

## The Secret History of the International Court of Justice

### KIERSTEN'S VENGEANCE

#### 33

#### RESUME

The following reconstructs the operations of the Secret Society women and Homeland Security CO chief against me from 16 to 27/ 28 February, 2015. The Secret Society women were: Angelica (Angelina, G), Dr P (Pettersen), Karin (K), Kiersten (J), and SDW (Maura). Leading them was Russia's First Daughter Ekaterina (Putina).

Again, the same thing during this period as during the previous: the Russian diplomatic mission's continual cooperation with Homeland Security and the Secret Society women to try to establish the Homeland Security warning about me as genuine in the international diplomatic community as a way to prevent the CIA from reactivating the previous ICJ trial. And yet, never with any success. As for the tens of thousands of people from around the world Homeland Security and the Secret Society women had assembled against me – the largest gang-stalking ring ever in the history of humankind – everyone was getting frustrated. By God's miracle a most ridiculous schizophrenic misogynist and racist terrorist stalker (who also plagiarizes and impersonates) has fallen into their lap, and yet he keeps slipping through because no authorities other than Homeland Security and the Russian government take the matter seriously. It is as if the immortality potion, although found, is immediately lost. Everyone is trying the hardest he or she can to prove to any authority that Homeland Security is all right about me.

#### *Synopsis:*

**16.02:** the Secret Society women had a particular focus on my particular brand of misogynist ideology today in order to find ways to force the NCTC authority to admit that I did fit the definition of a terrorist. A Pleasant Hill volunteer also examined my harassment of Dr Brizendine by blogging about her.

**17.02:** the Secret Society women were able to obtain another hearing with the NCTC authority and they emphasized my motivation by my misogynist terrorist ideology and delusions about their going after me. But they failed again to get the NCTC authority to validate the Homeland Security warning about me. After which, Homeland Security got me to target GSLTR again.

**18.02:** the Secret Society women took GSLTR to make a police report. They continued to mobilize volunteers to brainstorm. Homeland Security CO chief required me to post something new on Russia's soft-power development as evidence for the Russians.

**19.02:** the Secret Society women continued to mobilize their volunteers to brainstorm. However, after 9 PM, the Russian diplomatic service decided to try again among the

world's diplomatic missions and instructed the Secret Society women to post more evidences of my violation of intellectual property rights on the Secret Facebook Group. **20.02**: since morning, because the debate about me had flared up again in the diplomatic circle, the Secret Society women resumed mobilizing volunteers to report: (1) my plagiarism; (2) my harassment and stalking of my women victims; and (3) my delusions about being chipped in the brain and famous politicians' involvement in bizarre conspiracies. By 10 PM, however, the CIA had obtained evidence from my conversation with Wes that I wasn't delusional.

**21.02**: Because the CIA's evidence from last night had also proved the Secret Society women to be a bunch of fraudsters, today the women, with the encouragement from the Russian diplomatic service, made a special effort to brainstorm how to prove that they were indeed my victims. In particular, the Department of Veterans Affairs volunteer, a possible LUG buddy, and the Palm Springs volunteer.

**22.02**: the Secret Society women spent another day brainstorming how to prove that the Homeland Security warning about me was correct after the CIA's devastating evidence.

**23.02**: the Secret Society women spent another day brainstorming how to prove that the Homeland Security warning about me was correct after the CIA's devastating evidence.

**24.02**: the Secret Society women spent the fourth day brainstorming how to prove that the Homeland Security warning about me was correct. There continued to be a focus on Angelica's "naked picture" probably because the CIA's evidence specifically proved that she was lying about me. Then, in order to prove that I did plagiarize, the women recruited today a volunteer from Northrup Grumman and another one from the Australian Department of Defense. Today they also seemed to have a particular focus on my supposed plagiarism of my theory on linear perspective.

**25.02**: the Secret Society women obtained another hearing with the NCTC authority for tomorrow, and so instructed their volunteers (the three special Honolulu, Australia, and Spain volunteers) to prepare the necessary evidence.

**26.02**: the Secret Society women failed again with the NCTC authority.

**27.02**: the Secret Society women spent the whole day brainstorming with volunteers. They managed to recruit "Eva" today to the circle of my "victims".

Now my diary notes (with my corrections in italics and brackets) and the log of the Secret Society women's operations on my website during the period under consideration.

## **16 February (Monday)**

*First, a note about myself.* Slept around 6 AM. MST (blond in red dress). Then slept while watching "Shätze in ewigen Eis" (2013). Woke up 12 PM. Lay around until 2 PM, not falling asleep, though. Slight sleep deprivation. Began noticing something strange about the Youtube channel, "Deutschland/Russland". PEDIGA and Thea Dorn. Was this a rightwing group's channel? How to square my program for the development of Russia's soft-power with Russia's alliance with European rightwing groups? The only solution is to make the Russian left absorb certain rightwing conceptions, so that Russia can be liberalized while maintaining an alliance with the European rightwing groups. (*In reality, it was just*

*Homeland Security CO chief and the Monkey who wanted me to continue to blog about Russia so that I could produce more evidence of my obsession with, and delusion about, Russia and Russia's First Family. But, at the same time, I was of course also working hard coming up with the outlines of BOL's program.)*

TNT. Strangely, a white guy walking past greeted me. Downloaded all the videos. Then, McDonald's. Worried that the "Feminist Lawyer" (assuming she exists) is going to use me and then dump me by manipulating me to dump her! (*Just remotely controlled to continue to speculate wrongly as a way to look delusional.*) Then, Westwood, Starbucks. Worked until almost 8 PM. Then, chickens. Thought that the Feminist Lawyer has simply programmed me to love her one minute and hate her another in order to make me conform to Kiersten's false profile of me. (*Bullshit.*) It's therefore a waste of time to worry about what she might do. (*Right.*) Back to Starbucks. Softened mood all day long. Incorporated the reconstruction of 29 May (last year). Worked until past 12:30 AM or so. Posted on my blog. (*The two blog posts you see for 17 February.*) Walked down Westwood Blvd to SM Blvd. **3 B, 1 N.** Two police cars were suspicious. On the bus going home by 1:20 AM. Vermont/ SM, more: **4 N.**

Now, let's sum up. It would seem that, in response to the failure with both the world's diplomatic services and the NCTC authority again, the Secret Society women had merely spent the whole day brainstorming with their volunteers (how to prove to people that the Homeland Security warning about me was correct). It would also seem that they had a particular focus on my "misogynist ideology" today which had supposedly motivated my hate crimes against white women and which should have forced the NCTC authority to admit that I did fit into the definition of a "terrorist".

- (1) 7:57 AM, a volunteer from a French research institution examined my delusions about my women victims' going after me.
- (2) 8:18 AM, a Berkeley volunteer also examined my delusions about my women victims' going after me.
- (3) 11:29 AM, a Philippines volunteer examined my particular brand of misogynist ideology. (Or plagiarism?) (The first.)
- (4) 12:42 PM, a Morelia volunteer examined my violation of Angelica's privacy.
- (5) 2:20 PM, a Glasgow volunteer examined my particular brand of misogynist ideology. (Or plagiarism?) (The second.)
- (6) 2:55 PM, an Alaska volunteer examined my delusions about my women victims' going after me.
- (7) 3:23 PM, a Woodbridge, New Jersey, volunteer examined my particular brand of misogynist ideology. (The third.)
- (8) 4:59 PM, a Pleasant Hill volunteer examined my harassment of Dr Brizendine by blogging about her.
- (9) 5:18 PM, a Holy Apostle College volunteer examined the delusions I had spilled out about brain chips on Prison Planet Forum.
- (10) 7:01 PM, a Missouri volunteer examined my delusions about Obama.
- (11) 7:13 PM, an Illinois volunteer examined my delusions about my women victims' going after me.
- (12) 2:41 AM, a University of Glasgow volunteer examined my particular brand of misogynist ideology. (The fourth.)
- (13) 3:40 AM, a Lucknow volunteer also examined my particular brand of misogynist ideology. (The fifth.)
- (14) 3:48 AM, the Ansan volunteer discovered my two latest blog posts.

