

The Secret History of the International Court of Justice

KIERSTEN'S VENGEANCE

32

RESUME

The following reconstructs the operation of the Secret Society women and Homeland Security CO chief against me from 4 to 15 February, 2015. The Secret Society women are: Angelica (Angelina, G), Dr P (Petterson), Karin (K), Kiersten (J), and SDW (Maura). Leading them was Russia's First Daughter Ekaterina (Putina).

It's easy to summarize the course of events during the period under consideration in one sentence: all that was going on was just the Russian diplomatic mission's continually working with the Secret Society women to try to reestablish the Homeland Security warning about me in the international diplomatic community so as to prevent the CIA from ever reactivating the previous ICJ trial.

Synopsis:

04.02: as the Russians, the French, and Homeland Security CO chief continued to debate with the CIA before the diplomatic community of the world as to whether the Homeland Security warning about me was correct, they continued to ask the Secret Society women to mobilize their volunteers to testify about: (1) my delusions about my women victims; (2) my delusions about the chips inside my brain; (3) my insanity as demonstrated by my Nicaragua videos; (4) how I kept Angelica's naked pictures on my website; and (5) my plagiarism. The Secret Society women had also begun passing around the chapter "Greek Religions" among the students at the University of Texas at San Antonio. Then, from noon onward, more serious reports: (1) 12:38 PM, the Malta volunteer on my Letter of Petition; (2) 7:15 and 11:42 PM, the Pikesville volunteer on my delusions about my women victims' going after me; (3) 12:35 AM, a law student at the University of Liège testified that I did violate intellectual property laws. Meanwhile, when I was collecting damages in Pasadena late in the night, the Russians, the French, and Homeland Security CO chief continued to instruct the Secret Society women to send in their investigators to film me.

05.02: the Russians, the French, and Homeland Security CO chief continued to mobilize the Secret Society women and their volunteers to make false reports about my website in order to confirm for everyone Homeland Security's warning about me. Among which: (1) 5:23 AM, the Meknès volunteer on my delusions about Boss Cheney; (2) 6:06 AM, the Malaysia volunteer on my making pornographic contents about my women victims; (3) 6:26 AM, the Ghana volunteer on how my delusions about Russia had prompted me to file frivolous lawsuits against Russian government officials; (4) 7:14 – 7:20 AM, the Indian volunteer on my horrifying delusional mind; (5) 8:24 AM, the (same?) Chicago volunteer

on my harassment of my family members; (6) 11:11 AM, a Los Angeles volunteer on my delusion about my women victims' going after me; (7) 1:10 PM, a volunteer posted the October log on the Secret Facebook Group; (8) 1:14 PM, the Finland volunteer on my delusion about my women victims' going after me as part of some government conspiracy; (9) 4:55 PM, again; (10) 6:24 PM, the University of Minnesota volunteer on my misogynist ideology; (11) 8:10 PM, the Atlanta volunteer on my obsession with, and delusions about, SDW. And also reports about (1) my harassment of Dr Brizendine; (2) my naked painting of Angelica; (3) my harassment of Shizuka; and (4) my plagiarism (including my theft of other people's artworks).

06.02: the Russians and Homeland Security CO chief continued to instruct the Secret Society women to mobilize their volunteers to report me: (1) 5:03 AM, the Bethesda volunteer on my delusions about Boss Cheney. (2) 5:54 AM, the Liège volunteer on my delusions about my women victims' going after me. (3) 6:42 AM, the Athens volunteer on my delusions about the chips in my brain. (4) 7:17 AM, the same Atlanta volunteer on my obsession with, and delusions about, SDW. (5) 10:18 AM, the Markham volunteer on my delusions about the chips in my brain. (6) 11:57 AM, the Chicago volunteer on my delusions about my women victims' going after me. (7) 12:12 PM, the same thing. (8) 7:53 PM, the Los Angeles volunteer on my harassment of SDW by posting my messages to her on my blog. (9) 8:34 PM, the Kissimmee volunteer examined all the delusions I had expressed about my women victims on Prison Planet Forum. (10) 4:05 AM, a Japanese volunteer examined my obsession with Ekaterina's father. Then, throughout the day, there were reports about (1) my harassment of Shizuka; (2) my naked picture of Angelica (4 times), and (3) my plagiarism (including the same law student from the University of Liège). Meanwhile, when I was collecting damages on Vine and Hollywood, the Russians again instructed the Secret Society women to send in their investigators to film me as evidence.

07.02: the videos which the Russian side had collected of my vandalism spree last night had enabled them to continue the debate among the international diplomatic community. They thus continued to mobilize the Secret Society women's volunteers to make false reports about me. (1) 11:24 AM, the Nantes volunteer on my violation of Karin's privacy. (2) 1:43 PM, the Byron volunteer on my delusions about my women victims' going after me. (3) 6:19 PM, a UK volunteer on my mistaking the visits to my website. Then, by 6:30 PM, from my conversation with Wes the CIA had now evidence that I wasn't delusional while the Russian side had evidence that I continued to harbor this strange delusion that my women victims would soon be busted. The Russian side then instructed the Secret Society women to supply more evidences to support this. (4) 6:45 PM, the Palmyra volunteer on my delusions about Boss Cheney. (5) 8:39 PM, the Tampa volunteer on my delusions about my women victims' going after me. (6) 9:08 PM, the Santa Cruz volunteer on my delusions about my women victims' going after me. (7) 9:42 – 10:49 PM, the Hughes Networks volunteer on my delusions about synthetic telepathy. (8) 10:49 PM, the Walnut Creek volunteer on my delusions about my women victims on Prison Planet Forum. (9) 1:18 AM, the Akron volunteer on my misogynist ideology. (10) 3:45 AM, the Santa Cruz volunteer linked up /gang-stalking/ from the Secret Facebook Group. Throughout the day there were

of course also reports about my harassment of Shizuka, my naked picture of Angelica, my computer-hacking, and my plagiarism (especially in the morning).

08.02: the Russians and Homeland Security CO chief continued to mobilize the Secret Society women's volunteers to make more reports to confirm the accuracy of the Homeland Security warning: (1) 7:10 AM, somebody from UCL (Swielande himself?) reported on my violation of intellectual property laws. (2) 8:38 AM, a volunteer (a LUG buddy?) reported on my delusions about my women victims. (3) Then, several more reports about my delusions about my women victims' going after me. (4) 4:04 PM, a Montreal volunteer reported on my August Diary. (5) 4:08 PM, the Garwolin volunteer reported on my obsession with, and delusions about, SDW. (6) 7:27 PM, the Brisbane volunteer reported on my obsession with, and delusions about, SDW. (7) 8:59 PM, SDW's Tampa friend reported on my obsession with, and delusions about, SDW. (8) 9:14 PM, the Egyptian volunteer reported on my obsession with Ekaterina's father. (9) 12:02 AM, the Chinese University of Hong Kong volunteer reported on my delusions about being targeted by intelligence agencies and so on. Then, of course reports about (1) my harassment of Shizuka; (2) my naked picture of Angelica; (3) my computer-hacking; and (4) my plagiarism (again, especially in the morning). But the Russian side didn't require me to commit crimes tonight.

09.02: the Secret Society women continued to mobilize their volunteers desperately trying to produce more testimonies to enable Homeland Security CO chief and the Russian diplomatic service to revive the Homeland Security warning about me within the diplomatic community of the world. (1) 5:11 AM, the Richmond volunteer on my misogyny (?). (2) 9:27 AM, the Boston volunteer on my delusions about the chips inside my brain. (3) 9:51 AM, the New York City volunteer on my delusions about the CIA and Homeland Security and so on. (4) 10:28 AM, the Brisbane volunteer on my delusions about the chips inside my brain. (5) 12:05 PM, the Opera Mini volunteer on my obsession with, and delusions about, SDW. (6) 12:41 PM, the Montreal volunteer on my violation of Prof. Ménard's intellectual property rights. (7) 1:34 PM, the Meknès volunteer again on my delusions about Boss Cheney. (8) 2:54 PM, the Piacentino volunteer on my delusions about my women victims' going after me. (9) 3:35 PM, the Portland volunteer on my delusions about Boss Cheney. Then, from 7 to 7:30 PM, I was talking to Wes, and while the Russian side would obtain more evidence of my delusions about my women victims ("Total War on Women"), the CIA would obtain evidence that I wasn't so deluded but had correctly identified the surveillance on me. In consequence, Homeland Security CO chief and their Russian allies quickly mobilized the Secret Society women's volunteers to make more reports about my delusions about my women victims. (10) 9:02 PM, the Chicago volunteer on my delusions about my women victims' involvement in some bizarre government conspiracies. But then the diplomatic community of the world declined to validate the Homeland Security warning about me after all. Thus, while Ekaterina was conferencing with the Secret Society women over the matter, her friend in Riga, Latvia, on 1:48 AM, came to my website looking for ways to confirm that Homeland Security had always been right about me. Miraculously, she stumbled upon my old manga drawings that were full of sex and violence. Thus, evidence with which to rebuff the CIA! Thus: (11) 2:32 AM, the

Australian volunteer made another examination of my delusions about my women victims as expressed on my blog. (12) 3:43 AM, the Russian law enforcement was called in to confirm again that I did develop terrifying delusions about my women victims' going after me.

