipped in the brain: this includes a Belgium volunteer who, late in the night, placed a link to my blog post series /brain-chip/ on a secret Facebook group. (6) My computer-hacking. (7) And of course my plagiarism. Note that NYU students continued to come in throng to my schuld.html. Then there were a UK search for "Planmex LTD", a visit to links.html from Pennsylvania, a visit to my "Actor and Constraints on Actions" from the Netherlands, and possibly Robin's involvement.

18 December (Thursday)

First, a note about myself. Woke up 1 PM or so. McDonald's, finished Judith. (So interested in it.) Home, no time to shower, going to Venice Love Shack. No batteries, and my laptop out of electricity. Then, going to French meetup (Googlies). Got batteries beforehand. Okay time. "Mommy" (?) there. 10 PM, Starbucks, Westwood. Worked on "Russia's soft-power construction". But was disoriented in thoughts when discovering the news about Russia's currency crash two days ago. Went home, 3 B. No collection. (No time.) Also, enormous loving feeling for Flunk (Anja). Left comments on her Sound Cloud page.

To summarize: Today must be a special day because there were 12 volunteers in total coming over to report on my stalking of Ekaterina and her family members. We should perhaps assume that, desperate to establish Ekaterina as my stalking victim in US law enforcement records, the Russian diplomatic service and Homeland Security CO chief had together identified another US law enforcement authority to report me to. The Secret Society women, excited, thus mobilized their volunteers – especially to report me for stalking and harassing Ekaterina with my website in just the way in which Homeland Security had warned in their warnings about me. To achieve maximum effect, the Secret Society women even called on another employee at the Department of Veterans Affairs to report on my stalking of Russia's First Daughter. Then the volunteers of course reported me for harassing Shizuka in the same manner as well. Then the volunteers concentrated on reporting on my delusional mind – how I believed I was chipped in the brain and remotely controlled (including even an employee from the US Census Bureau) and my women victims were going after me. Then, also my computer-hacking. Finally, they must also report on my supposed plagiarism – and volunteers continued to come in throng from New York University to report on my schuld.html. Robin seemed also to be in the discussion again. Again, everyone was doing his or her best to persuade the new law enforcement authority that Homeland Security's warnings about me were entirely genuine and accurate.

19 December (Friday)

First, a note about myself. Slept around 5:30 AM, listening to Flunk. Woke up 2 PM, okay. TNT, Jons, chicken. Then took bus 4 to Promenade. Bought DVDs at Radio Shack. **8 N. (1 Police.)** Left two messages with Wes, but would never hear from him tonight. Starbucks, Westwood. Continued to work on the new post on Russia's soft power. Toward 11 PM, got angry when reconstructing Kiersten's actions in November 2012. The Internet's malfunctioning contributed to my anger. The download of Putin's news conference (18/12/14) continued to fail for the whole day. 12 AM, collection in the area. **2 W (WNDYMCGNTY). 6 H, 1 SPC, 1 mirror. 4 B.** On bus 4 coming home by 1:40 AM.

Let's summarize. As the Secret Society women were reporting me to the new law enforcement authority for the second day, they mobilized 11 volunteers in total to report on my stalking and harassment of Ekaterina in order to convince the new authority that the TMU had wrongly dismissed Ekaterina's talking claim against me. The women also seemed to have called upon Dr Brizendine to file another complaint against me. Meanwhile, Shizuka continued to be in the complaint (although most likely as the CIA's mole (through the Japanese intelligence service)). Complaints also streamed in about my delusions about my women victims' going after me (3 complaints) and the chips inside my brain and of course about my plagiarism (including another engineer from Boeing to complain about how I had plagiarized my theory on linear perspective). Note that, around noon, an unidentified volunteer looked up my front page and then my Preface and another Milwaukee volunteer looked up my external links page.