In addition, there was of course plenty of brainstorming about (1) my plagiarism; (2) my naked picture of Angelica (7 times!); (3) my harassment of Shizuka; (4) my harassment of my family members; and (5) my computer-hacking.

**17 February (Tuesday; severe headache and sleepiness)**

*First, a note about myself.* Slept around 5 AM. MST (Lena Nicole). Searched for her online, discovering that she seemed to be living in Lake Elsinore. Woke up 12 PM, not enough sleep. Kept on sleeping. Then got up 3 PM. Okay. Storage, put in DVD-437 and 440. **2 N.** Then, back to downtown. At the Metro station, saw an older WF begging for money. Strange, because such a scene could only be seen in Europe (Gypsies or Muslims) but hardly ever in America. Is the control center producing evidence on the immigration problem in Europe? (*Bullshit.*) At Famima. Read an article in *The Economist*, 14/02/15 – 20/02/15, on how the world's economic growth is once again dependent on American consumers. Got very upset. Not just because this American world where consumption is all that matters is truly strangling me, but also because I was reminded once again that I appeared to speak only the opposite of reality – like everybody else. Namely, I keep speaking about the “Macrospherian plan” to break up the world order, while, in the real world, there is no sign at all that the world is about to be broken up. The world simply continues like before, with America in the center sucking in all the brains and products fed to it by the rest of the world. Everybody must be laughing at me. Immediately understood what Wes meant by “preferring the clock which is always wrong.” I've been set up to speak about BOL's plan for the future before its implementation has ever begun so that I may look like everybody else: always believing the opposite of reality to be reality. My problem is that I have not been cognizant enough of the fact that the “Macrospherian plan” has not yet begun implementation, is in the mind of only a tiny minority of “revolutionaries” in Russia, the US, and maybe Germany, is therefore not known to most of the important people in the world, and therefore can only make me look stupid when I talk about it. I'm the victim of the ICJ procedure: i.e. an ingenious idea has to be regarded by everybody as laughable and stupid in order for the ICJ to pronounce a judgment demanding its implementation through the reversal of a “terrorist conspiracy”. (*I was mostly correct here – except for the fact that the “minority of revolutionaries” was even smaller than I had imagined: just the Invisible Hand and BOL, really.*)

Then, on the bus going toward SM. Read SWP's report on Russia's latest military doctrine. Suddenly felt very sleepy. SM Library, a little past 8 PM. Checked out *Homicide Special*. Now started suffering severe headache and sleepiness. Nevertheless: **12 N, 4 B.** Then, Starbucks, Westwood. Left at midnight, due to severe headache. Tried to collect damages anyway. An AWF nurse was standing by the original target area, so that I was diverted to PSYCH on SM/ SWTL. **1 shattered. Then, at PSYCH: 1 W (8<sup>th</sup>).** Probably caught in camera. **Then, 2 H.** On the bus going home by 1:25 AM. A Hispanic guy wearing earphones soon appeared to get on the bus with me. Believed he was sent here by Veronica. Home, so sleepy that I immediately went to bed.

*(The Russians, Homeland Security CO chief, and the Secret Society women were probably counting on my collection of damages tonight. As you have seen, the Secret Society women had most likely already contacted the owner at PSYCH, GSLTR, back in 4 December. They sent in a surveillance agent to watch over me tonight as I got on the bus probably because, when GSLTR shall report the matter to the police tomorrow, Homeland Security would be there to confirm for the detective that it was indeed me who had broken the xxxxxx. This would be evidence to enable the Russian diplomatic service to continue the debate about me in the international diplomatic community and give the Secret Society women more reason to petition the NCTC authority. Most importantly, it would help Homeland Security CO chief lock up the previous ICJ trial for the time being.)*

Again, the user-agent is identical to the Oakland volunteer's (11 February) and the Denver volunteer's (31 January). My delusion about my women victims' going after me. Especially my latest post, "Update...": "Look, he has developed more delusions about our going after him. And he talks about committing crimes on his blog!" Note that, while at least half of what I had theorized here was erroneous, the Invisible Hand would later on make sure to have the Secret Society women play out precisely what I had erroneously said they did here ("Look, we've got this ICJ trial...").

*Now, SDW was out around this time – until past 3 PM. As she noted in her “First Responder Harassment Log, February 2015”:*

1037 am – Passed by SD Sheriff Dept. patrol car on Hwy 101 South at Chesterfield. (Cardiff By the Sea)

101 pm – Red Encinitas Lifeguard pickup truck parked South of Beacon's Beach as I walk North. Both doors open, lifeguard standing next to truck talking to a couple. Baby sea lion suddenly comes towards me on the sand. Lifeguard/ couple suddenly shake hands and depart opposite ways as soon as I pass them. (Encinitas)

2 pm – Passed red Encinitas lifeguard truck parked North of Beacon's as I walk South. 2 – 3 lifeguards walking around near water – both truck doors left open. Truck #2387 (Leucadia)

237 pm – Passed by Carlsbad PD patrol car at Hwy. 101 South and Tamarack. (Carlsbad)

248 pm – Passed by Oceanside Fire Dept. red ambulance on South Coast Hwy. at Leonard. (Oceanside)

307 pm – Carlsbad PD patrol car syncs exiting parking lot onto Hwy. 101 South right before I pass at Palomar Airport Rd. (Carlsbad)”

Thus, she was out from at least 10:30 AM to 3:30 PM. It's not clear what she was doing from 10:30 AM to 12:30 PM, but from 1 to 2 PM she was merely taking her usual walk on the beach. Then, from 2:30 to 3:30 PM, as she shall note later, she was running errands in Oceanside.

*Now, a note about SDW.* 3 PM or so, she suffered a near accident after running errands in Oceanside.

This incident is especially noteworthy because it illustrates just how deluded she was. As you can see in the video, the man clearly had no idea what she was talking about, and yet she was absolutely convinced that he did it on purpose as part of the “community gang-stalking” enterprise against her.

3:14 PM,

<sup>12</sup> According to a much later trace.

Now, let's summarize. As you have seen, it would seem that the Secret Society women were able to obtain another hearing with the NCTC authority today.

- (1) 5:24 AM, a French volunteer examined my particular brand of misogynist ideology.
- (2) 6:01 AM, the Dallas volunteer examined my delusions about my women victims' going after me.
- (3) 6:34 AM, a Polish volunteer examined my delusions about being chipped in the brain.

Some time after 7 AM (or 10 AM in Washington DC), the Secret Society women were connected with the NCTC authority. They emphasized to him that my particular brand of misogynist ideology which had motivated me to conduct hate crimes against white women – all the testimonies they had collected yesterday and early morning today – did qualify me as a terrorist: “He has a terrorist manifesto, and he acts on it!” Then the women would focus on my delusions about their going after me as the next reason why the Homeland Security warning about me must be regarded as valid:

- (4) 7:29 AM, an Iowa volunteer reported on my delusions about the Secret Society women's going after me.
- (5) 8:16 AM, the Somerville volunteer reported on my delusions about the Secret Society women's going after me (as seen in my latest crazy blog post).
- (6) 8:20 AM, the Val-d'or volunteer reported on my delusions about the Secret Society women's going after me (as seen in my postings on Prison Planet Forum).
- (7) 8:23 AM, the Tampa volunteer reported on “My experience...” (What? My delusion about being gone after by Homeland Security?)
- (8) 9:40 AM, the Fayetteville volunteer reported again on my particular brand of misogynist ideology.