10.02: no sooner had the Riga volunteer discovered gold than the Russian side mobilized the Secret Society women's volunteers to make more reports to confirm that the rest of the Homeland Security warning about me was also correct. First, how I kept developing delusions about public figures: (1) 6:52 AM, the Rome volunteer on my delusions about Russia's president and prime minister. (2) 6:58 AM, the New Jersey volunteer on my delusions about Khalezov. (3) 7:06 AM, the Swedish volunteer on my delusions about Russia's president and prime minister. (4) 7:56 AM, the Puerto Rico volunteer on my delusions about President Obama. Then, how I was a danger to people due to my delusional mind: (5) 8:16 AM, the South Korean volunteer on how my delusions about my women victims had caused me to commit crimes. (6) 8:42 AM, the UK volunteer on my vacillation toward the most bizarre conspiracy theories. (7) 11:38 AM, the Denver volunteer on how my delusions had prompted me to become a danger to people. Then, my delusions about my women victims/ Snowden: (8) 3:59 PM, the Wellingborough, UK, volunteer on my delusions about Karin and her friends. (9) 4:20 PM, was Dr P conferencing with Robin and the Leeds volunteer? (10) 6:36 PM, the Nottingham volunteer on my delusions about my women victims as seen on my postings on Prison Planet Forum. (11) 9:03 PM, the Athens, Tennessee, volunteer on my delusions about Snowden. (12) 9:29 PM, the Leiman, Germany, volunteer on the same thing. (13) 11:27 PM, the Attleboro volunteer on my delusions about my women victims' going after me. Then, perhaps because of the Taiwanese and Japanese informants' damaging reports from 9 PM to 12 AM, the deciding authority within the international diplomatic community suddenly dismissed the Russian side's case again. Panicking, Ekaterina led the volunteers into a round of soul-searching. Thus: (15) 1:28 AM, the Wellingborough volunteer returned to examine my chapter on Karin. (16) 2:04 AM, he came again. (17) 2:41 AM, the Riga volunteer came to examine my gallery again. Throughout the day, there were of course also reports about: (1) Angelica's naked picture; (2) my computer-hacking; (3) my harassment of Shizuka (only from 11:40 PM onward); and (4) my plagiarism. Note especially that 8 students from the University of Texas at San Antonio came today to report on my plagiarism in my chapter on Greek religions. Meanwhile, police action tonight while I was collecting damages.

11.02: since early morning, Ekaterina and the Secret Society women had focused on Dr Brizendine, hoping that a complaint from her might convince the diplomatic community to think twice, and generate evidence in the ICJ to enable the Russian side to temporarily lock up the previous ICJ trial. Thus: (1) 4:36 AM, an Istanbul volunteer on my violation of Dr Brizendine's intellectual property rights. (2) 6:46 AM, a Perth volunteer examined my delusions about the chips inside my brain. (3) 7:45 AM, the Browning volunteer on my obsession with, and harassment of, Dr Brizendine. (4) 8:27 AM, the Oakland volunteer on my obsession with, and harassment of, Dr Brizendine. Then the Secret Society women were back to my harassment of *them*. (5) 9:50 AM, the Wellingborough volunteer returned to examine my chapter on Karin. (6) 11:53 AM, a US volunteer on my harassment of

Kiersten. (7) 12:30 PM, another Reno volunteer on my harassment of Kiersten. (8) 1:27 PM, another report about my delusions about the chips inside my brain. (9) 1:29 PM, a Portland volunteer on my delusions about the Secret Society women's going after me. (10) 5:40 PM, a Chapel Hill volunteer on my harassment of Jesse Beltran by blogging about him. Then the Russian diplomatic mission asked the Secret Society women to post more "essential evidences" on the Secret Facebook Group: (11) 5:59 PM, a volunteer posted "Ying and Yang, I" (9v). (12) 6:12 PM, a volunteer posted "Schizophrenic, I". (13) 6:40 PM, a volunteer posted "Ying and Yang, II" (9_104d). (14) 7:41 PM, another volunteer on my delusions about the chips inside my brain. (15) 8:31 PM, a Minsk volunteer on my delusions about the Secret Society women's going after me. (16) 8:54 PM, the Browning volunteer returned to examine my victimization of Dr Brizendine. (17) 9:17 PM, a volunteer posted "Kurt's nonsense blog" (0908-2). Then, a Pakistani volunteer's evidence on 10:05 PM. Then: (18) 11:59 PM, a Wellington, New Zealand, volunteer on my obsession with, and delusion about, Russia and Ekaterina. (19) 12:49 AM, an Oklahoma volunteer on my delusions about the Secret Society women's going after me. Then, 1:27 AM, another Taiwanese volunteer here to report behind the Secret Society women's back that all their reporting about my plagiarism was just bullshit. There were also two visits to Best Mommy's picture today!

12.02: the Russian diplomatic service had, since early morning, informed Ekaterina and the Secret Society women that last night's effort to revive the Homeland Security warning about me in the international diplomatic community was unsuccessful. The Secret Society women were thus back to mobilizing their volunteers to brainstorm: (1) 7:08 AM, the Myanmar volunteer brainstormed about my delusions about my women victims' going after me. (2) 9:04 AM, the Riga volunteer came to my web gallery again from school. (3) 10:45 AM, a volunteer examined my Facebook page. (4) 1:34 PM, the Dalton volunteer examined my latest blog posts. (5) 9:28 PM, a North Carolina volunteer examined my harassment of SDW by posting my message to her on my website. (6) 12:51 – 1:03 AM, the Secret Society women posted conche.html on the Secret Facebook Group as part of the "essential evidence". (7) 1:15 AM, the Jacksonville volunteer examined my delusions about my women victims' going after me. (8) 1:55 AM, a Tennessee volunteer examined my harassment of Kiersten by posting her message to me on my website. Beside these, there was also plenty of brainstorming about how to report me for computer-hacking, hosting Angelica's naked picture, harassing Shizuka, and more plagiarism. It's however not clear whether the Russian side had really sent in females this afternoon to produce favorable evidences out of me.

13.02: because the Russian side could not revive Homeland Security's warning about me in the international diplomatic community, the Secret Society women sent the Baltimore Lawyer (accompanied by SDW's Florida friend) to Washington DC to argue with the NCTC authority again. Here are the essential activities: (1) 4:54 AM, an Illinois volunteer examined my delusions about Snowden. (2) 6:58 AM, a Google proxy volunteer examined my delusions about my women victims' going after me. (3) 2:37 PM, a University of Texas Rio Grande Valley volunteer examined my delusions about Khalezov. (4) 2:44 PM, a Stockton volunteer examined my delusions about there being chips planted in my brain.

But the NCTC authority of course rejected the petition again. When this rejection was about to become unfavorable evidence in the ICJ, Homeland Security CO chief instructed a certain “Juan Cota”, 3:01 PM, to do something with my video. Then: (5) 3:26 PM, a Newport Beach volunteer examined my frivolous lawsuit against Mr Fradkov. (6) 5:32 PM, SDW's Florida friend examined my delusions about my women victims' going after me in order to brainstorm. (7) 6:36 PM, the Alberta volunteer also examined my delusions about my women victims' going after me as a way to brainstorm.

14.02: the Secret Society women sent the Baltimore Lawyer and so on to Washington DC again to continue to petition the NCTC authority, but they failed again. Thus, from 6 PM onward, the brainstorming restarted for solutions while Homeland Security sent out surveillance agents to watch over me as a way to provoke me to commit crimes. (1) 6:11 PM, the LUG buddies came to examine my delusions about the Secret Society women's going after me. (2) 6:56 PM, the Baltimore Lawyer came to my blog looking for new evidences. (3) 7:10 PM, a Philadelphia volunteer came to examine my delusions about Khalezov. (4) 7:35 PM, a Wisconsin volunteer came to examine my delusions about the Secret Society women's going after me. (5) 8:33 PM, an Ontario volunteer came to my blog looking for new evidences. (6) 10:26 PM, another Ontario volunteer came to examine my obsession with, and delusions about, SDW. (7) 12:49 AM, a Japanese volunteer came again to report behind the Secret Society women's back that the Homeland Security warning about me was invalid because all the reports about my plagiarism were made up. (8) 1:11 AM, the Tallinn volunteer came to examine my obsession with, and delusions about, Russia – that both the Russian diplomatic mission and Homeland Security were right about me.

15.02: since early morning the Secret Society women tried one more time to convince the NCTC authority that Homeland Security was indeed right about me: (1) 4:13 AM, the Sao Paulo volunteer on my delusions about Khalezov. (2) 4:32 AM, the UK volunteer on my delusions about the Secret Society women's going after me. (3) 6:16 AM, the Cameroon volunteer also on my delusions about Khalezov. (4) 7:08 AM, the Ohio volunteer on my delusions about the chips inside my brain. (5) 9:11 AM, the Geneva volunteer on my delusions about the Secret Society women's going after me. (6) 1:16 PM, the Secret Society women called on Aamoy to report me to the NCTC authority. Then, 4:30 PM, the Invisible Hand instructed Wes to call me in order to gather the last bit of evidence with which to put an end to the Russians' commotion about me in the international diplomatic community. Homeland Security CO chief and the Russians would of course tenaciously hold onto my wrong scenarios as evidence that the Homeland Security warning about me was indeed correct. By late night, to help with the debate, the Russian side called on the Secret Society women and their volunteers again: (7) 9:07 PM, an Australian volunteer examined my delusions about the chips inside my brain. (8) 11:16 PM, another Australian volunteer examined my harassment of Kiersten. (9) 1:18 AM, a Dallas volunteer examined my delusions about the Secret Society women's going after me.

One last note about my progress with the reconstruction of the previous ICJ trial – the ultimate cause of all this debate: I was now in the last bit of the final chapter of “The Birth of A Mission” (D). Within two weeks, this chapter would be completed.

Now my diary entries with commentary and the log of the Secret Society women's operation on my website for the period under consideration. Again, the corrections I now make to my diary notes are italicized and in brackets.