20 December (Wes; severely targeted)

First, a note about myself. Before sleep, watched Putin's news conference (18/12/14). Downloading it on Asus. Fell asleep around 6 AM. Woke up past 1 PM, discovered that the download had again failed. TNT, past 2 PM. On 3:08 PM, went on Kremlin's website again. Blocked. Although not angry, already had the premonition that today I would suffer torture all day long. (*Did the Russians block it because I was officially (according to the Russian government) the stalker of Russia's First Daughter?*) Jons, chickens. Because not allowed to go to the meetup tonight, thirsty for stimulation. Thought that one might run into Hayley in Starbucks, but no. Continued to work. (*On 4:40 PM, I was suddenly able to access Kremlin's website.*) Left two messages with Wes. Suddenly, Wes called back. Then discovered that my recorder was full. Mysterious, because I had just cleaned it last night. Quickly cleared up disk space on my recorder. Then went out to talk to Wes. Wes continued to provoke me. Evidently he got the order to provoke me to commit crimes tonight. (*Wrong.*) Then my recorder was full again, in less than an hour. Quickly cleared up more disk space. Finished talking with Wes. Then my recorder was full again. Cleared up more disk space. Severe anger caused me disorientation, and I forgot to bring my bottle with me, and my USB cord was misplaced. Went to Vine for urgent collection. **1 B, 7 N in total.** Then, within an hour, my recorder was full again. Cleared up more disk space, and went to Best Buy to buy a new recorder as was required by the control center. Severe anger, severe disorientation. Panic attack. Wasted two hours. Home by 10 PM, rested a little, MST (Hasel 18), then out to collect damages again. PSDN, **3 W (FTHL 4th; DR LURNCLLA, 3rd), 5 H, 5 B, 1 SPC, 1 mirror.** When I was changing cloth, another sports car sped past. Veronica's investigator? (*Maybe!*) At downtown by 2:30 AM, **9 N.** Began thinking about dropping Wes, since he had been an agent to harm me for seven years already. Severe hatred for xxxxxxxxx the whole night. Required to place the meaning of life in committing crimes. Mood lightened after collection.

Highlights of my conversation with Wes today: (1) We are just producing evidences for the previous ICJ trial which no one cares about. (2) The Secret Society women have access to the control center. (*Homeland Security CO chief's evidence of my schizophrenia, my developing delusions about my women victims.*) (3) I'll get asylum in Russia in order to help Russia build its soft-power. A minority in Russia wants to convince the majority that feminism (women) can play an essential role in the construction of Russia's soft-power. (*The CIA's evidence that I didn't hate Russia when I expressed love for Russia.*) (4) I really just wanted validation. (5) Wes: "So you have to save Russia again?" "Yes, the previous saving of Russia is problematic. The previous ICJ trial is most important for the Russians and the CIA, the revolutionaries." (*The CIA's evidence.*)¹ (6) The fundamental incompatibility between me and the Americans. I still had to help Russia because Americans are just so disgusting. (*The CIA's evidence.*) (7) Ekaterina filed her stalking claim against me for some other objective, and so I deleted my blog post so that she could withdraw her stalking claim without embarrassment. (*Unbeknownst to me, I was right!*² *The CIA's evidence that I posed no danger to Ekaterina.*) (8) Wes: "What about North Korea?" Me: "The plan... They are using a super-computer to guide world history..." However

1 Also in the sense that I had conspired with BOL to falsely convict the CIA back in late 2010 in order to hand over BOL's program to the Russians.

2 But in a different sense: Ekaterina filed her stalking claim against me in order to prevent the CIA from convicting her father and her country in the previous ICJ trial!

everything I did was to contribute to BOL's higher purpose.³ (9) Kiersten's intrigue behind my back in late 2012. (Her false accusations against me.) People didn't have a functional brain to figure out that I couldn't possibly be obsessed with a fat woman. (10) Karin suggested the movie "Hannah Arendt" and yet she didn't notice how similar she was to Eichmann. Wes started irritating me by questioning me whether people had really told me to forget about everything and move on. Me: "Average people have not the ability to see things through other people's perspective even when other people have the same perspective!" And now Wes provoked me further by rejecting my claim that I was an empathetic person. Wes labeled me "anti-sociopath". (*Was he working for Homeland Security by suggesting this? Namely, Homeland Security CO chief's evidence that the Secret Society women were right about me.*) Finally, I got fed up because there were always forces to guide my conversation in such a way that I ended up conforming to the Secret Society women's claims about me (that I was a psychopath). (*Right!*) My conclusion: we have produced evidences that I was the opposite of myself at the same time in order to establish my identity with the Secret Society women. (*Wrong!*) (11) I was really stupefied that SDW could have thought that I was victimizing her when it was clearly she who had been victimizing me. What happened to people's brain? (12) Then I was provoked again when Wes told me he didn't like Putin because Putin supposedly embezzled 40 billion dollars a year from his office. I was stupefied and shouted that I couldn't believe Wes would actually believe this.