Once again, all these efforts had come to naught: the NCTC authority refused to validate the Homeland Security warning about me. The Secret Society women were back to the drawing board.

- (9) 7:33 PM, a San Francisco volunteer examined my delusions about the Secret Society women's going after me. (“Why didn't our reports work?”)
- (10) 7:52 PM, a Los Angeles volunteer examined how my delusions about being chipped in the brain prompted me to be a danger to people. (“Perhaps we need to emphasize that he's a danger to people.”)
- (11) 8:31 PM, a Brooklyn volunteer examined my delusions about the Secret Society women's going after me.
- (12) 11:19 PM, did an Opera Mini volunteer examine my delusions about the control center?
- (13) 11:38 PM, was another Indian volunteer examining my particular brand of misogynist ideology?
- (14) 3:17 AM, the Meknès volunteer examined my delusions about Boss Cheney.
- (15) 3:46 AM, a German volunteer examined my delusions about Boss Cheney – did Homeland Security CO chief manage to get the Boss' family to complain about me again?

Now, because the NCTC authority's dismissal had again become unfavorable evidence in the ICJ, Homeland Security CO chief instructed the Monkey to control me to break GSLTR's xxxxxx again while he had his surveillance agent watch over me. GSLTR's complaint to the police tomorrow would

become temporary evidence in the ICJ to enable him to lock up the previous ICJ trial for the time being.

There was today of course also plenty of reporting about my plagiarism, and a little bit about my computer-hacking, harassment of Shizuka, and “naked picture” of Angelica (2 times).

### **18 February (Wednesday; targeted; required to collect damages)**

*First, a note about myself.* Woke up 6 AM, or so, and took sleeping pills. Allowed to fall asleep again. Woke up past 12 PM. Watched Dr Veith's lecture on Ruth, and then rested more. Then, TNT. Downloaded more videos, especially a Hebrew documentary on the Islamicization of Europe. Then, targeted: as I was about to post my new reflections on Russia's soft-power development on my blog, another Asian male came in to cause me severe discomfort. Immediately left, and reflected on the purpose of the episode. But my recorder had just run out of batteries, so that I was for a moment talking to the air only. This caused severe anger and severe discomfort, and one was thus motivated to collect damages tonight. (*Homeland Security CO chief needed me to do so.*) Burger: read *Homicide Special*. Felt better, and came home. MST (brunet bunny). Then posted the new reflections on my blog. Almost 7 PM, set out for Draw Anything LA Meetup, at Yellow House this time (234 S. Oxford). Kelly was not here. Emiko was. Rebecca too. I made the mistake of choosing to sit with Rebecca instead of Emiko. Rebecca was sitting in front of a very ugly, Homeland Security-looking guy, chatting with him, and having very little interest in me. Toward the end, felt increasingly angry. (Mostly because this was a bad location.) Clearly, my stalking victims had made their request to the control center asking the Feminist Lawyer or whoever was inside to program me to collect damages tonight. (*It was just Homeland Security CO chief.*) Rode the bus to Westwood. Starbucks. Worked until 1 AM. Then left for PRMNDE for collection. Total: **7 N, 3 W (1 small; real estate: 2<sup>nd</sup>; PRK: 3<sup>rd</sup>), 3 B.** Done by 2:30 AM. On the bus going home, and another Hispanic male wearing earphones came to sit next to me causing me severe discomfort. Required to collect more damages tomorrow. (*Thus Homeland Security CO chief had obtained more evidence of my “terrorism”. Was that his surveillance agent in any case?*)

Now the Secret Society women's operation on my website for today. 4:19 AM,

My delusion about being chipped in the brain.

Let's summarize. We have to assume that, this morning, the Secret Society women, accompanied by members from their community vigilante group, took GSLTR to the police to make a report about my vandalism – by which Homeland Security CO chief and the Russian diplomatic mission were able to obtain some temporary evidence to lock up the previous ICJ trial for the time being. Although this was some progress, the women would continue to brainstorm how to prove to any authority that Homeland Security was all right about me:

- (1) 5:10 AM, the New Jersey volunteer examined my misogynist ideology and/or my plagiarism. (The first.)
- (2) 7:16 AM, the Netherlands volunteer examined my misogynist ideology and/or my plagiarism. (The second.)
- (3) 9:19 AM, the Phoenix volunteer examined my delusions about my women victims' going after me.
- (4) 11 AM, the Meknès volunteer examined my delusions about Boss Cheney again.
- (5) 2:37 PM, a UK volunteer examined my delusions about Khalezov. (The first.)
- (6) 2:52 PM, a San Francisco volunteer examined my delusions about my women victims' going after me.
- (7) 3:14 PM, the Danvers volunteer examined my delusions about being chipped in the brain.
- (8) 5:16 PM, the Craiova, Romania, volunteer examined my delusions about my women victims' going after me (Prison Planet Forum).
- (9) 6:59 PM, the Hawaii volunteer examined my delusions about being chipped in the brain.
- (10) 8:34 PM, the Charlotte volunteer examined my misogynist ideology and/or plagiarism. (The third.)
- (11) 8:52 PM, the Secaucus volunteer examined my delusions about Khalezov. (The second.)
- (12) 9:47 PM, the Colorado Springs volunteer examined my delusions about being chipped in the brain.
- (13) 9:56 PM, the Secaucus volunteer examined the rest of my "delusions".

(14) 2:18 AM, the Pune volunteer examined my misogynist ideology and/or plagiarism. (The fourth.)

Then, of course, plenty of brainstorming about my plagiarism, my computer-hacking, my naked picture of Angelica (2 times), and my harassment of Shizuka. In addition to GSLTR's police report, the Russian diplomatic service also obtained more evidence of my obsession with Russia (hence my intent to harm Russia's First Daughter) when I posted on my blog more reflections on how to develop Russia's soft power.

### 19 February (Thursday)

*First, a note about myself.* MST: Japanese. Imagined Taiwanese. Slept past 5 AM, while watching videos on the newly burned DVD-439. Couldn't concentrate, thinking about Russia's complete lack of "foundation". Woke up before noon. Tried to sleep more. Allowed. Woke up past 2 PM. TNT, very upset that I was manipulated to make a fool out of myself with my soft-power speculations, and posted a new post on my blog (*the blog post you see for today: "The art of making something good look like something bad"*). Then, going to Home Depot, and reading Klein's article on Russia's Asia policy. Bought nails and spray, then home, to use the restroom. The old Korean man yelled at me. Then, going to the French meetup. Note that both Thibault and the other guy had Belgian connections. T also brought her French fiancée. Somewhat pleasant, nothing suspicious. Nails on 26<sup>th</sup>: **10 N, 3 B, 4 H.** Then, Starbucks, Westwood. Mood dampened, thinking that the previous attempts at resistance (remarking on Kiersten's actions around surveillance agents) were probably just traps. While on the bus saw the most beautiful WF, who claimed she was from Turkey. Then discovered that I forgot to bring my AC charger. Not too upset. Worked until midnight. Out of battery, ready to leave. Saw the same Turkish beauty outside Starbucks, with two other women and two guys. Asked the guys where they were from, one of them very rude. Went home.

Now the Secret Society women's operation on my website for today. 4:22 – 4:23 AM,

My computer-hacking.