4 February (Wednesday; sleep deprivation):

First, a note about myself. Slept past 6 AM, watching Viktor Orbán's speech. Woke up almost 1 PM. Not enough sleep. Will be slightly sleepy all day long. TNT, and then the storage. Asked the manager (now also wearing earphones) to change the lock for my unit. She wouldn't allow it. Asked to buy a new one. No new one that's unpackaged. Had to buy a new lock elsewhere. Frustrated, because convinced that my stalking victims had a copy of my key. (*Probably not.*) Increasingly angered by my stalking victims' ownership over me. Particularly angry over the fact that, the last time, because of targeting, I didn't film the storage content configuration when I left. Put in DVD-431, 432, and 433. **Out, 4 N.** On the train, however, calmed down as continual checking seemed to indicate that my stalking victims didn't steal anything from me. (*Right.*) On bus 14 going to the new Stammtisch on Beverly Blvd. Both meetups tonight (whether Stammtisch or Draw Anything LA) were to take place in a Jewish neighborhood, close to each other. Kiersten had evidently just made up some stories about my ambiguous feelings toward things Jewish. (*Wrong.*) The new Stammtisch was very boring, and I was still upset, and aggravated by the vast increase of people wearing earphones around me. (*The French and the Russians had continued their surveillance on me.*) Left by 8:30 PM, **3 N nearby. 1 B.** Came to Starbucks, Vermont/ Sunset. Worked until 11 PM. At one point, an AWF with an Asian guy and a white male came in. Kiersten probably programmed this so that she could claim that, when I shall collect damages afterwards, it's because of my frustration over my inability to attain white females. (*Wrong.*) Rode bus 180 to PSDN for collection. **4 W (YG: 2nd; ZARA: 3!), 4 B (2 at PSYCH). 5 N more.** At both YG and PSYCH, a sedan was parked next to the place, probably to film me. (*The investigators continued to catch me during my vandalism spree.*) Unsuccessful at PSYCH. Unsuccessful the whole night. Left very unhappy. Very sad for the whole night, because the evidence-replacement (slavery) is going to last a long time. (*Indeed! But it was not about evidence-replacement!*)

Note that, some time today, SDW posted on her blog “First responder harassment log, January 2015”.

Now the Secret Society women's operation on my website for today. 4:14 AM,

Now let's summarize. As the Russians, the French, and Homeland Security CO chief continued to
debate with the CIA before the diplomatic community of the world as to whether the Homeland
Security warning about me was correct, they continued to ask the Secret Society women to mobilize
their volunteers to testify about: (1) my delusions about my women victims; (2) my delusions about the

chips inside my brain; (3) my insanity as demonstrated by my Nicaragua videos; (4) how I kept Angelica's naked pictures on my website (2 times); and (5) my plagiarism. To mobilize more reports that I did plagiarize, the Secret Society women had also begun passing around the chapter "Greek Religions" among the students at the University of Texas at San Antonio.

Then, from noon onward, the Secret Society women's volunteers started making more serious reports:

- (1) 12:38 PM, a volunteer from Malta reported on my Letter of Petition (my delusions about Russia which had prompted me to petition international organizations).
- (2) 7:15 PM, the Pikesville volunteer reported on my delusions about my women victims' going after me.
- (3) 11:42 PM, she came again.
- (4) 12:35 AM, a law student at the University of Liège testified that I did violate intellectual property laws.

These reports should prove that the Homeland Security had always been right about me. Meanwhile, when I was collecting damages in Pasadena late in the night, the Russians, the French, and Homeland Security CO chief continued to instruct the Secret Society women to send in their investigators to film me.

5 February (Thursday; sleep deprivation; sore throat)

First, a note about myself. Woke up before noon. Only four hours of sleep allowed. Besides this, sore throat. Obviously to match my reviewing of my recording from 28 May, when I was programmed to suffer sore throat. Knew that the control center/ my stalking victims will not allow me to sleep more, and so got up and went to TNT. Then, Chinese fast food, and then Home Depot (spray). Then got very sleepy, and so, instead of continuing onto Santa Monica, went home for a nap first, even though one was fully aware that one would not be allowed to fall asleep.

Then got up. MST (brunet). On bus 720 going to Santa Monica, and wrote down the notes above. (*What?*) Mood much softened, and was thus not motivated to collect damages. (Again, the control center was programming me to hate xxxxxxxxxx one day and not hate xxxxxxxxxx the following day, just like Kiersten's mood swing.) At the SM library. Returned Ducret's book. Checked my website and Facebook: Cindy had not updated her profile picture, etc., since 5 January. Was she fearing being discovered by Kiersten? (*Not.*) Out, 9 PM. Despite extreme sleepiness and softened mood, decided to collect minor damages. **9 N in the end. 2 B.** Starbucks, Westwood. Around 11:30 PM, got really upset, because it's obvious that it's my stalking victims/ the control center which had programmed me to be sleepy in order to cut down my productivity. But couldn't W. Needed to go home.

Got home 1 AM. Tried to log into Bluehost, but Bluehost was not available. Then it was available. (*Presumably there was no foul play here.*) Slept before 4 AM, very sleepy.

How I had painted Angelica nude?

To summarize: today, as the Russians, the French, and Homeland Security CO chief were obviously going to lose their debate with the CIA among the diplomatic community of the world, they made one last effort to mobilize the Secret Society women and their volunteers to make false reports about my website in order to confirm for everyone Homeland Security's warning about me:

- (1) 5:23 AM, the Meknès volunteer reported on my delusions about Boss Cheney's involvement in some bizarre government conspiracy.
- (2) 6:06 AM, the Malaysia volunteer reported about my making pornographic contents about my women victims.
- (3) 6:26 AM, the Ghana volunteer reported on how my delusions about Russia had prompted me to file frivolous lawsuits against Russian government officials.
- (4) 7:14 – 7:20 AM, the Indian volunteer reported on my horrifying delusional mind.
- (5) 8:24 AM, the (same?) Chicago volunteer reported on my harassment of my family members.
- (6) 11:11 AM, a Los Angeles volunteer reported on my delusion about my women victims' going after me.
- (7) 1:03 PM, the Geneva volunteer reported on my delusion about there being chips planted in my brain.
- (8) 1:10 PM, a volunteer posted another "crucial evidence" on the Secret Facebook Group: the October log.

(9) 1:14 PM, the Finland volunteer reported on my delusion about my women victims' going after me as part of some government conspiracy.

(10) 4:55 PM, the Pittsburgh volunteer reported on my delusion about my women victims' going after me.

(11) 6:24 PM, the University of Minnesota volunteer reported on my misogynist ideology which had motivated me to conduct hate crimes against white women.

(12) 8:10 PM, the Atlanta volunteer reported on my obsession with, and delusions about, SDW.

And throughout the day there were also reports about (1) my harassment of Dr Brizendine; (2) my naked painting of Angelica; (3) my harassment of Shizuka; and (4) my plagiarism (including my theft of other people's artworks).³

6 February (Friday)

First, a note about myself. Woke up 10:53 AM, angry about how my "conclusions" must have made me look like a fool to my stalking victims, their parents, and the police. Motivated to collect damages.

[*Such was my thinking at the time:*]

The way the ICJ procedure works is like this: I keep coming up with the conclusion of the show "The Kiersten Affair" while everybody else is still caught in the middle of the show. Since the conclusion looks nothing like the middle of the show, when I speak it, everybody thinks I'm crazy, as if I were totally delusional by being overly optimistic and self-congratulatory. Pretty soon, I will start realizing that I must have sounded crazy to people, and lose interest, especially when it becomes apparent that the conclusion isn't coming any time soon. Then the governments will adopt my "conclusion" as "a useful element in the conspiracy against them" and implement it. That might be a long time from now. In any case, the reality is that it is the governments themselves who have decided on the conclusion and made me guess it, and then made me want to vomit over it because I keep making a fool of myself to everybody by guessing it. That's the only way for the ideas of a "subhuman" to become "useful" – when everybody spits at them, including the author himself. (*As you shall see, I was actually sort of correct here!*)

TNT, checked the log. 11:30 AM, was not allowed to log into Bluehost using Google Chrome, but allowed to do so using Firefox. Then Microsoft Paint repeatedly malfunctioned. This would happen all

3 At the end of today's diary entry, I quoted these paragraphs from Ducret's *Femmes des dictateurs*: "La mémoire de Hye-rim devenait trop encombrante. Jong-il devient méfiant envers ceux qui ont associés au nom de son premier amour. Ses agents viennent un matin à la porte de la danseuse qui était sa meilleure amie à l'école et l'emmènent avec toute sa famille dans le tristement célèbre camp de prisonniers de Yodok. Ses parents y décéderont de malnutrition, et son fils de 9 ans s'y noiera en cherchant de l'eau à la rivière. Après neuf années à Yodok, la ballerine brisée recevra enfin l'explication de cet internement: Un agent de sécurité me dit: Song Hye-rim n'est pas la femme de King Jong-il, et ils n'ont pas d'enfants. Ce sont des rumeurs sans fondement. Si tu parles de cela, on ne te pardonnera plus." (Les trois grâces de Kim Jong-il, p. 283.) Then: "Ce monde n'est qu'un passage, ce n'est pas un monde dans lequel nous devons vivre. Ce n'est qu'un chemin, qu'une voie étroite. Ce que l'on appelle vie dans ce monde n'est pas la vie, mais la mort. Seul l'au-delà offre la vraie vie... Personne ne peut devenir homme sans d'abord emprunter la voie étroite..." (Khomeiny: l'imam de sa dame, p. 151 -2.)

day long. Was also upset over the fact that one is already so old. There is no point in having a life at this late stage! Chinese fast food, and then the storage. Put in DVD-429. Was feeling very sleepy, but decided not to go home to rest (not to repeat yesterday's mistake). Hollywood/ Western, Chinese fast food, and then worked in Sabor. Around 4 PM, mood considerably softened when one thought about those people that were more unfortunate (i.e. those so-called "terrorists" in secret prisons). Left two messages with Wes, but he'd never call back.

Worked until 11 PM. Decided to collect minor damages in Vine/ Hollywood. Progress bad. Today's total: **5 N, 1 H, 4 B, 1 SPC**. Still seemed to be under a lot of surveillance (cars with lights on nearby). (*The Russians and the French had continued their surveillance on me.*) By the time one came home, one was very angry – over one's inability to know, and having to look crazy by spelling out conclusions which would not occur until years later, i.e. by the time one would be 50 year-old. (*As you shall see, I was right on target here.*) What's the point of getting validated then? Wished to be dead again.