(As you can imagine, because Homeland Security CO chief and the Secret Society women were now trying to establish Ekaterina's stalking claim against me with another law enforcement authority, the Invisible Hand instructed Wes to ask me to explain my sentiments for Russia again – which were straightforward and not anything like Homeland Security's warnings about me. Plus the fact that I was so considerate of Ekaterina! The CIA/ TMU team would present all this evidence to the new law enforcement authority tomorrow. But Homeland Security CO chief would also present his evidence that I was a bad-to-the-bone antisocial and schizophrenic. Finally, when Wes claimed he didn't like Putin, he wasn't trying to provoke me but was really telling me how he felt. I couldn't understand his dislike of Putin at the time because I didn't know what Putin had done, i.e. recruiting Homeland Security to oppress the CIA. And now his daughter was pulling this stunt about my "stalking her" in order to fuck with the CIA even further. This is probably what had really offended Wes.)

What's this about? My harassment of Gaurav and so on? Or even Jennifer Day? (How I kept developing delusions about people and falsely accusing them of being CIA agents and so on.) If this was a indeed complaint on behalf of Jennifer Day, keep in mind that she was a mole inside the Secret Society women's organization.

My harassment of Ekaterina.

To summarize: As the Secret Society women continued to complain to the new law enforcement authority for the third day, they mobilized today only 5 volunteers (including a Huntington Beach volunteer) to report on my stalking and harassment of Ekaterina and her family members. Then the usual complaints about my harassment of Shizuka, my delusions about the chips inside my brain and my women victims' going after me (especially SDW), my computer-hacking, and my bizarre obsession with Russia. To emphasize the seriousness of the matter, it seems that Russian law enforcement had also reported to the new law enforcement authority in the US. However, the CIA struck back. Jennifer Day was again mobilized to spy on the Secret Society women and obtain evidences of their fraud. (This includes a Hollywood, Florida, volunteer who reported on my false accusation, due to my schizophrenia, that she was a CIA agent.) Meanwhile, from my conversation with Wes tonight, the CIA obtained more evidences that I did not hate Russia when I loved Russia and did not pose any danger to Ekaterina.

Jan. – Mar. 2021.

First, a note about myself. Didn't get home until past 4 AM. Missed the log for tonight. At the Korean restaurant, and then lay on bed all night watching Putin's news conference. Afraid to fall asleep. Finally, 9 AM, set out for the Klön Talk meetup in Long Beach. Arrived there, 11:30 AM. Not very exciting. After a while, a guy on laptop and earphones came to sit near us. Surveillance? (*Very likely sent in by Homeland Security CO chief – given the need to convince the new law enforcement authority.*) All done, past 1 PM, stayed there to work on the Icelandic stalker a little more. Then, **5 N, 1 B**. Came back to downtown – so extremely sleepy that I decided not to stay in Long Beach. Home Depot, N. Home, 6 PM, slept until 7:51 PM. Got up on 8:20 PM to read the Schlachter Bibel (Ezekiel) and check the log. 10 PM, out for collection. **2 B (CRTZ)**. Somehow decided to go to CLVRCTY. Subway, read Ducret. Park and library: **2 W**. At the library, somehow there was somebody inside, who shouted – even though it was midnight. Ran away. Then, **1 SPC, 5 N**. After I had changed, and when I was leaving, a security guard came around across the street and, upon seeing me, made a note on his notebook, even though he was 50 yards away and couldn't possibly recognize me in the darkness. When I was crossing Overland and Washington, he drove out his SUV to pass me by, as if to make sure I was leaving. While I was waiting at the bus stop, a police car finally came past, going toward the place of incident. Then a security guard came to sit at the bench with me. He was rude. He got on the bus with me, but got off in just two stops. It's evident that the control center (perhaps under the direction of my stalking victims) had programmed me to come here in order to produce a police report, or a piece of evidence, showing that I had tried to hurt somebody tonight, and was thus violent and dangerous.