Let's summarize. During the first half of the day the Secret Society women continued to mobilize their volunteers to brainstorm how to prove to any authority that Homeland Security was right about me.

- (1) 5 AM, a New York state volunteer examined my delusions about Obama.
- (2) 5:58 AM, a Palestine volunteer examined my delusions about my women victims' going after me.
- (3) 7:10 AM, an Australia volunteer examined my delusions about my women victims' going after me.
- (4) 8:49 AM, a Louisiana volunteer examined my harassment of Dr Brizendine.
- (5) 9:04 AM, a Kean College volunteer examined my particular brand of misogynist ideology.
- (6) 9:07 AM, a US volunteer examined my delusions about my women victims' going after me.
- (7) 9:13 AM, a Swiss volunteer examined my violation of Prof. Swielande's intellectual property rights.
- (8) 9:33 AM, a Queens volunteer examined the front page of my website. What?

- (9) 10:23 AM, an Iranian volunteer examined my harassment of SDW by posting my messages to her on my blog.
- (10) 12:33 PM, a Swedish volunteer examined my stalking and harassment of Ekaterina's family members.
- (11) 1:18 PM, an Astoria, New York, volunteer examined my delusions about President Obama.
- (12) 6:58 PM, a St. Petersburg, Florida, volunteer examined my misogynist ideology and/or my plagiarism?
- (13) 7:44 PM, a Thailand volunteer examined my delusions about President Obama.
- (14) 9:18 PM, Gabi (?) discovered my latest blog post.

It would seem that, by now, the Russian diplomatic mission had got hold of the Secret Society women again. Given GSLTR's police report yesterday, they wanted to try again to revive Homeland Security's warning about me among the world's diplomatic services. They wanted the Secret Society women to post more evidence on the Secret Facebook Group to confirm that Homeland Security was all right about me. This time they wanted evidence that I was indeed a frequent violator of intellectual property rights.

- (15) 9:49 PM, the Secret Society women posted the Audacity Manual from my website on the Secret Facebook Group.
- (16) 12:46 AM, the Secret Society women posted Catherine Nay's chapter from my website on the Secret Facebook Group.
- (17) 1:25 AM, a Nigerian volunteer examined again my particular brand of misogynist ideology.
- (18) 1:28 AM, did Homeland Security CO chief instruct an Opera Mini volunteer to do a strange search in order to be able to intercept some temporary evidence with which to lock up the previous ICJ trial?
- (19) 1:40 AM, the Secret Society women posted my chapter on relativity on the Secret Facebook Group as evidence of my plagiarism.
- (20) 3:46 AM, did the MSS instruct Xiuxiu to also complain about my chapter to the Chinese diplomatic service?

There was of course plenty of examination of (1) my plagiarism (including a physicist from India's Bhabha Atomic Research Center); (2) my violation of my family members' privacy; (3) my harassment of Shizuka; (4) my computer-hacking; and (5) my naked picture of Angelica (3 times, including a Thailand volunteer who came three times throughout the day).

## **20 February (Friday)**

*First, a note about myself.* Woke up almost 11 AM. Not enough sleep. Tried to rest more. Couldn't. My mind filled with thoughts about whether the "dark side" of male sexuality (fetish; domination) exists in every male or only in a minority of them. (Martin Luther King and Clinton.) Got up 12:30 PM because one had to decide whether to go to the Linux Expo. At TNT. An ugly white guy wearing earphones and standing in the distance caused me severe discomfort. Motivated to collect damages. After seeing how it's not really worth the while to attend the Consejo German meetup tomorrow night, decided to go for the Linux Expo. Then discovered that one's phone was disabled again. Assumed that the AT&T

network was down. Hurriedly got on the bus to go to Westwood, very upset. While on the bus, began to worry that, perhaps, the Republicans' distorted advertisement of Kiersten's scandal would itself become another scandal which would become the second blow which shall definitively break up the world-order. This caused me tremendous worry because it might mean that I'd have to be victimized by the Republicans after being victimized by Kiersten's gang. I'm simply too tired of being a victim nonstop. But then thought that, perhaps, my program for Russia's soft-power development might have convinced the Republicans that resistance only makes things worse, in which case the break-up of the world-order might happen gradually – at which point somebody honked outside the bus. Wasn't entirely convinced, however. (*As you can see, the Monkey was again controlling me to develop wrong scenarios so that I could look crazy. The only question was whether the Invisible Hand would eventually make something out of all this bullshit.*)

In Westwood, and one's phone was still not working. Went inside the AT&T store. The employee simply took the battery out and put it back in, and the phone was working again. Left a message for Wes. Ackerman. Ate, and then slept a little. Went downstairs, and took notes on books. Developed further understanding of BOL's plan (?): the living standard around the world must drop simultaneously in all countries, otherwise the one country where it does not decline will become the most attractive. BOL would want the Bohemian way of life to become the norm in the next generation, since it is focused less on consumption and more on having fun, etc. (*Was all this really BOL's program which the Invisible Hand would eventually adopt, with modifications, for his own purpose?*) Became deeply worried that the Republicans are going to cheat: export me abroad to advocate "less consumption" while making sure that living standard doesn't decline in the US. (*Worthless bullshit.*)

Starbucks, Westwood. Depressed over the desert condition. Then, chickens. Stride-2009. Suddenly, Wes called on 9:14 PM. Talked for a long time. Afterwards, mood softened. Worked until 1:30 AM. Decided to collect minor damages nearby: **1 W, 3 N, 3 H, 1 B**. On the bus going home by 2:45 AM.

*Highlights of my conversation with Wes today (from 2:11:10 onward):* (1) My program for the development of Russia's soft-power was not quite implementable given Russia's "right-turn", but I changed it so that it could now be implementable. (2) It was the Republicans who had remotely controlled me to come up with the program because they wanted to liberalize the Republican Party. (3) The way the computer in the control center worked: it would go along with you but then, in the last moment, it would suddenly change course. (The "cunning of Reason".) Hence: the more you resist, the more it would come true. Resistance is not only futile, but would actually make things worse. (4) I have overestimated the Russian people. Russia was going right because going right is the logical response when you are weak and feel threatened. Now my program actually looked like BOL's program. And so Russia would continue to go right, but, in the end, the right turn would look more and more left. (5) How BOL really liked my Thermodynamic Interpretation of History, how she wanted Russia and Germany to cooperate to create this movement, like the Comintern, but based on a thermodynamic interpretation of history, with the basic goal of deconstructing consumerism. I would be "Engels II". Then, how BOL wanted to make use of Chris Knight's idea of "sex strike", how she wanted the same thing to be simultaneously implemented in the US, but then wanted to make use of the Schroeder gang in Germany to accomplish the objective of distancing Europe from the US. "But Merkel might have

also been turned.” The pre-Merkel gang will cooperate with Russia to make Europe neutral, and all nations will implement this ‘new New Left’ movement based on a thermodynamic interpretation of history and New Feminism. (Siren.) (6) What the CIA wanted to do about the Republicans: just to remove the neocons. The Republicans will thus look paleoconservative again. They would also undo the alignment between the bureaucrats in the national security Establishment and the political parties. (7) In the end, every nation will look kind of the same, just like in Orwell’s *1984*. Everyone will carry out BOL’s plan without being commanded to do so, and the plan will be implemented simply as the result of everyone trying to maximize his or her own interest. (*Right!*) “Right now this plan sounds crazy and delusional, but that’s how the procedure works: I have to say something crazy, so that the authority can then adopt it as a good idea.” (*I was right on target here!*) “I won’t be liberated until I have figured out the entirety of BOL’s plan, for the entire new future world has to be born from my delusions.” (*Right!*) And I went on and on about how I was sick and tired of always having to conform to some disgusting profile. (*Right!*)