Now the Secret Society women's operation on my website for today. 4:33 AM,

How I kept developing obsessions with famous people, in this case the great DGHTRCOM. Since this volunteer was based in Japan, it's most likely an informant inside the Secret Society women's organization.

Now let's summarize. Although their case was now dead among the diplomatic community of the world, the Russians and Homeland Security CO chief would not give up – obviously, since they must do everything they could to prevent the CIA from reactivating the previous ICJ trial. They thus continued to instruct the Secret Society women to mobilize their volunteers to report me to them.

- (1) 5:03 AM, the Bethesda volunteer reported on my delusions about Boss Cheney.
- (2) 5:54 AM, the Liège volunteer reported on my delusions about my women victims' going after me.
- (3) 6:42 AM, the Athens volunteer reported on my delusions about there being chips planted in my brain.
- (4) 7:17 AM, the same Atlanta volunteer from yesterday reported again about my obsession with, and delusions about, SDW.
- (5) 10:18 AM, the Markham volunteer reported about my delusions about there being chips planted in my brain.
- (6) 11:57 AM, the Chicago volunteer reported on my delusions about my women victims' going after me.
- (7) 12:12 PM, another report about the same thing.

The Secret Society women then took a break: both they and their Russian and Homeland Security overlords were frustrated with the fact that nobody in the international community would agree with them that the Homeland Security warning about me described reality. Then:

- (8) 7:53 PM, the Los Angeles volunteer reported about my harassment of SDW by posting my messages to her on my blog.
- (9) 8:34 PM, the Kissimmee volunteer examined all the delusions I had expressed about my women victims on Prison Planet Forum.
- (10) 4:05 AM, a Japanese volunteer examined my obsession with Ekaterina's father.

Then, throughout the day, there were of course reports about (1) my harassment of Shizuka; (2) my naked picture of Angelica (4 times), and (3) my plagiarism (including the same law student from the University of Liège). Meanwhile, tonight, when I was collecting damages on Vine and Hollywood, the Russians again instructed the Secret Society women to send in their investigators to film me as evidence.

7 February (Saturday; sleep deprivation; Wes; sick)

First, a note about myself. Woke up 8:50 AM. Tried to sleep, but never succeeded. Got up 2 PM. TNT, less surveillance than usual. To reinforce my false belief. (*Wrong.*) Sore throat, feeling sick. Left more messages with Wes. Chinese fast food. Read SDW's latest blog post: she talked about having sore throat and feeling sick on her blog post for 4 February! Because of severe fatigue, went home. 6 PM or so, called Wes. Wes answered it, but only after his answering machine had started recording me. Wanted to collect some damages, but gave up under severe fatigue. Gave up all work. Slept until 11 PM, 1 AM, and then finally until 9 AM the following morning. Didn't do any writing. Was also programmed to have difficulty in urinating, as if to establish identity between me and an old lady.

Highlights of my conversation with Wes today: (1) I came up with these scenarios only in order to look delusional, to conform to the Secret Society women's profile of me, although, someday, my suggestions might be adopted. (*Right!*) (2) My inkling as to how bizarre I must have sounded to the police. (*Right!*) (3) Wes debated with me as to whether I should pay attention to tens of thousands of people's debate about me or whether I should just let it all fly over my head. (4) The government used me as a bait to run a sting operation on the Secret Society women (wanted to make a bad example of them). (5) I felt unlucky because everyone around me was luckier than I – I wouldn't compare myself with the people I couldn't see. (6) How reconstructing the Secret Society women's operations was a waste of time. (7) Wes read me a poem in order to comfort me (that I wasn't so unfortunate compared to others). (8) How I wanted to make my reconstructions meaningful. (9) My desire to obtain political asylum in another country where I would be allowed to know.

(While the Russian side would certainly use my wrong understanding (a sting operation on the Secret Society women) again as evidence of my schizophrenia, the CIA would use my awareness that I must have sounded bizarre to people as evidence to put an end to any more debate about my schizophrenia in the diplomatic community of the world. Then – did the Invisible Hand even need me to suggest

adopting my wrong scenarios as good suggestions in order to be able to adopt my wrong scenarios as good suggestions? And of course take note of my desperate desire to know what was going on: the greatest harm Homeland Security CO chief had inflicted on me was – from my perspective – his absolute effort in instructing all the people he had ever used to go after me to keep everything a secret from me.)

My misogynist ideology which had motivated me to conduct hate crimes against white women.

Now, let's summarize. Apparently the videos which the Russian side had collected of my vandalism spree last night had enabled them to continue the debate among the international diplomatic community. They thus continued to mobilize the Secret Society women's volunteers to make false reports about me that would confirm the Homeland Security warning about me. (But the CIA would have a different plan tonight.)

- (1) 11:24 AM, the Nantes volunteer reported on my violation of Karin's privacy by placing her meetup recordings on my website.
- (2) 1:43 PM, the Byron volunteer reported on my delusions about my women victims' going after me.

Then, the Russian side must have got wind about what I would say to Wes tonight, and so they instructed the Secret Society women to try harder.

- (3) 6:19 PM, a UK volunteer reported on my mistaking the visits to my website due to my delusions about my women victims' going after me.

By 6:30 PM, I had hanged up with Wes and the CIA had now evidence that I wasn't delusional while the Russian side had evidence that I continued to harbor this strange delusion that my women victims would soon be busted. The Russian side now wanted the Secret Society women and their volunteers to supply more evidences to support this.

- (4) 6:45 PM, the Palmyra volunteer reported on my delusions about Boss Cheney.
- (5) 8:39 PM, the Tampa volunteer reported on my delusions about my women victims' going after me.
- (6) 9:08 PM, the Santa Cruz volunteer reported on my delusions about my women victims' going after me.
- (7) 9:42 – 10:49 PM, the Hughes Networks volunteer reported on my delusions about synthetic telepathy.
- (8) 10:49 PM, the Walnut Creek volunteer reported on my delusions about my women victims on Prison Planet Forum.
- (9) 1:18 AM, the Akron volunteer reported on my misogynist ideology which had motivated me to hate my women victims and develop delusions about how they would soon be busted.
- (10) 3:45 AM, did the Santa Cruz volunteer link up /gang-stalking/ from the Secret Facebook Group?

Throughout the day there were of course also reports about my harassment of Shizuka, my naked picture of Angelica (5 times), my computer-hacking, and my plagiarism (especially in the morning).

8 February (Sunday; no collection)

First, a note about myself. Woke up 9 AM. Lay around. Then, McDonald's, and then Starbucks. Checked the log. Almost noon, set out for Pasadena for the French Conversation Club. Arrived in Corner Bakery around 1:30 PM. Worked on a new DVD ISO image and then wrote. 2:30 PM, the

meetup began. Nothing suspicious at all, and it was very boring. Almost 4 PM, went home. Left two messages for Wes. He would never call back. MST (brunet bunny). Couldn't ejaculate. Evidently programmed to match my current effort at reconstructing 28 May (on which day I was remotely controlled to be unable to ejaculate). Tried not to be too upset over the lack of freewill. Stayed home all night, very tired. Lay in bed, and did writings and checked the log intermittently. 11 PM, went out to buy food at the gas station, Vermont/ Wilshire. Tried B at EVRST, but it didn't break. Came home before midnight. So tired, and slept while watching the documentary "Russische Frauen". So struck (disappointed) by the shallowness of these Russian "high society people". Must find BOL instead. Fell asleep.

Now the Secret Society women's operation on my website for today. 4:35 – 4:36 AM,

Let's sum up. As the Russians and Homeland Security CO chief tried desperately to restore the Homeland Security warning about me in the international diplomatic community (at least in order to lock up the previous ICJ trial for the time being), they continued to mobilize the Secret Society women's volunteers to make more reports about me as a way to confirm the accuracy of the Homeland Security warning:

- (1) 7:10 AM, somebody from UCL (Swielande himself?) reported on my violation of intellectual property laws.
- (2) 8:38 AM, a volunteer (a LUG buddy?) reported on my delusions about my women victims.

- (3) 12:28 PM, a Waltham volunteer also reported on my delusions about my women victims' going after me.
- (4) 12:31 PM, a Swedish volunteer again reported on my delusions about my women victims.
- (5) 12:56 PM, a Swiss volunteer reported on my delusions about Boss Cheney.
- (6) 2:10 PM, another volunteer reported on my delusions about my women victims' going after me.
- (7) 4:04 PM, a Montreal volunteer reported on my August Diary (my delusional mind and crime spree).
- (8) 4:08 PM, the Garwolin volunteer reported on my obsession with, and delusion about, SDW.
- (9) 7:06 PM, the Virginia volunteer reported on my delusions about the chips inside my brain.
- (10) 7:27 PM, the Brisbane volunteer reported on my obsession with, and delusion about, SDW.
- (11) 8:52 PM, the Montreal volunteer reported on my violation of Prof. Ménard's intellectual property rights.
- (12) 8:59 PM, SDW's Tampa friend reported on my obsession with, and delusion about, SDW.
- (13) 9:14 PM, the Egyptian volunteer reported on my obsession with Ekaterina's father.
- (14) 11:07 PM, the Schaumburg volunteer reported on my delusion about the chips inside my brain.
- (15) 12:02 AM, the Chinese University of Hong Kong volunteer reported on my delusions about being targeted by intelligence agencies and so on.

Throughout the day, there were of course also reports about (1) my harassment of Shizuka; (2) my naked picture of Angelica (8 times!); (3) my computer-hacking; and (4) my plagiarism (again, especially in the morning). Amazingly, the Russian side didn't require me to commit crimes tonight.