It's quite obvious that my stalking victims and the control center (with Homeland Security?) have complete control over me, as if I were their remotely controlled robot, in order to fulfill their agenda. False flag. This is the true face of the xxxxxxxx. (Unless, of course, it's all a coincidence programmed by the control center in order to for me to become like SDW: she hates Americans for gang-stalking her, and yet it's all in her mind. She's a physical danger to others due to her delusional mind.)

Severe hatred toward xxxxxxxx. Motivated to commit more crimes tomorrow night.

(I was pretty close to the truth. As you can imagine, because Homeland Security CO chief was desperately trying to convince the new law enforcement authority that I was dangerous just as Angelica and Dr P had claimed, he ordered the Monkey to control me to "hurt somebody" tonight, i.e. control me to choose a place where he knew somebody would be inside. Perhaps both of them had also informed the Secret Society women beforehand, so that both Dr P and Kiersten could then play psychic and contact the security guards near the library telling them that this "stalker" who was on Homeland Security's watchlist would attack people in the vicinity tonight (according to their psychic "pre-crime" forecast). Perhaps they were also trying to get me arrested – but failed. When the security guards' notes and the police reports were intercepted into the ICJ, they were nonetheless evidences that I was indeed dangerous.)

Now the Secret Society women's operation on my website today. 4:13 AM,

Jan. – Mar. 2021.

Prince Shōtoku (聖德太子, *Shōtoku Taishi*, February 7, 574 – April 8, 622), also known as Prince Umayado (厩戸皇子, *Umayado no ōji*) or Prince Kamitsumiya (上宮皇子, *Kamitsumiya no ōji*), was a semi-legendary **regent** and a politician of the **Asuka period** in **Japan** who served under **Empress Suiko**. He was the son of **Emperor Yōmei** and his consort, Princess Anahobe no Hashihito, who was also Yōmei's younger half-sister. His parents were relatives of the ruling **Soga clan** and also he was involved in the defeat of the rival **Mononobe clan**. The primary source of the life and accomplishments of Prince Shōtoku comes from the *Nihon Shoki*. The Prince is renowned for modernizing the government administration and [...] promoting **Buddhism** in Japan.

Over successive generations, a devotional cult arose around the figure of Prince Shōtoku for the protection of Japan, the Imperial Family, and [...] **Buddhism**. Key religious figures such as **Saichō**, **Shinran** and others claimed inspiration or visions attributed to Prince Shōtoku.

What's going on here? The last time when the Secret Society women found somebody from NIH to report me was 20 March. But this visit was more similar to the one seen on 18 November last year. The Secret Society women were probably asking a psychiatrist from NIH to report to the new law enforcement authority confirming that I was indeed a schizophrenic.

Now, a summary. Today was the Secret Society women's fourth day with the new law enforcement authority. All the indications however suggest that, some time in the morning, the new law enforcement authority had informed the Secret Society women that he had decided to dismiss their (and Ekaterina's) stalking claims because Homeland Security's warnings about me could not be deemed to be correct. This is why, desperate, the Secret Society women called on their old friends, the UK volunteer from 2

December and the Lincoln Center volunteer, one to brainstorm about the delusional contents on my blog and the other about my plagiarism. This is also why the Monkey controlled me at night to “hurt somebody” so that Homeland Security CO chief could immediately have evidence in the ICJ to keep his case afloat (to prevent the CIA from reactivating the previous ICJ trial). This is also why the Secret Society women had called upon a psychiatrist from NIH to brainstorm how to better report me for suffering from severe schizophrenia. And this is probably also why Russian law enforcement was involved again. Other than this, the Secret Society women had mobilized volunteers today to brainstorm about: (1) my delusion about the chips inside my brain; (2) my harassment of Ekaterina, Shizuka, and Jennifer Day; (3) my delusion about Khalezov; and (4) my plagiarism (including my theft of Robin's drawing). Note that there were 6 visits to the painting of Queen Himiko today.