*(Again, my speculations here might have indeed captured the general spirit of BOL’s program, which, when the Invisible Hand shall have won his bet with BOL, he would adopt with modifications for his own purpose. The Invisible Hand would also make sure that his program would indeed be implemented with everyone merely trying to maximize his or her own interest – without anyone being told to do anything.)*

(8) I was now working on the reconstruction of 30 May last year: whatever I happened to be writing about had also to happen in real life. So, since I was about to write about 1 June when I met SDW for the third time, maybe that meant that, on the day when I would be writing about this, the Feminist Lawyer would come out of the control center to rescue me. “Within two weeks I’ll be doing 1 June! And so I might be rescued withing two weeks!” (9) The reason why I was tortured was to produce the brain scam images for the previous ICJ trial – even though nobody cared about the previous ICJ trial anymore. (*I couldn’t be further from the truth.*) How the official story in the previous ICJ trial would be reconstructed to revolve around the relationship between Wes and Lavonne – how some of my brain scan images would be used to reconstruct Wes’, and some, Lavonne’s: an imaginary story constructed with real people’s brain scan images. “Even though it’s a fiction that no one cares about, it’s so important, for it is only when it is held together that the revolutionary minority would get to carry out their plan!” (Siren.) The (fictional) story about Wes and Lavonne would thus become the foundation of the new world. (10) How, since I had recovered from my illness, the control center didn’t require me to commit as much crimes as before. How I was under intense surveillance lately, especially when I was writing something: it might be that the authority needed proof that I didn’t plagiarize to debunk the Secret Society women’s stories about me. (*It’s more likely the case that the Invisible Hand had instructed law enforcement to conduct surveillance on me while I wrote so that there could be evidence to debunk the Homeland Security warning about me among the world’s diplomatic missions.*) That image of a street-walking guru under surveillance for leftwing subversive activity is just so disgusting! “In the end I have to say that I don’t really know why I have to commit crimes... anyone who goes inside the control center will see that my schedule has already been laid out... that the computer has already determined what crimes I’ll commit tomorrow before I have even decided it myself... freewill is just an illusion...” (*I was right on target here!*) (11) What if there were really chips planted inside the

Tsernaev brothers' brains? "Even if they de-chip you, you'll have already looked somewhat like the disgusting profile to which you were remotely controlled to conform." (12) How the control center had increased my sex drive lately and caused me to gawk at pretty women. "They didn't say anything because I looked kind of retarded so that they gave me more leeway." (13) My proverb: "Living in America is like gawking at a pretty married woman." (Very entertaining, but there is no future in it.) (14) How the Secret Society women had also recruited the women in these videos I used to masturbate. (*Completely wrong.*) (15) Whether other men had as shallow a perception of women as I did, and whether if I had sex regularly I would rid myself of this shallow perception of women.

*(We can be sure that it's because the debate about me had flared up again within the diplomatic circles that the Invisible Hand instructed Wes to call me – knowing I would spill out all my speculations about BOL's program. The Invisible Hand would once again argue that, given the coherent and logical structure of my speculations, these were not real "delusions" even if there was no reality in them (at least for now). The same with my misconception about the previous ICJ trial. Then, my correct understanding that I was under intense surveillance lately the Invisible Hand would again present as evidence that I was not really delusional at all.)*

How I kept developing delusions about famous people, presently Boss Cheney, by engulfing them in conspiracy theories which I had read online?

Let's sum up. Because the Russian diplomatic service was able to revive the Homeland Security warning about me in the diplomatic circle last night, the Secret Society women immediately set about mobilizing volunteers this morning to report my website (presumably to the Russian diplomatic service themselves).

(1) 6:21 AM, the Stamford, Connecticut, volunteer reported on how my delusions about being mind-controlled prompted me to be a danger to people.

(2) 8:19 AM, an Indian volunteer reported on my particular brand of misogynist ideology and/or plagiarism.

- (3) 1:30 PM, a London volunteer reported on my – delusions about Khalezov?
- (4) 2:27 PM, a Spain volunteer reported on my delusions about the chips inside my brain.
- (5) 2:51 PM, an Odessa, Texas, volunteer reported on my stalking and harassment of Ekaterina and her family members.
- (6) 6:22 PM, an Austin, Texas, volunteer reported on my stalking and harassment of Ekaterina and her family members.
- (7) 8:59 PM, a Victoria, British Columbia, volunteer reported on my harassment of Angelica by posting her naked pictures on my website.

Then, 9:14 PM, Wes called me – the Russians knew this was bad news: while the Russians were again taking my speculations about BOL's program for my schizophrenic delusions, the CIA were arguing again that these were not true delusions. The Russians thus asked the Secret Society women to supply more testimonies demonstrating that I was *really* deluded. (But also more about my harassment of women.)

- (7) 10:30 PM, an Indian volunteer reported on my delusions about being chipped in the brain.
- (8) 11:29 PM, an Athens volunteer reported on my harassment of Anja.
- (9) 2:56 AM, another volunteer reported on my harassment of SDW.
- (10) 3:59 AM, the Meknès volunteer reported on how I kept entangling famous politicians (here Boss Cheney) in bizarre conspiracy theories.

What is not noted above is of course the fact that the Secret Society women, during the morning, had a particular focus on reporting my plagiarism (probably following upon last night's "essential evidences"). There were also two other visits to Angelica's "naked picture": today volunteers had reported me for harassing Angelica, Ekaterina, Anja, SDW, and Shizuka. (But since Shizuka was a law enforcement mole, any reports about my harassment of her must have achieved just the opposite effect.)

## **21 February (Saturday, SCALE)**

*First, a note about myself.* MST (brunet bunny). Overly conscious of the control enter. Slept almost 7 AM, while watching "Winterreise in Russland". Woke up 12:30 PM. Needed to wake up early in order to go to SCALE, but rested until past 1:30 PM. Hurriedly got up, Coffee Bean, and headed to the 7<sup>th</sup> Street Metro station. Thought: First, I was like "Jesus" becoming "man". Second, I was like John Nash (again). On my way to Hilton, still reading Marcel de Haas' "Moscow's threat from the East". Gradually understood the reason for the occasional conflicts between Russia and China. Arrived at Hilton a little past 4 PM. Generally enjoyed it, nothing suspicious, save that, at one point, one of the Linux meetup organizers showed up with earphones dangling from his chest. 7:50 PM, was also not able to stream the recordings from my website at Hilton. Past 9 PM, a nice game with a couple from San Jose. Left around 11:30 PM. Took bus 3 to Venice Beach. Some collection from midnight onward: **9 N, 10 H, 3 B, 1 W (construction)**. On bus 4 going home on 1:45 AM. Near Home, **2 B (EVRST)**.

Now the Secret Society women's operation on my website for today. 4:04 AM,

Was this person a volunteer for the Secret Society women?

11:30 AM, this “Joe C” posted a critical comment under my Youtube video (“Looking for microchips...”).

Was this “Joe C” another Homeland Security troll? Namely, given the unfavorable evidence which the CIA had entered into the ICJ last night showing me to not be insane, Homeland Security CO chief and the Russians might need to intercept some temporary evidence into the ICJ at this moment to lock up the previous ICJ trial for the time being.

This volunteer was quite particular since he used Ubuntu. A friend of the LUG buddies? In any case, he was most likely instructed by Homeland Security CO chief to forge evidence to frame me for harassing Angelica with my delusions about her going after me – all because of the unfavorable evidence which the CIA had entered into the ICJ last night.