9 February (Monday; sleep deprivation; Wes; Karin's meetup)

First, a note about myself. Woke up around 5 AM! Lay around until 8:30 AM, unable to fall asleep anymore. Listened to New Age music instead (Celtic, Egyptian). Went to McDonald's, and breakfasted. Read Ezra, since not allowed to read yesterday and the day before yesterday. Programmed to think: BOL really does want a New Feminism where women will save the earth. Women will change into the opposite of "beings of consumption" and then use sex-strike to encourage men to be less consumptive also. Perhaps the Feminist Lawyer (assuming she exists!) likes this idea – since she's a Cultural Feminist and her original idea about women's saving the earth by expressing their special nature has been discredited, she now feels salvaged by a more realistic idea. (*Bullshit which the Monkey wanted me to develop in order for me to look delusional, but – did the Invisible Hand and BOL really want something like this to happen?*) Home. MST (the same brunet bunny). Still not allowed to ejaculate. Tried several times. Very upset, for this brunet bunny was so cute. Worried that my stalking victims might have access to the surveillance video and distribute it. Later thought probably not. (*Probably not!*) Storage. Put in DVD-346. Was able to retrieve the blank discs forgotten the last time. **2 N.** Home, 4:30 PM. Very tired. Not sure whether to stay home or go out. Rested, checked the log, and called Wes on 7:02 PM. Was able to connect with him! "How my stalking victims' operation works – to control me to confirm their reports..." Stayed home all night. Discovered that Cathy (Christof) has not posted any pictures of hers since 14 January. (*Contrary to my suspicion, this was probably unrelated to me and the Secret Society women.*) Very sleepy. Slept 12 AM, watching another documentary on road violence in Russia.

Note that Karin hosted a meetup tonight for her Any Language and Culture Meetup: Margaritas and the movie "Timbuktu" around 7 PM. (Karin was seen in the pictures of the Happy Hour.)

Highlights of my conversation with Wes today: (1) The control center controlled me to be sick after I read on SDW's blog how she got sick, in order to establish identity between me and her. (2) The control center controlled me to be unable to ejaculate after I wrote for the reconstruction of 26 May that I was unable to ejaculate on that day. (3) BOL did want a "New Feminism": mate-selection feminism. (4) My complaint: how long do I have to conform to some ridiculous profile? How long will the show last? By the time I get out I'll be 55. (5) I have been under heavy surveillance for two weeks. The Secret Society women must have reported something serious about me. (6) I have learned to accept my artificially induced mental retardation. Am I repeating on a microscopic scale what's going on on the macroscopic scale? When the "Total War on Women" shall happen, American women will also suffer a major blow to their self-esteem, but they will then accept it, repeating my experience. (7) Maybe when the control center made me sick, it had merely moved my sickness backward or forward in time to time it with something. But sleep deprivation was definitely something added. (8) How I felt like I was stranded in a desert, trapped in a blackhole. (9) The documentary on Russian high society: these people were so shallow. (10) The Secret Society women had been going after my website for two and a half years; why wouldn't they just give up? It's as if their right to take me down had been violated.

(My comments about getting sick and being unable to ejaculate and about BOL's New Feminism and "Total War on Women" were all evidence of my schizophrenia for the Russians and Homeland Security. But my comment about being under heavy surveillance for two weeks was the CIA's evidence again that I wasn't schizophrenic. Again, you see how I was correct that I had been under heavy surveillance but wrong about the reason (the debate about me in the international diplomatic community).)

Now the Secret Society women's operation on my website for today. 4:08 AM,

Now she stopped. We can easily imagine what had happened: this friend of Ekaterina's had been listening to Ekaterina complaining about how there was just no way to convince everybody in the international diplomatic community that the Homeland Security warning about me was correct (thanks to the CIA's persistent debunking). She spent 30 minutes looking through everything on my website but couldn't find anything which may convince everyone that I was indeed so dangerous or delusional or plagiarizing – until she stumbled upon "Limit of Love". Because of all the violent content in it, this was certainly material to convince everyone that Angelica had indeed being right about me, that I was indeed violently dangerous. Then, almost 6 minutes later, she examined "Anime Sketches, 1990-1991" and discovered more sexual content in it. *This was it*: the Russian, French, and Ukrainian foreign services shall use these two manga documents tomorrow to raise an objection to the CIA's refusal to let this particularly dangerous and delusional terrorist stalker of famous women and politicians be entered into the watchlists of the diplomatic community around world.

Let's sum up. Today was just another day that the Secret Society women continued to mobilize their volunteers desperately trying to produce more testimonies to enable Homeland Security CO chief and the Russian diplomatic service to revive the Homeland Security warning about me within the diplomatic community of the world.

- (1) 5:11 AM, the Richmond volunteer reported on my misogyny (?).
- (2) 9:27 AM, the Boston volunteer reported on my delusions about the chips inside my brain.

- (3) 9:51 AM, the New York City volunteer reported on my delusions about the CIA and Homeland Security and so on.
- (4) 10:28 AM, the Brisbane volunteer reported on my delusions about the chips inside my brain.
- (5) 12:05 PM, the Opera Mini volunteer reported on my obsession with, and delusions about, SDW.
- (6) 12:41 PM, the Montreal volunteer reported on my violation of Prof. Ménard's intellectual property rights.
- (7) 1:34 PM, the Meknès volunteer reported again about my delusions about Boss Cheney.
- (8) 2:54 PM, the Piacentino volunteer reported on my delusions about my women victims' going after me.
- (9) 3:35 PM, the Portland volunteer reported on my delusions about Boss Cheney.

Then, from 7 to 7:30 PM, I was talking to Wes, and while the Russian side had obtained more evidence of my delusions about my women victims ("Total War on Women"), the CIA had obtained evidence that I wasn't so deluded but had correctly identified the surveillance on me. In consequence, Homeland Security CO chief and their Russian allies quickly mobilized the Secret Society women's volunteers to make more reports about my delusions about my women victims.

- (10) 9:02 PM, the Chicago volunteer reported on my delusions about my women victims' involvement in some bizarre government conspiracies.

But then it became apparent that the diplomatic community of the world would not validate the Homeland Security warning about me after all. Thus, while Ekaterina was conferencing with her friends and the Secret Society women over the matter, her friend in Riga, Latvia, on 1:48 AM, came to my website looking for ways to confirm that Homeland Security had always been correct about me. She started with the problem of how to prove that I did plagiarize and steal other people's drawings, but, after 30 minutes, stumbled upon my old manga drawings that were full of sex and violence. Here was the evidence to rebuff the CIA! Thus:

- (11) 2:32 AM, the Australian volunteer made another examination of my delusions about my women victims as expressed on my blog.
- (12) 3:43 AM, the Russian law enforcement was called in to confirm again that I did develop terrifying delusions about my women victims' going after me.

Throughout the day, there continued to be reports about (1) my harassment of Shizuka; (2) my computer-hacking; (3) my naked picture of Angelica (4 times); (4) my harassment of my family members; and of course (5) my plagiarism. Note however that Homeland Security and the Monkey didn't require me to collect damages tonight.

Realized further that I had overestimated my worth (the police assessment of me: emotional age; inability to approach females sexually in a mature fashion, etc.). Used the computer to check my website and Anja's photos. Because of softened mood, didn't collect damages after leaving the library. Starbucks, Westwood. Wrote all night until past midnight. Decided on minor collection. (Found this big bottle, and it's a shame not to use it.) SM/ 26th: **1 SPC, 1 mirror, 8 N, 2 H, 3 B**. At one point, after the SPC, while walking down on 26th, saw a police car speeding upward. To check the SPC? (*Was this evidence for the Russian side?*) Done by 1:55 AM. A security car also sped upward on 26th on 2:12 AM. (*The Russians' evidence?*)

Thought tonight that, the faster one finishes writing (especially BOL's plan), the quicker one can get out of this blackhole. (*Right!*)

Let’s sum up. No sooner had the Riga volunteer discovered gold than the Russian side immediately mobilized the Secret Society women’s volunteers to report to confirm that the rest of the Homeland Security warning about me was also correct. First, how I kept developing delusions about public figures:

- (1) 6:52 AM, the Rome volunteer reported on my delusions about Russia’s president and prime minister.
- (2) 6:58 AM, the New Jersey volunteer reported on my delusions about Khalezov.
- (3) 7:06 AM, the Swedish volunteer reported again on my delusions about Russia’s president and prime minister.
- (4) 7:56 AM, the Puerto Rico volunteer reported on my delusions about President Obama.

Then, how I was a danger to people due to my delusional mind:

- (5) 8:16 AM, the South Korean volunteer reported on how my delusions about my women victims had caused me to commit crimes.
- (6) 8:42 AM, the UK volunteer reported on my vacillation toward the most bizarre conspiracy theories.
- (7) 11:38 AM, the Denver volunteer reported on how my delusions had prompted me to become a danger to people.

Then, my delusions about my women victims/ Snowden:

- (8) 3:59 PM, the Wellingborough, UK, volunteer reported on my delusions about Karin and her friends.
- (9) 4:20 PM, was Dr P conferencing with Robin and the Leeds volunteer?
- (10) 6:36 PM, the Nottingham volunteer reported on my delusions about my women victims as seen on my postings on Prison Planet Forum.
- (11) 9:03 PM, the Athens, Tennessee, volunteer reported on my delusions about Snowden.
- (12) 9:29 PM, the Leiman, Germany, volunteer reported on the same thing.
- (13) 11:27 PM, the Attleboro volunteer reported on my delusions about my women victims' going after me.
- (14) 11:46 PM, a Tokyo volunteer – however, an informant – reported on my delusions about the chips inside my brain.

Perhaps because of the Taiwanese and Japanese informants' damaging reports (9:06, 11:11, and 11:46 PM), the deciding authority within the international diplomatic community suddenly dismissed the Russian side's case again. Panicking, Ekaterina led the volunteers into a round of soul-searching. Thus:

- (15) 1:28 AM, the Wellingborough volunteer returned to examine my chapter on Karin.
- (16) 2:04 AM, he came back again.
- (17) 2:41 AM, the Riga volunteer – the one who discovered gold last night – came back to examine my gallery again.