Note that, tonight I did a tally: since 1 December, W = 33.

It should also be noted that, probably because I didn't go to the FFCHS party, SDW did go. (Namely, the Monkey had informed her beforehand from the control center that I didn't plan to go and that's why she went.) She had therefore spent the whole day outside. (Note that the party was taking place in Huntington Beach from 3 to 7:30 PM.) As she has recorded on her First Responder Harassment Log: “246 PM – Passed by SD Sheriff's Dept. patrol car at Leucadia Bl. and Quail Gardens Dr. (Encinitas).” And so presumably she had left her home around 2:30 PM. “352 PM – Passed by red ambulance w/ emergency lights on exiting 5 North onto Oceanside Bl. (Oceanside).” Why was she back in Oceanside in 3:50 PM? Did she go home to get something? “Approx. 430 PM – Passed CHP SUV stooped on center median of 5 North facing traffic near Basilone Rd. exit. (Orange County).” She was thus close to Huntington Beach by 4:30 PM. “850 PM – Passed by Huntington Beach PD patrol car at Beach Ave. and Adams. (Huntington Beach).” So she was at the party from 5 to 8:40 PM! “851 PM – Huntington Beach PD patrol car (same one?) stopped on right shoulder of Adams, syncs entering traffic right before I pass. (Huntington Beach). 905 PM – ‘Traffic stop’ just off of Harbor Bl. at Adams. Huntington Beach PD patrol car w/ emergency lights on stopped behind semi truck on right shoulder. Truck also had multiple red and yellow lights flashing. (Huntington Beach).” She was home in Encinitas presumably by 10 PM.

We have to wonder whether SDW had gone to the FFCHS party precisely because of the emergency situation, that the new law enforcement authority had decided to dismiss Ekaterina's stalking case against me. Namely, SDW might actually be discussing me with the people at the FFCHS party from 5 to 8 PM!

22 December (Monday; glasses disappeared)

First, a note about myself. Woke up around 3 PM. My glasses disappeared again: it looks like a Homeland Security agent had come in clandestinely while I was asleep and stolen away my glasses, in order to prompt me to repeat my frustration over my stolen glasses in February. Severe panic, after one hour of search, rushed to the optometry. Couldn't find it. Severe panic. Then found it on 4:30 PM. They said it was too late for me to get contacts. Severe panic, crying, nervous breakdown, because I'd be unable to commit crimes tonight, in order to realize the frustration over my inability to commit crimes

which I expressed in my recordings from 2 January 2013, which I was reviewing last night. Severe distress over the necessity that whatever happens in the recordings from the past which I'm reviewing at the moment, will have to happen in real life immediately, in order to synchronize my reviewing of my recordings with my current situation. The control center seems also to be preventing me from going to the meetup tonight, since I have had the intention of going there to share some of my experience in order to test people's reaction. Knowledge and clear seeing are not allowed because of my high intelligence. Severe discomfort all night long over my inability to see things clearly.

Nevertheless, determined to collect damages despite the enormous risk involved. SNVCNTE: **15 N**. Survived. Starbucks, WSTWD. Discovered that mother and stepmother had each deposited 300, allowing me to waste the extra money on a new pair of glasses. Feeling slightly better. Wrote until 1:20 AM. Almost done with the latest entry on developing Russia's soft-power. Anger almost subsided entirely after I wrote this down. Almost decided not to collect more damage. But, then, my drink was spilled on my AC charger, as if to repeat the happening in the same recording being reviewed. Anger returned. Decide to continue. PRMNDE, **3 W (3rd/ 2nd), 2 mirrors, 4 H**. A lot of lighting in PRMNDE. Did my stalking victims want me filmed? On the bus by 3 AM. Home, worked on "More comments on Russia's possible approach to soft-power development" until 7 AM. Posted it on my blog.