He was doing this clearly because, last night, the CIA's evidence also included the fraud which Angelica and so on had perpetrated so that her (and the Secret Society women's) victim status was now in doubt. To salvage the Homeland Security warning about me both in the international diplomatic circles and in the ICJ, the Secret Society women needed me to confess something about my intention to harass them and so on. We have seen such attempts many times before, but, as usual, the volunteer had no means to even log in.

Just like the Palm Springs volunteer, here to brainstorm how to prove to any authority that Homeland Security was right about me.

11:30 PM, DeDe called me, but I didn't answer. She left a message saying there was a TI living in Koreatown who could give me a ride to tomorrow's meeting. Given the current impasse they were facing, it's very likely that it was the Secret Society women (SDW in particular) who had instructed DeDe to set me up with this TI who would then spy on me and try to lure out some damaging confessions from me (such as the Department of Veterans Affairs volunteer couldn't do earlier).

Now, let's sum up. The evidence which the CIA had collected last night was so devastating – not only that I wasn't insane, but also that Angelica and so on had perpetrated fraud in order to pretend to be my victims – that the Russian diplomatic service and Homeland Security CO chief immediately instructed the women gang this morning to mobilize their volunteers to brainstorm how to prove that Homeland Security was all right about me.

- (1) 5:58 AM, a Malaysia volunteer reported on my delusions about President Obama.
- (2) 6:28 AM, a Brighton, UK, volunteer examined my violation of Dr Brizendine's intellectual property rights.
- (3) 8:03 AM, a Dresden volunteer reported on my delusions about my women victims' going after me.
- (4) 8:36 AM, a Livonia, Michigan, volunteer reported on my delusions about my women victims' going after me.
- (5) 11:30 AM, did Homeland Security CO chief instruct "Joe C" to produce evidence about my stupid video for the ICJ?
- (6) 12:04 PM, a Bakersfield volunteer examined my stalking and harassment of Ekaterina.
- (7) 12:21 – 12:27 PM, did Homeland Security CO chief instruct a Dallas, Texas, volunteer to forge evidence to frame me for harassing Angelica with my delusions?
- (8) 1:49 PM, a US volunteer examined my delusions about being chipped in the brain.
- (9) 2:15 – 3:40 PM, a Department of Veterans Affairs volunteer was sent in to brainstorm how to prove that I had stalked my women victims and so on and to befriend me as a way to lure damaging confessions out of me.
- (10) 3:42 PM, a Brooklyn volunteer examined my particular brand of misogynist ideology.
- (11) 5:40 PM, a German volunteer examined my Nicaragua videos.
- (12) 5:53 PM, an Irish volunteer examined my particular brand of misogynist ideology.
- (13) 6:10 – 6:17 PM, a Wellington, UK, volunteer examined again my stalking and harassment of Ekaterina.
- (14) 6:40 PM, a UK volunteer examined my delusions about Snowden on Prison Planet Forum.
- (15) 7:02 – 7:10 PM, a Palm Springs volunteer thoroughly examined my website and blog and my postings on Prison Planet Forum while brainstorming for solutions.
- (16) 7:47 PM, a California volunteer examined my delusions about my women victims' going after me.
- (17) 8:42 – 8:57 PM, an Indian volunteer examined my delusions about being chipped in the brain.
- (18) 9:20 PM, a Thailand volunteer examined the front page of my website.
- (19) 10:15 PM, the Secret Society women posted Index3v.pdf on the Secret Facebook Group as another "essential evidence".
- (20) 11:25 PM, a LUG buddy (?) searched for my name and examined my website and blog in order to brainstorm for solutions.
- (21) 11:30 PM, did SDW instruct DeDe to set me up with a TI as a way to lure damaging confessions out of me?

(22) 1:51 AM, a Texas volunteer examined my particular brand of misogynist ideology and/or plagiarism.

It should also be noted that, to prove that Homeland Security was right about me, the Secret Society women's volunteers had a particular focus this morning on my computer-hacking, and that Shizuka was particularly active this morning as well. There was of course plenty of reporting about (1) my naked picture of Angelica (7 times), (2) my plagiarism, and (3) my harassment of my family members.

## 22 February (Sunday)

*First, a note about myself.* Slept almost 6 AM, and then woke up slightly on 8:30 AM. If I wanted to make it to Klön Talk, I would need to leave then. But too sleepy. Gave up going. Slept until 12:30 PM or so. Then lay around until 2 PM. TNT, and discovered that there was no French in Mind tonight either. Burger. Just then realized that BOL wanted Russia to be the leader of the eastern camp (overcoming China's discontent) because China's complete dependency on Russia for energy supplies would also provide incentive for China to get out of its entirely hydrocarbon-based economy. Such was BOL's plan: as all the nations are given incentive to reduce hydrocarbon energy consumption, New Feminism from the grass-root level will then teach citizens to get out of their hydrocarbon-based consumer life style. Thus will human civilization avoid its fate of collapse. (*This really wasn't such a spectacular insight: was I in any case producing more details of BOL's plan only so that the Invisible Hand could then adopt part of them later on for his own purpose?*) It was raining, and so went home first. Had been feeling itchy for two months, and so rested, and then showered. In the meantime discovered "vloggingblonde". Thought that such must be the Macrospherian "Ekaterina plan": Since it's highly likely that the rightwing elements of the Republican Party will demonize Ekaterina in the United States in the coming advertisement of Kiersten's scandal, she and her Korean boyfriend, to defend their innocence, will film their daily living and put all the videos on their own Youtube channel (or the like) just like "vloggingblonde" and her boyfriend are doing here. The Korean people will then see how wonderful a person Ekaterina really is, and she and her boyfriend will use the opportunity to establish themselves as the role models for the "New Way" and to prepare for her boyfriend's eventual election as South Korea's new president. (From then on, the "Korea Plan".) (*Could this really be BOL's original intention?*)

Also downloaded more videos about Gerhard Schroeder. Then, decided to go to Novel Café. Around 8:35 PM, was staying at the doughnut shop at Vermont and Venice, and a Hispanic male wearing earphones came in. Severe anger: are my stalking victims requiring me to college damages again? (*Most likely, this was just a surveillance agent sent in by Homeland Security and their Russian partners.*) Arrived at Novel around 10 PM. 10:53 PM, Firefox froze up. Wi-Fi on and off for the whole night. Worked until 1:20 AM. Only one somewhat pretty AWF to gawk at in the whole coffeehouse. Collected damages nearby: **1 W, 4 N, 2 B, 3 H (WLJN)**. At the Korean restaurant near home by 3 AM.

*I would also note down in my diary today my current wrong understanding of the Secret Society women's operation:* The visits today continue to suggest that my stalking victims are getting very frustrated because the authority they are reporting to have made no actions to take down my website,

Kiersten's Vengeance, 33  
Lawrence C. Chin  
Dec. 2021 – Feb. 2022

etc., in this way corresponding to the situation of 30 and 31 May last year, which I am currently reconstructing. (The replacement of evidences.) Those that are frustrated: SDW, Angelica, and Kiersten. (*Bullshit: the Secret Society women were indeed frustrated, but not in the way I had thought.*)

Let's sum up: just another day that the Secret Society women spent brainstorming with their volunteers as to how to prove that Homeland Security was right about me after the CIA's devastating evidence.