Throughout the day, there were of course also reports about: (1) Angelica's naked picture (4 times); (2) my computer-hacking; (3) my harassment of Shizuka (only from 11:40 PM onward, i.e. after the Japanese informants had started making damaging reports); and (4) my plagiarism. Note especially that 8 students from the University of Texas at San Antonio came today to report on my plagiarism in my chapter on Greek religions. Meanwhile, the police action tonight while I was collecting damages might be further evidence for the Russian side.

11 February (Wednesday)

First, a note about myself. Slept before 4 AM, watching an Austrian TV debate on Russia (late 2014). Woke up 11:50 AM. Okay. TNT, Carl's Jr. Then, Home, almost 4 PM. MST (brunet bunny). Burned DVD 435-CP. Failed burn. Probably because the disc was damaged. Not angry. 6:30 PM, going to Draw Anything LA Meetup. Today's meetup was uneventful; no moles, it seems, for the second time! No moles since 8 February. (*There had never been any moles.*) Phoenix here. She said she was in Mexico in the past month. Left after 10:30 PM. Collected minor damages on SM Blvd and then up on HLLYWD/ VRMNT: **10 N, 1 B, 3 H**. Going home by 12:20 AM.

Now the Secret Society women's operation on my website for today. 4:33 AM,

Let's sum up. Since early morning, as Ekaterina and the Secret Society women brainstormed how to reestablish Homeland Security's warning about me within the international diplomatic community, they came to focus on Dr Brizendine. Perhaps a complaint from her against me might convince the diplomatic community to think twice, and generate evidence in the ICJ to enable the Russian side to temporarily lock up the previous ICJ trial. Thus:

- (1) 4:36 AM, an Istanbul volunteer reported on my violation of Dr Brizendine's intellectual property rights.
- (2) 6:46 AM, a Perth volunteer examined my delusions about the chips inside my brain.
- (3) 7:45 AM, the Browning volunteer reported on my obsession with, and harassment of, Dr Brizendine.
- (4) 8:27 AM, the Oakland volunteer reported on my obsession with, and harassment of, Dr Brizendine.

Then the Secret Society women were back to my harassment of *them*.

- (5) 9:50 AM, the Wellingborough volunteer returned to examine again my chapter on Karin.
- (6) 11:53 AM, a US volunteer reported on my harassment of Kiersten.
- (7) 12:30 PM, another Reno volunteer reported on my harassment of Kiersten.
- (8) 1:27 PM, another report about my delusions about the chips inside my brain.
- (9) 1:29 PM, a Portland volunteer reported on my delusions about the Secret Society women's going after me.

(10) 5:40 PM, a Chapel Hill volunteer reported on my harassment of Jesse Beltran by blogging about him.

Around this time, after Ekaterina woke up in South Korea, the Russian diplomatic mission discussed the matter with her and the Secret Society women. The Russian diplomatic mission asked them to post more “essential evidences” on the Secret Facebook Group:

- (11) 5:59 PM, a volunteer posted “Ying and Yang, I” (9v) on the Secret Facebook Group.
- (12) 6:12 PM, a volunteer posted “Schizophrenic, I” on the Secret Facebook Group.
- (13) 6:40 PM, a volunteer posted “Ying and Yang, II” (9_104d) on the Secret Facebook Group.
- (14) 7:41 PM, another volunteer reported on my delusions about the chips inside my brain.
- (15) 8:31 PM, a Minsk volunteer reported on my delusions about the Secret Society women’s going after me.
- (16) 8:54 PM, the Browning volunteer returned to examine again my victimization of Dr Brizendine.
- (17) 9:17 PM, a volunteer posted “Kurt’s nonsense blog” (0908-2) on the Secret Facebook Group.

Then, something strange: 10:05 PM, a Pakistani volunteer caused evidence to be intercepted into the ICJ suggesting that my reconstruction “Ying and Yang, II” was just mumble jumble about Tudou movies. Does this mean that the CIA had so proven the Homeland Security warning to be false in the ICJ that they were actually ready to reactivate the previous ICJ trial with the little evidence they had had so far (“The Birth of A Mission” and “Ying and Yang”)?

- (18) 11:59 PM, a Wellington, New Zealand, volunteer reported on my obsession with, and delusion about, Russia and Ekaterina – the Russian diplomatic mission’s central argument.
- (19) 12:49 AM, an Oklahoma volunteer reported on my delusions about the Secret Society women’s going after me.

Then, 1:27 AM, appeared another Taiwanese volunteer here to report behind the Secret Society women’s back that all their reporting about my plagiarism was just bullshit. Throughout the day, there was also reporting about: (1) my computer-hacking; (2) my harassment of my family members; (3) my harassment of Shizuka; (4) my naked picture of Angelica (3 times); and (5) my plagiarism. There were also two visits to Best Mommy’s picture!

12 February (Thursday; sleep deprivation; high sex drive)

First, a note about myself. Slept around 3 AM, watching a lecture on super symmetry. Ran out of sleeping pills. Woke up around 11 AM. Somewhat okay. TNT, became nervous due to two realizations: (1) BOL’s New Feminism: to create a “cult”, which is the “New Feminist Movement”, where women (the feminists) renounce consumption and use mate-selection to breed males who are more into “brain” than wealth and consumption – all this to save the Earth. Even though the “cult” will remain a minority movement, certain elements from it (female devaluation of consumption and valuation of non-consumptive or non-acquisitive males) will eventually “trickle down” to the general female population (just as, even though the second wave feminism was restricted to tiny circles in universities and on

society's fringes, certain elements from it have somehow been adopted by the entire American white female population most of whom are not feminist at all, i.e. the idea of some special female nature which, if expressed through women's participation in the public sphere, will save the Earth). In this way, women will save the Earth. BOL's plan: some sort of Seneca Falls Convention II will perhaps be convened in response to Kiersten's scandal, where American feminism is recognized as the "biggest fraud in Word History" and where this "New Feminism" is adopted as its replacement. (2) Although the program which I have laid down for Russia's development of soft-power is the best program there can be, it's so impossible to realize it given the generally low quality of the Russian people, totally unfit for "superpower status" and practically unreformable within a generation or two. I don't really know how the "revolutionary minority" in Russia can possibly implement my program at all. Am I just wasting my time? Downloaded many videos from Youtube: Youta, Stefanie Kloss, Eva Briegel, Franka Potente, etc. (*I had no idea that I was merely speculating on BOL's program in order to enable the Invisible Hand to eventually establish my conspiracy with her against him and adopt the program for his own use.*)

On Metro going to Home Depot. A very attractive WF was in the station wearing earphones. Followed her onto the train, and a young German tourist invited her to sit down with him. She claimed to be Russian. Didn't know if this was some sort of metaphor. Or if my stalking victims are reporting me as a Russian agent. (*Wrong.*) At Home Depot: bought nails, then at Sabor a little bit. There was another very attractive AWF (about 35) causing me to film her with my webcam. Extreme sexual excitement. Left 4 PM, home, and rested a little. Then out, going to the art show in Bergamot Station. On bus 4, saw another very attractive AWF. Went to sit down in front of her. Gawked at her for a long time because of extreme sexual excitement: skin and neck, etc. Wondered if the Feminist Lawyer has a neck and skin like that. Then at the art show at Bergamot Station, almost 8 PM. It turned out to be a formal event, where everybody was dressed up. The artist, Zhenya Gershman, turned out to be Russian-born. The event was "Italian-related". Another sign that my stalking victims are reporting me as a Russian agent. (*Wrong!*) Left before 9 PM. **16 N along 26th ST. 2 B.** Came to Starbucks, Westwood, around 10:20 PM. Left around 12:20 AM, **1 B.** Worried because the work I have done on 6 February on "Suppl_Pld. 4-323" has disappeared. Home, 2 AM. (*It's not clear whether all the pretty WFs and extreme sexual excitement today were part of the Russian side's operation on me.*)

Now the Secret Society women's operation on my website for today. 4:16 AM,

Her appearance of course means that last night's attempt to revive the Homeland Security warning about me in the international diplomatic community had failed again (evidently thanks to the work of informants such as the Taiwanese volunteer on 1:27 AM). Note that it was already 2 AM in South Korea, and so it's not clear whether the Riga volunteer was talking to Ekaterina about the current crisis at this very moment.

Let's sum up. The Russian diplomatic service must have since early morning informed Ekaterina and the Secret Society women that last night's effort to revive the Homeland Security warning about me in the international diplomatic community was unsuccessful. The Secret Society women were thus back to mobilizing their volunteers to brainstorm:

- (1) 7:08 AM, the Myanmar volunteer brainstormed about my delusions about my women victims' going after me.
- (2) 9:04 AM, the Riga volunteer came to my web gallery again from school.
- (3) 10:45 AM, a volunteer was examining my Facebook page.
- (4) 1:34 PM, the Dalton volunteer came to examine my latest blog posts.
- (5) 9:28 PM, a North Carolina volunteer came to examine my harassment of SDW by posting my message to her on my website.

(6) 12:51 – 1:03 AM, were the Secret Society women also posting conche.html on the Secret Facebook Group as “essential evidence” that I did plagiarize?

(7) 1:15 AM, the Jacksonville volunteer examined my delusions about my women victims’ going after me.

(8) 1:55 AM, a Tennessee volunteer came to examine my harassment of Kiersten by posting her message to me on my website.

Beside these, there was of course plenty of brainstorming about how to report me for computer-hacking, hosting Angelica’s naked picture (6 times), harassing Shizuka, and more plagiarism. Overall, an unproductive day, and it’s not clear whether the Russian side had really sent in females this afternoon to produce some favorable evidence out of me.