(Perhaps it's because Homeland Security CO chief was angry over the latest dismissal of the Secret Society women's stalking claims yesterday that he decided to send in an agent to steal my glasses this morning.)

Now the Secret Society women's operation on my website today. 4:16 AM,

Apparently, because the new law enforcement authority had dismissed the Secret Society women's case, Angelica decided to contact her old friend at the DHS headquarters again to complain about the problem. (Namely, this was probably the same DHS officer seen on 14 January.) The new law enforcement authority must have said something to the effect that I wasn't delusional about there having once been an ICJ trial over me, and this is why Angelica wanted the DHS officer to take a look at this chapter. Could he do something to get law enforcement somewhere to reinstate Ekaterina's stalking claim against me?

Let's summarize. The Secret Society women were spending a second day brainstorming how to save their case with any law enforcement authority. Because the new law enforcement authority had even questioned whether I was really delusional, Angelica contacted her old friend at the DHS headquarters around 10:25 AM asking him to confirm for the new law enforcement authority that the ICJ trial which had preoccupied me had never existed, and, from 10:50 to 11:30 AM, the other Secret Society women also discussed with a Van Nuys volunteer my delusions about the chips inside my brain. They also called on the Hong Kong volunteer again around 3:40 PM asking him to figure out how to more effectively convince law enforcement that I was insane. Other volunteers also continued to brainstorm how to better report me for being totally delusional, for harassing Ekaterina, Shizuka, SDW, and the Secret Society women in general, and of course for plagiarism. Robin was probably still involved in today's brainstorming. Note that an Argentina volunteer looked at my front page on 7:14 AM and there were 4 visits to the painting of Queen Himiko today.

23 December (Tuesday; Facebook at SM Library)

First, a note about myself. Didn't sleep. By 9 AM, set out for the optometry. Got eye exam and contacts. More than 200 dollars. Strange: my near-sightedness has decreased: 7 and 4.25, compared with 8.5 and 5.5 from before. Thought that the chips in my brain can even program the improvement of my eye-sight. (*Wrong.*) Home, before noon, slept while watching the documentaries on Kim Jong-Il and his son. Woke up almost 5 PM. MST (Mexican). Then, going to Santa Monica. Got a little upset when the bus was late at Westwood. SM Library: checked Facebook (below). Checked out C. S. Lewis'

That Hideous Thing. 7 N (at least 4 AWFs). Starbucks, Westwood, very little visual stimulation, but feeling okay. Worked until 12:20 AM or so.

12:48 AM, at bus stop. Opened up my laptop, and the message: "Laptop battery critically low", even though the battery was completely full. Laptop shut down. Closed it, opened it up again, and everything was fine.

To summarize: The Secret Society women thus spent this third day mobilizing their volunteers to brainstorm how to convince the new law enforcement authority to reinstate their stalking claim against me. First, they called on Dr Brizendine to add her complaint to the petitioning process. Second, they asked many volunteers to reexamine the delusions I had spilled out about my women victims on online forums (Prison Planet) and on my website – hence two volunteers looked up my June and August Diaries and a Boone volunteer examined my blog from 4:30 to 5:30 PM. Other volunteers then examined my latest delusions about Russia (my latest blog post about the problem of Russia's soft-power), my delusions about the chips inside my brain, my harassment of Ekaterina or Uma Blasini and

Shizuka, my harassment of Kiersten and SDW, my obsession with a certain politician that I linked to on my website, and my computer-hacking. And of course my supposed plagiarism (with the involvement of Robin again).

Here is the information I had collected today on Facebook while at the Santa Monica Library:

Aamoy's Facebook:

17/12/14, 2:49 AM, changed profile picture.
16/12/14, updated cover photo.
11/11/14, claimed a coupon on likecoupon, Starbucks: got a free drink.
08/11/14, updated cover photo (was he also using a Toshiba Satellite?).
08/11/14, changed profile picture. (Note that this was the day when I was programmed to conduct reconnaissance on Dr P's home.)
18/09/14, updated cover photo.

He has a special Facebook friend: Volodymyr Kolychev, a self-employed Russian teacher, in Portland, Oregon.