- (1) 5:34 AM, a UK volunteer examined my violation of Dr Brizendine's intellectual property rights.
- (2) 7:05 AM, a Baldwin Park volunteer examined the delusional state of my mind.
- (3) 8:16 AM, a Munich volunteer examined my delusion about Russia.
- (4) 9:33 AM, a Texas volunteer examined my delusion about being chipped in the brain.
- (5) 1:08 PM, the same Freilassing volunteer came to examine my Nicaragua videos again.
- (6) 2:18 PM, a Woodstock volunteer examined "My experience..." or my delusion about being gone after by intelligence agencies.
- (7) 3:27 PM, an Erie, Pennsylvania, volunteer examined my harassment of Kiersten by blogging about her.

- (8) 9:01 PM, an Arlington, Texas, volunteer examined my harassment of SDW by posting my messages to her online.
- (9) 11:20 PM, a Tel Aviv volunteer examined how my delusions about being mind-controlled prompted me to be a danger to people.
- (10) 11:38 PM, another Tel Aviv volunteer examined my violation of Dr Brizendine's intellectual property rights.
- (11) 11:52 PM, did an Ethiopian volunteer examine my delusions about Boss Cheney?
- (12) 2:05 AM, a Cucamonga volunteer examined my gallery.
- (13) 2:57 AM, a Saudi volunteer examined my delusions about my women victims' going after me. (Something to do with a Twitter account.)

There was of course also plenty of brainstorming about my naked picture of Angelica (2 times), my harassment of Shizuka, and my plagiarism.

### **23 February (Monday)**

*First, a note about myself.* MST (“Karin”, some sort of European woman? Found on Youtube: “MILF”). Slept around 5 AM. Woke up around 2 PM. Did laundry. Then, Starbucks, and then the Russian language meetup. Monika, Matt, and Irina all there. Igor showed up later. A new Jewish Russian guy showed up. He specifically mentioned “martial art”. Left around 10 PM. Collection in INDNA: **8 N, 3 B, 1 SPC**. More Ns left behind. Then came to SPOT.

Checked the log. By 2 AM, Internet Explorer broke down. Logged into Bluehost using Firefox. By 2:15 AM, Firefox broke down as well. It became impossible to check my visitors' log. Some anger, and some pain. It seems that, out of frustration, my stalking victims have requested the control center to program me to resume collecting damages (W). Home. Youtube froze up on Asus, and then on Samsung, and then on Toshiba. Provoked to severe discomfort. Again, the control center wants me to collect damages (W). MST (“Karin” again). (*It was just Homeland Security CO chief and the Russians who jointly wanted me to resume breaking xxxxxxxx.*)

Now the Secret Society women's operation on my website for today. 4:13 AM,

This is presumably the same Ansan volunteer again.

Now let's sum up. Just another day that the Secret Society women spent mobilizing their volunteers to brainstorm how to prove that Homeland Security was right about me after the CIA's devastating evidence:

- (1) 7:47 AM, a UK volunteer examined "Ying and Yang, II" (my delusion about Angelica?).
- (2) 7:53 – 8:03 AM, a Phoenix volunteer examined my harassment of SDW by posting my messages to her on my blog.

---

<sup>47</sup> According to a much later trace.

- (3) 8:43 AM, an Opera Mini volunteer examined my delusion about being chipped in the brain.
- (4) 9:46 AM, a UK volunteer examined my harassment of Dr Brizendine by posting her picture on my blog and violating her intellectual property rights.
- (5) 11:19 AM, another Opera Mini volunteer examined my misogynist ideology and/or plagiarism.
- (6) 1 PM, a Los Angeles volunteer examined how my "Index" should have proved that I indeed kept mistaking the visits to my website for the Secret Society women's due to my schizophrenia.
- (7) 2:43 PM, a Camp Pendleton volunteer examined my harassment of Anja by posting her portrait on my website.
- (8) 4:58 PM, an Amsterdam proxy volunteer examined my delusions about my women victims' going after me.
- (9) 6:46 PM, a Seoul volunteer Googled for the front page of my website ("ICJ")
- (10) 8:02 PM, a Belfast volunteer examined my delusions about being chipped in the brain.
- (11) 8:38 PM, the Morehead University volunteer posted one of the hacker images on the Secret Facebook Group as part of the "essential evidence" (that I was indeed a computer-hacker).
- (12) 10:45 PM, a Michigan volunteer examined my delusions about my women victims' involvement in some government conspiracy to go after me.
- (13) 10:52 PM, the same Ansan volunteer came to examine my delusion about my women victims' involvement in some government conspiracy to go after me.
- (14) 11:07 PM, a Las Vegas volunteer examine my harassment of Kiersten by attributing strangers' messages to me to her (?)
- (15) 12:27 AM, an Elizabeth, New Jersey, volunteer examined my harassment of Kiersten by posting her message to me on my website.
- (16) 1:17 AM, a Hyderabad volunteer examined my delusion about being chipped in the brain.

To prove that she was indeed my victim, Angelica had also instructed volunteers to take special interest in my "naked picture of her" (8 times). There was then plenty of brainstorming about my harassment of Shizuka, my computer-hacking, and my plagiarism.

Finally, this note. I had supposedly posted following on my blog today, and yet I could not find it in my archive. Did I delete it?<sup>48</sup>

"I have been looking for a reason why, as [the] antagonism between the United States and Russia intensifies into a Cold War situation and China (presumably) stays further away from the US and inside Russia's 'Eastern Camp', Russia should be chosen as the leader in this camp. Any of my personal reasons should of course be eliminated from such considerations. Instead, I have tried to imagine why, if so, [BOL] would have chosen Russia as the leader here. Two reasons at first come to my mind: (1) this ICJ trial is mostly Russia's legacy. (The CIA aside.) (2) it's Russia which is in possession of the most essential characteristic ('potential', though not 'actuality') of a superpower nation, i.e., a vast reservoir of raw materials and hydrocarbon energy, more than for its own use – this, even though China is by now more economically, socially, and culturally developed than Russia. Russia has more 'potential'. Then [BOL] must have a third, more important reason.

---

48 I would eventually incorporate part of the reflections here within the Appendix of "The Birth of a Mission", D, which I would finish writing within a week or so.

“We have read about how, although China and Russia have decided to form a strategic partnership since 2000 because their common ‘enemy’, the United States, surpasses them each in power by a huge margin, China and Russia have nonetheless been struggling for power against each other within the two principal forums in which they implement their strategic partnership, the SCO and the BRICS. This is a sorrowful situation, for this again demonstrates that the United States surpasses Russia and China in virtually every domain, even in the domain of friendship with allies: there is no similar struggle for power (or over leadership) either in the United States’ alliance system in Asian Pacific nor in NATO. There is something which we must consider here, something psychological, i.e., a nation’s expectation of itself. We know from our personal experience that everybody forms his or her expectation of him- or herself – and thus his or her life-goals – based on what s/he has had before or what others around him or her have at the present, not based on (or in comparison with) what others in other countries or in other epochs have or had. Nations are the same. I suppose that the Russian ruling elites are so concerned with gaining for Russia an influence in world’s affairs befitting a superpower nation because they have come to expect such thing for Russia given – when they recall to their mind – the fact that such power and influence is what Russia (as the USSR) used to have. It’s because Russia used to have such prestige and power in the world that, currently, the Russian elites urgently expect Russia to be better than its current condition of disrepair and weakness and formulate a goal for Russia to become a superpower again. Thailand does not expect itself to become a superpower and does not strive for such goal because – it has never been such in the past. In the SCO and the BRICS, thus, Russia [has] tried to assert a leadership position. Conflicts then arise because, even though these forums are formed with a solid, common goal – preventing the world’s unipolarization around the United States – China, and presumably soon India, have also the same expectation of itself as Russia does. Chinese leadership must have expected China to be a superpower as well since China has always, from time to time, been such in the past of world history – a glorious civilization. The Chinese leadership’s expectation must be all the more urgent, causing them to run into collision with the Russian elites, in view of the fact that China has already surpassed Russia in economic prowess. And, as India develops itself, it will soon expect itself in the same way, thus running into collision, not just with China, but also with Russia. For India too also has a glorious, thousand-year civilizational history behind it. With all these struggles for power, how, then, can the SCO and the BRICS alliance possibly be as effective as NATO and so on? (Presumably, India will eventually become more than an observer in the SCO.) Here, then, lies the pitfall of what we shall call the ‘traditional style of international politics’, and we shall here propose a ‘new style’ of international politics.