13 February (Friday)

First, a note about myself. MST (Lena Nicole). Woke up past 1 PM. Sleep okay. TNT, Jons, chickens. Then Sabor, past 4 PM. Will leave two messages for Wes, but he will not call back. Worked until 10 PM, and posted the latest blog post on Russian soft-power development (below). Also, Draw Anything LA portraits. Went to Union Station to collect minor damages: **15 N in total, 5 B**. Then came to Hollywood/ Vine. At King King by 12:30 AM. No disco tonight, and so left. Home by 2 AM. Uneventful, and toned down mood.

My delusions about how my women victims were going after me, especially SDW. We have to wonder whether we have seen this volunteer before: namely, the Hollywood, Florida, volunteer from 5 August last year, 12:19 PM, possibly a friend of SDW's. If so, why was she in Washington DC today? Were the Secret Society women and the Russian diplomatic mission trying to petition a certain anti-terrorism authority again?

We have to suspect that this Juan Cota was simply instructed by Homeland Security CO chief to share my video – in order to enable faulty surveillance to intercept some temporary evidence into the ICJ to lock up the previous ICJ trial for the time being.

Now, let's sum up. Here are the essential activities for today:

- (1) 4:54 AM, an Illinois volunteer examined my delusions about Snowden.
- (2) 6:58 AM, a Google proxy volunteer examined my delusions about my women victims' going after me.
- (3) 2:37 PM, a University of Texas Rio Grande Valley volunteer examined my delusions about Khalezov.
- (4) 2:44 PM, a Stockton volunteer examined my delusions about there being chips planted in my brain.
- (5) 3:01 PM, a certain "Juan Cota" shared my videos on his Google Plus.
- (6) 3:26 PM, a Newport Beach volunteer examined my frivolous lawsuit against Mr Fradkov.
- (7) 5:32 PM, a Washington DC volunteer (SDW's Florida friend?) examined my delusions about my women victims' going after me.

We have to suspect at this point that, because the Russian side could not revive Homeland Security's warning about me in the international diplomatic community, the Secret Society women were sending the Baltimore Lawyer (accompanied by SDW's Florida friend) to Washington DC to argue with the NCTC authority again: "Look, he did keep developing delusions about famous people and filing lawsuits against foreign dignitaries. He did believe there are chips planted in his brain. The Homeland Security warning about him is correct! And his women victims are indeed victims of his online terrorism!" But the NCTC authority would of course reject the petition again. When this rejection was about to become unfavorable evidence in the ICJ, Homeland Security CO chief instructed Juan Cota to do something with my video. Then SDW's friend visited my blog post series again to brainstorm. And so:

(8) 6:36 PM, the Alberta volunteer also examined my delusions about my women victims' going after me as a way to brainstorm.

You thus have to wonder whether it was the Monkey who had remotely controlled me to post something again about how to develop Russia's soft-power: this would enable the Russian diplomatic mission to continue to maintain that I was delusional about, and obsessed with, Russia, and hence Ekaterina.

Throughout the day there was of course plenty of reporting and brainstorming about my naked picture of Angelica (4 times), my harassment of Shizuka (my cousin Cindy?), and my plagiarism.

14 February (Saturday; resuming W)

First, a note about myself. MST (blond bikini). Slept a little past 5 AM, watching Marine Le Pen's speech in Sevastopol. Woke up 11:30 AM. Slight sleep deprivation. TNT, called the synagogues. AT&T network down. Tremendously worried, because the control center might be preventing me from talking to Wes today. Decided to leave Koreatown immediately, skipping over the Koreatown synagogue. On bus 20, near Beverly Glenn and Wilshire. Got off the bus to check out the Sinai Temple. All closed. Then, arrived in Westwood. My phone was working again. Will leave two messages for Wes, and he'll not call back. In-and-Out, continued to read Nehemia. Then Starbucks, and then Ackerman, around 6 PM. Watched the CNN report, "Double Agent" (hunting Awlaki). Made-up bullshit. Past 7 PM, returned to Starbucks. Had been thinking all day about the "leftwing" and the "rightwing" of postmodernism (feminism vs neoconservatism), both of which emerge from paranoia over a problem which has already passed away. Just then, a feminist protest by the Bruin Theater: "Stop women's enslavement". Disappointed that one was after all not allowed to talk to Wes today. Felt hemmed in. Thought a lot about how impossible it is for Russia to achieve parity with the US. Thus was caused to further lose interest in nation-states. Almost 9 PM, targeting started to motivate me to resume breaking xxxxxxxx. An ugly old Asian man came to sit in front of me wearing earphones. Felt increasingly uncomfortable. (*Homeland Security surveillance?*) Decided to resume collection tonight. No pretty girls either in the coffeehouse. Hid in the corner to work, and my mood matched my writing (28 July 2009). Left on 11:20 PM. By then, one's mood had stabilized, but decided to collect in order to avoid further "motivation" by my stalking victims. SM/ 20/ 26. **14 N, 6 B, 1 W (small), 4 H, 2 SPC (rather**

minor). Done by 1:40 AM. On bus 4 going home. Another fat, dark skinned person wearing earphones purposely stood in front of me, and then behind me, causing me severe discomfort, trying to motivate me to commit more crimes tomorrow. (*Homeland Security surveillance?*) On bus 204, another black man's feet caused me discomfort; then, near home, another guy wearing earphones on skateboard passed me by, causing me severe discomfort and motivating me to collect more damages tomorrow.

(We have to suspect whether it was because the Russian diplomatic mission had failed the petition process yesterday that, today, Homeland Security CO chief purposely sent in surveillance agents to watch over me. This was not only part of the continual investigation of this possible terrorist, but also in order to provoke me to resume breaking xxxxxxx so that the Russian diplomatic mission and Homeland Security could have reasons to continue to try to revive their warning about me in the international diplomatic community.)

Now the Secret Society women's operation on my website for today. 4:22 AM, Bessemer City, North Carolina.

55 My hypothesis seems confirmed by her blog post for 16 February, “Take me to church”, in which she writes (emphasis added): “Yesterday *on my way home from the beach* there was a detour on the 101 driving South. Two San Diego Sheriff Dept. patrol cars had blocked off both lanes with their emergency lights on (more first responder harassment). I turned around and ended up stopping at a Circle K on the way home for a drink. The cashier’s name was Jesus. Not every detour is a bad thing. I wonder why more whites don’t name their sons Jesus. These people can change it up all they want my faith only grows bigger and stronger, just like the mustard tree.”

Now, let's sum up. Very early in the morning, Homeland Security CO chief created intercepts about my plagiarism in order to have evidence to temporarily lock up the previous ICJ trial while the Secret Society women sent the Baltimore Lawyer and so on to Washington DC again to continue to petition the NCTC authority.

(1) 6:49 AM, a Chennai volunteer examined one more time my delusions about the Secret Society women's going after me – which was evidence that they should indeed be counted as the victims of my terrorism.

Throughout the morning and afternoon, however, the petition process had failed again: the NCTC authority once again ruled the Homeland Security warning about me to be invalid. Thus, from 6 PM onward, the brainstorming had restarted for solutions while Homeland Security sent out surveillance agents to watch over me as a way to provoke me to commit crimes.

(2) 6:11 PM, the Secret Society women asked the LUG buddies to examine my delusions about their going after me (the surest evidence that they were the victims of my terrorism). But this was, of course, counter-productive since the LUG buddies were all law enforcement informants.

(3) 6:56 PM, the Baltimore Lawyer came to examine my blog – to look for any new evidence that might help the petition process.

(4) 7:10 PM, a Philadelphia volunteer came to examine my delusions about Khalezov – the surest evidence that Homeland Security was right about me, that I did constantly develop delusions about famous people.

(5) 7:35 PM, a Wisconsin volunteer also came to examine my delusions about the Secret Society women's going after me as the surest evidence that they were my victims.

(6) 8:33 PM, an Ontario volunteer came to examine my blog – to look for any new evidence.

(7) 10:26 PM, another Ontario volunteer came to examine my obsession with, and delusions about, SDW – the surest evidence that she was a victim of my terrorism.

(8) 12:49 AM, a Japanese volunteer came again to report behind the Secret Society women's back that the Homeland Security warning about me was invalid because all the reports about my plagiarism were made up.

(9) 1:11 AM, the Tallinn volunteer came to examine my obsession with, and delusions about, Russia – the surest evidence that both the Russian diplomatic mission and Homeland Security were right about me.

Meanwhile, there was also sporadic brainstorming about my harassment of Shizuka, my naked picture of Angelica (4 times), my computer-hacking, and then plenty of reporting about my plagiarism.