Kiersten's Facebook:

01/12/14, 5:46 PM, Mother Earth News
01/12/14, 4:32 PM, offered discount for her editing service.
19/08/14, liked an article on Root.

Kiersten's Facebook friends:

Ara Osterweil: Montreal, originally from Brooklyn, New York.
Joshua Foa Dienstag: UCLA.

Cindy Holsey's Facebook:

13/12/14, 10:28 PM, updated cover photo.
30/11/14, changed profile picture.
19/10/14, changed profile picture. (Massive visits; and I met with Noah at Papa Johns.)
14/09/14, changed profile picture. (I posted an (*erroneous*) note about the Secret Society women's fourth stalking claim against me.)
01/08/14, updated cover photo.

Cindy has a cousin, Tommy Holsey, in Okay, Oklahoma.

Kiersten's vengeance, 28

Jan. – Mar. 2021.

First, a note about myself. Slept around 5:30 AM, watching a documentary on Wallerstein (German). Woke up past 1 PM, okay. TNT, left a message with Wes, "Happy Christmas eve". Then, going to Hollywood/ Vine. Ate. Read more of Ducret. Starbucks, writing. At one point, a vagrant, sweating like crazy, almost fainted next to me. Commotion, an ambulance and a fire truck came. Then, almost 9 PM, another man, dark hair with a beard, asked me about visiting San Diego. I told him it would take only one hour on the train to get there. Will faulty surveillance show me ready to stalk SDW? Would SDW use the ICJ record to file stalking claims against me with the police? Will the person make a false report to the police saying I planned to go to San Diego? To INDNA for collection: **8 N. 3 B.** Then, SPSDN: **1 B, 3 H** (including FSTAGNDE: 4th hit). **4 W** (FRNCH, 3rd). On the train going back by 12:10 AM. Downtown, **1 B, LWLB (1 W: shattered).** Near home, **1 B (SCHL).** At the Korean restaurant.

(It was probably indeed Mr Homeland Security who had sent in the freaky man to ask me how to get to San Diego. While the new law enforcement authority continued to refuse to reconsider the Secret Society women's stalking case against me, he might have even raised the issue that SDW, one of my "victims", was mentally ill, which was then intercepted into the ICJ as evidence in favor of the CIA. Homeland Security CO chief thus resorted to using the faulty surveillance Machine to generate evidence that I was going to San Diego to stalk SDW so that, with the evidence that SDW was really my victim, he could keep his case afloat in the ICJ.)

Now the Secret Society women's operation on my website for today. 4:49 AM, EGIHosting, San Jose, California,

What's this about?

To summarize: Today, the Secret Society women were trying for the fourth day to persuade the new law enforcement authority to change his mind. They mobilized their volunteers to brainstorm how to report my harassment of Shizuka and Ekaterina, my delusions about how they were going after me, and my plagiarism. Note that, around noon, a Chicago volunteer looked up my front page, and that the Secret Society women called on Dr Brizendine again. There were also 4 visits to the painting of Queen Himiko today. When the new law enforcement authority got off work at sunset, he must have made it clear to the women that he did not regard Homeland Security's warnings about me (or the women's claims about me) to be correct. As a result, Homeland Security CO chief had to run the aforementioned operation on me hours later to generate evidence of my intent to stalk SDW. Soon afterward, the Secret Society women called on Nelson to examine my blog and, late in the night, an Illinois volunteer looked up "Ying and Yang", II.

25 December (Thursday; PSYCH)

First, a note about myself. Slept 7 AM or so, learning about Ubuntu and looking at the Kylin website until then. Woke up around 2 PM. TNT, checked my log, and now ready for Stammtisch. Thought my stalking victims would have operation there, but, when I arrived there on 7 PM, Red Lion was closed for fumigation. A security guard yelled at me. Angered. Then, collection, **10 N, 4 B**. At Sunset, went back to Vermont. Mak Cafe. 10:30 PM, out for collection again. Continued to read Ducret (Kim Jong-II). SM/SWTL: **2 W (PSYCH: 7th?), 1 SPC, 2 H**. A drunkard was originally loitering around the PSYCH building. (*Could he be a Homeland Security agent?*) On the bus going home by 12:45 AM. The Korean restaurant, home, and discovered videos of Alina (some 18 year old German girl singing in Japanese).