15 February (Sunday; Wes)

First, a note about myself. Slept past 6 AM. MST (Lena Nicole). Strangely, 323 posted several new videos of Lena Nicole in the past month. Became convinced that Lena had indeed been recruited into the Secret Society. (*Not.*) She probably purposely posted the videos in order for me to see them. (*Not.*) Woke up 2 PM. Okay. TNT. Left another message for Wes. Upset that I might not be allowed to talk to him this week. Checked Meetup. French-in-Mind now had 9 RSVPs, increased from 5 since I made my RSVP yesterday. Especially, a “Nevin” who has signed up the group just today and who is from Santa Monica. Is he related to last night’s collection? Carl’s Jr. Suddenly, Wes called. Jubilant. (From 1:09:00 onward.) About New Feminism and the FBI profilers. Hanged up by 5:20 PM. Then hurried to French-in-Mind, especially wanting to check out “Nevin”. However, the Metro train broke down on its track. Felt increasingly depressed, because it seemed that one was not allowed to speak French. Wanted to commit crimes. Finally, got on a new train. Arrived in the meetup late, but it was still going on. (From 1:28:00 onward.) Not sure if this “Nevin” was indeed sent in by the Secret Society. (*Probably not.*) An AWF (Dani) showed up claiming to be a rocket engineer contracted to work for USAF and learning Russian. Certainly in order to produce evidence showing me meeting with a Russian agent? Thus it seems:

My stalking victims were told that they could use the ICJ procedure to destroy me. They report me as a criminal Russian agent (just like “David Chin”). Meanwhile, they communicate with the Feminist Lawyer inside the control center about how to produce evidences and make ICJ pronounce me “David Chin the Sino-Russian bad-to-the-bone, criminal, antisemitic, pedophilic, and perverted secret agent” (who is only pretending to be himself). They hope that the ICJ pronouncement could then be used to establish warnings about me in international governmental channels. In this way, I can be at least discredited (thus their crimes will be hidden) and, at worst, taken to a secret prison to get waterboarded. (*Needless to say, all this was complete bullshit, and Dani had probably nothing to do with the Secret Society women or their Russian allies.*)

After the meetup, came to Novel Café. Pretty young AWFs there. One of them was particularly nice to me. 10 PM, got bounced out of my Bluehost account. Internet cut off. Then restored. Then got bounced out of my account two times. Then, a woman who was Jewish was chatting near me with a man (about her Jewish upbringing). Strangely, around 11:20 PM, saw the book lying by the margin of the bookshelf, Ariel Levy’s *Female Chauvinist Pigs* (2005). It’s as if it echoed what I said this afternoon: “Coming right back to the same place...” Almost 1 AM, even though feeling okay, decided to carry on with collection. **CLVRCTY: 6 N, 1 W (8542: almost Pilates), 6 H, 1 SPC, 5 B.** (Note that a flash of light occurred during impact; perhaps some electronics was damaged.) Done by 2 AM. A black man wearing earphones then came to the bus stop to be with me. Surveillance? (*Very likely! But this looked like law enforcement rather than the investigative agency used by the Russian side.*)

Highlights of my conversation with Wes today: (1) Wes was out yesterday because of Valentine’s Day, and he couldn’t reach me yesterday because AT&T was down. (2) My self-esteem had lowered recently, I had overestimated myself, and so I was now less angry about having to work as a patsy for the Secret Society women. (3) The mechanism I described the last time was correct: if their

membership was down, the control center would control me to do something to piss someone off in order to enable the women to recruit the new person. “This is really the only way for Kiersten to make friends... now her life is full of meaning as she runs this Secret Society... members from the past have to be purged... when the story has changed...” (*Bullshit! Wrong scenario!*) (4) Law enforcement looked at me from a different angle, from which I didn't look so amazing, and so my self-esteem suffered a blow. It's all because I read that book on the FBI profilers: “... my experience is actually typical... this guy is ‘organized asocial’... there is actually a name for what I'm going through...” Then about how the profiler's description of me would differ from my description of myself. Wes wanted to know why someone else's opinion of me would bother me. “... because I don't see that as incorrect...” Then about how the new generation of law enforcement officers no longer knew how to use these profiling systems developed in the 1970s, just as the new generation of therapists no longer knew how to use the DSM and weren't aware that they didn't know how to use it. (*Amazing insight!*) Since the 29th the Secret Society women had been reporting to the French authority, and the French showed law enforcement officers how they no longer knew how to use the profiling systems. (*Totally wrong! As if the French wanted to prove me innocent! Just the opposite of reality!*) (6) Wes: how could psychiatrists have diagnosed me as suffering from schizophrenia? “Schizophrenia is in fashion nowadays because people want something quick and ‘stimulating’... sort of like how people like to watch action movies...” (*Again, amazing insight!*) (7) “The Secret Society women are so shallow, and yet I have to spend that much time reconstructing their actions... the Feminist Lawyer inside the control center... she might be aware of BOL... she might be admiring her... if it turns out that BOL prefers me to her, she would feel very sad...” (*Complete nonsense.*) Then again about how, in consequence of the “Total War on Women”, women's self-esteem would sink. “... but then New Feminism would be introduced... ‘This is how you can *really* save the Earth’, and women will get excited again... this New Feminism might be insulting, for, here, women will have come back to the same place, sexual attraction...” (8) Did I also see the opposite of reality in order to establish my identity with the Secret Society women? (*Perhaps!*) “... when I say things and I feel very smart, it must have appeared dumb to others... other people must have had the perception of me that is the opposite of my perception of myself, but in a different manner... I tend to overestimate my intellect, while other people tend to underestimate my intellect, and so, if you add them up, you'll have the situation where other people's perception of me is the opposite of my perception of myself...” (9) Then I went on about my error about the national debt. (10) Me: “... is it better to be like me, speculating and having a vague picture, but thus hypothesizing wrongly and so looking insane, or not speculating and not knowing anything, so as to never allow others the chance to accuse oneself of being wrong or insane?” Wes: no answer is better than a wrong answer! Wes then asked me strategically: “Which clock do you want? A clock that is always wrong, or another that is correct twice a day? The clock that is always wrong is 1 minute too fast, the one that is correct twice a day has stopped completely.” Thus it is sometimes better to be always wrong!

(While the Russian diplomatic mission would of course seize upon my wrong scenarios as evidence of my schizophrenia, the CIA would seize upon my reflections on how law enforcement must have profiled me as evidence that Homeland Security was all wrong about me. Needless to say, the Russians would continue to use my wrong scenario about a “Total War on Women” as evidence that my schizophrenia had indeed led me to develop bizarre misogynist ideology which I then projected onto my women

victims – one of Dr P's most beloved arguments. Unfortunately, my amazing insights about the deterioration of the understanding of human psychology among law enforcement and mental health professionals since the 1990s – because they were too advanced – could play no role in the debate of the moment, although they would be very significant later on. Finally, we have to suspect whether Wes might have asked me three strategic questions today: (1) why law enforcement's opinion would bother me and (2) how psychiatrists could have misdiagnosed me as suffering from schizophrenia. My excellent responses would enable the Invisible Hand to again argue – both to the international diplomatic community and in the ICJ – that I didn't suffer from schizophrenia at all. But (3) when Wes asked me which clock I preferred, I'd always think that this was a secret message from the Invisible Hand. As you shall see, because I believed that, currently, the CIA and their law enforcement allies were using me as bait to run a sting operation on the Secret Society women while nothing like that was actually going on but the CIA did plan to do that in the future, I was indeed like a clock that's always one minute too fast – but preferable precisely in that way. It's however not clear whether Wes was really passing on a secret message to me.)

Now the Secret Society women's operation on my website for today. 4:13 AM, user.vivozap.com.br, Sao Paulo, Brazil,

Note that SDW was attending mass at a monastery in San Diego this morning. She had apparently gone to the Carmelite Monastery of San Diego. According to her recounting in the blog post she would post tonight, "Take me to church", she had been attending mass here 1 to 2 times a month for almost 7 months (i.e. since July or August). As usual, she would describe all the non-existent targeting at this monastery.

It's not clear whether this was part of the Secret Society women's operation.

As shall be seen, this was Aamoy. At the same time, the Geneva volunteer continued after four hours:

And Aamoy continued:

131.179.104.213 - - [15/Feb/2015:14:16:23 -0700] "GET /blogs HTTP/1.1" 301 580 "http://www.lawrencechin2011.com/" "Mozilla/5.0 (Windows NT 6.1; Win64; x64) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/41.0.2272.53 Safari/537.36"

Now Aamoy searched for his name on my blog:

131.179.104.213 - - [15/Feb/2015:14:16:29 -0700] "GET /blogs/?s=aamoy&submit=Search HTTP/1.1" 200 6961 "http://www.lawrencechin2011.com/blogs/" "Mozilla/5.0 (Windows NT 6.1; Win64; x64) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/41.0.2272.53 Safari/537.36"

You can easily imagine what was going on. Yesterday the Secret Society women had called upon the LUG buddies to brainstorm how to persuade the NCTC authority that they were indeed my victims. Since that didn't work out – of course, since the LUG buddies were most likely just sabotaging their case behind their back – they called upon Aamoy today. Perhaps, when Aamoy reported to the NCTC authority that I had also “terrorized” him by blogging about him, the NCTC authority would be forced to accept the Homeland Security warning about me as valid. In reality, just the opposite would happen: Aamoy must have also been instructed by his handler to sabotage the women victims' case.

Let's sum up. Since early morning the Secret Society women continued to mobilize their volunteers to convince the NCTC authority that Homeland Security, and these women victims, were indeed right about me:

- (1) 4:13 AM, the Sao Paulo volunteer reported on my delusions about Khalezov.
- (2) 4:32 AM, the UK volunteer reported on my delusions about the Secret Society women's going after me.
- (3) 6:16 AM, the Cameroon volunteer also reported on my delusions about Khalezov.
- (4) 7:08 AM, the Ohio volunteer reported on my delusions about the chips inside my brain.
- (5) 9:11 AM, the Geneva volunteer reported on my delusions about the Secret Society women's going after me.
- (6) 1:16 PM, the Secret Society women called on Aamoy to report me to the NCTC authority. Aamoy, of course, would merely sabotage the Secret Society women's project behind their back. This was really the end of their business with the NCTC authority.

Then, 4:30 PM, the Invisible Hand instructed Wes to call me in order to gather the last bit of evidence with which to put an end to the Russians' commotion about me in the international diplomatic community. Homeland Security CO chief and the Russians would of course tenaciously hold onto my wrong scenarios as evidence that the Homeland Security warning about me was indeed correct. By late night, to help with the debate, the Russian side called on the Secret Society women and their volunteers again:

- (7) 9:07 PM, an Australian volunteer examined my delusions about the chips inside my brain.
- (8) 11:16 PM, another Australian volunteer examined my harassment of Kiersten.
- (9) 1:18 AM, a Dallas volunteer examined my delusions about the Secret Society women's going after me.

There was of course also brainstorming about my harassment of Shizuka, my computer-hacking, and my naked picture of Angelica (2 times). And plenty of reports about my plagiarism – even forging evidence – in order to convince the NCTC authority that Homeland Security was indeed right about me.