(PSYCH was GSLTR. In order to keep their case going, the Secret Society women might be thinking about recruiting her to their community vigilante enterprise. Hence the Homeland Security agent there. (Of course everyone already knew I would collect damages at PSYCH before I even decided it.))

Now the Secret Society women's operation on my website for today. 4:14 AM,

To summarize: Even though it was Christmas, the Secret Society women continued to mobilize volunteers to brainstorm how to more effectively report me to law enforcement. The topics of brainstorming today: (1) How I had harassed Shizuka, Ekaterina, and Dr Brizendine. (2) My delusions about Angelica ("Ying and Yang", I), SDW, and the Secret Society women in general. (3) My delusions about the chips inside my brain (especially the Parramatta volunteer, who spent more than an hour on my blog). (4) My obsession with, and delusions about, Russia (the same Louisville volunteer). (5) The Russian law enforcement seemed to have showed up again, and (6) the Secret Society women might have appealed to Microsoft again. Finally, Homeland Security CO chief ordered the Secret Society

women to mobilize the community vigilante group again and to possibly recruit GSLTR to the enterprise.

26 December (Friday)

First, a note about myself. Slept 6 AM or so, downloading many pictures of Anja from her Facebook page. Woke up 1 PM or so, rushed to the meetup (Creative Chat) at LACMA. Fictionalized my first ICJ trial in order to test people's reaction. Realized this was producing evidences showing me learning how to “act”. (*Wrong.*) 4 PM, went to the optometry. Ordered glasses and picked up lenses. Finished reading Ducret's chapter on Kim Jong-il. Then, Jons, chickens. Checked the log at Starbucks, Vermont/Prospect. Mommylijk Hayley not there. Then, Sabor. Discovered that I had forgotten to bring my AC charger. Not too angry. Past 8 PM, Home Depot, then home. Rested, MST (Japanese). Almost midnight, out for collection. **LATTC: 1 W (4th), 4 B. 5 N, 1 H. Then, 2 H, 1 W (Charter, 2nd). 2 H.**

Now the Secret Society women's operation on my website for today. 4:15 AM,

Jan. – Mar. 2021.

The screenshot shows a Mozilla Firefox browser window with the URL https://self-sufficiency.org/?page_id=52. The page title is "Leadership - Building Opportunities for Self-Sufficiency". The main content area is titled "LEADERSHIP" and features a profile for Donald Frazier, Executive Director. A photo of Donald Frazier is shown, along with text describing his experience and passion for promoting socio-economic and educational advancement. The right sidebar contains sections for "WHO WE ARE" (listing Mission & History, LEADERSHIP, Board of Directors, and Partners), "LATEST NEWS" (listing several news items), and "B.O.S.S. SHOP" (listing Rising Stars - 2 Tickets for \$50.00).

To summarize: It's not clear whether the Secret Society women had as yet located the next law enforcement authority to re-examine their, and Ekaterina's, stalking case against me. If they hadn't, then they were brainstorming about the matter for the sixth day. What's special today is that the Secret Society women had mobilized three volunteers in total to examine my postings on Prison Planet Forum: the Boone volunteer who was on it from 11 AM to 2:30 PM; the London volunteer who was on it from 4 to 5 PM and then from 1 to 2 AM; and the New Berlin volunteer who was on it from 9 to 10 PM. The Secret Society women had also mobilized 6 volunteers in total throughout the day to examine my harassment of Ekaterina and her family members. They also seemed to have examined my Facebook 3 times in the morning. Then of course my harassment of Shizuka, my delusions about the Secret Society women's going after me and Angelica in particular, my delusions about the chips inside my brain, my computer-hacking, and my plagiarism and theft of other people's drawings. (Note the Zurich volunteer who was on it on 8 AM and then from 2 to 3 PM, and Robin who seemed to have been on it 5 times today.) Early in the morning the Russian law enforcement seemed also to have been involved again.