“The ‘old style’ is characterized by striving to gain what one desires from the other party without regard for the expectation of that other party. The ‘new style’, on the other hand, is characterized by taking careful account of the other party’s expectation of itself and its position in the world and trying to accommodate that expectation while striving to gain what oneself wants from that other party.”

Again, we must wonder whether the Invisible Hand was going to make something out of this reflection of mine.

**Today I also made a tally of all the damages I had collected since 1 February: SW: 1; W: 24; B: 61; H: 47; SPC: 7; N: 165; mirror: 1.**

**24 February (Tuesday; torture resumed late at night; required to commit crimes)**

*First, a note about myself.* Woke up past 2 PM. Played more of Jet-Li's movies on Youtube. TNT. Originally planned to go to the SM library, but, after checking with Goethe Institute, decided to see the movie there, "Wir sind König". Arrived at the Museum Square early, around 5 PM. While checking the log, became angry over all the delusional materials I was required to write. (Especially, all the stuff about Snowden and SWS.) Forgot to take money out of the ATM. Again angry. Wrote (31.07.2009). Then went inside Goethe Institute to watch the movie. Some pretty German girls. Didn't see how it's possible to get them to become indignant over my stalking victims' victimization of me. After the movie, wondered what the control center's purpose might be in programming me to see this movie. Some nails. Then Starbucks, Westwood, from 10:30 PM onward.

Checked the log from 11:45 PM onward. Microsoft Paint continually malfunctioned from midnight onward. By 12:28 AM, it had completely broken down. Not allowed to take screenshots. Physical pain. Required to collect damages. Then, after 12:30 AM, the Internet was cut off, Microsoft Word malfunctioned, and all the pages went blank. All that was written on this diary couldn't be seen. Not allowed to check the visits between 4 and 6:25 PM. Physical pain, required to collect damages. After writing these down, was then allowed to check the visits, Paint had recovered its function, and the diary could be seen again. Left to collect damages, 12:40 AM. At SM/ 20<sup>th</sup>. **8 B, 8 N, 1 W, 1 SPC, 3 H.** On bus 4 coming back around 2 AM. Feeling increasingly angry and disappointed since it's now evident that the replacement of evidences will continue still for a very long time. (*In reality, there was no replacement of evidence! That was to come only years later!*) Must resign to the resumption of "insurgency warfare" as the only meaning in life. At Vermont, **3 B.** Went home with severe headache. Immediately went to bed, while watching "Bourne Legacy". (*At least the Russians and Homeland Security CO chief had more evidence of my crime spree tonight to show to the diplomatic services from around the world tomorrow morning.*)

Now the Secret Society women's operation on my website for today. 4:11 AM,

Now, let's sum up. It's the fourth day that the Secret Society women brainstormed with their volunteers as to how to prove that Homeland Security was right about me in view of the CIA's devastating evidence.

(1) 5:31 AM, a Raleigh, North Carolina, volunteer examined my delusions about Khalezov.

- (2) 5:50 AM, a New York volunteer examined my delusions about my women victims' going after me.
- (3) 6:52 AM, an Augsburg, Germany, volunteer examined my harassment of Dr Brizendine.
- (4) 7:42 AM, a South Carolina volunteer examined my misogynist ideology and/ or plagiarism.
- (5) 8:59 AM, a volunteer from US Army examined my delusions about Snowden and/ or Sentient World Simulation.
- (6) 10:43 AM, another Department of Veterans Affairs volunteer came to examine my harassment of Anja.
- (7) 12:56 PM, a Jersey City volunteer examined my delusion about being chipped in the brain.
- (8) 1:08 PM, an Italian volunteer examined my harassment of SDW by posting my messages to her on my blog.
- (9) 2:04 PM, a Purdue University volunteer examined my delusion about Snowden and/ or Sentient World Simulation.
- (10) 5:54 PM, an Ubuntu volunteer searched for my August 2013 log.
- (11) 6:25 PM, another Hawaiian volunteer examined my misogynist ideology.
- (12) 8:31 PM, a Michigan volunteer examined my delusions about my women victims' going after me.
- (13) 10:44 PM, a Portland, Oregon, volunteer examined my delusions about my women victims' going after me.
- (14) 3:26 AM, a Finnish volunteer examined my violation of Dr Brizendine's intellectual property rights.

There continued to be a focus on Angelica's "naked picture" (8 times, including an Oslo volunteer) – probably because the CIA's evidence had, again, specifically proved that she was lying about me. Then, of course, my harassment of Shizuka (4 times) and my plagiarism (including one volunteer from Northrup Grumman and another one from the Australian Department of Defense). The Secret Society women seemed today to also have a particular focus on my supposed plagiarism of my theory on linear perspective.

## 25 February (Wednesday)

*First, a note about myself.* Woke up 11:30 AM. Took more sleeping pills. For a moment suffered severe derealization: how crazy my blog postings are and how "weird" the Macrospherians must have considered me (unsociable). All this is because I have been forced into a pigeonhole mood through social isolation. ("Pigeonholing" is the condition which both SDW and I have in common: it makes her develop the delusion of being gang-stalked and it makes me commit crimes.) Again, not feeling so indignant about being manipulated and enslaved by the Macrospherians (if only through others) when seeing that I'm not as superior to others as I think I'm. Fell asleep again. Woke up 4 PM. Starbucks near Normandie, bought new discs, ate, and then went home. Realized the current shape of my situation, as seen in my latest blog post. Set out again for Draw Anything LA Meetup. There from 7:30 to 9:30 PM. Was forced to sit in front of Rebecca and the guy who looked like a Homeland Security agent. Left, and came to the Starbucks in Vermont/ Prospect. Left 11:30 PM. Toward the end, got really angry because of Eric Lafayette's email (about my "No Show"). Union ST, for collection. Bad turn-out, few cars. **8 N (including 1 taxi, 1 police car, and 1 bus). 3 B (2 at LWLB), and 1 H (Law). 1 ATM.** Ate at IHOP before going home.

Let's sum up. It's the fifth day that the Secret Society women had spent mobilizing volunteers to brainstorm how to prove that Homeland Security was all right about me and that they were really my victims.

- (1) 4:35 AM, a French volunteer examined my delusions about my women victims' going after me as part of some government conspiracy.
- (2) 7:21 AM, a Citadel volunteer looked up the front page. What?
- (3) 9:51 AM, a Melbourne volunteer examined my delusions about the chips inside my brain.
- (4) 10:32 AM, another Miami volunteer examined my delusions about the chips inside my brain.
- (5) 11:17 AM, a Jackson, Mississippi, volunteer examined the links I had left behind on SDW's blog (the extent of my obsession with her).
- (6) 2:35 PM, a North Carolina volunteer examined my harassment of Kiersten by blogging about her (?).
- (7) 2:59 PM, an Escondido volunteer examined my delusions about my women victims' going after me.
- (8) 4:05 PM, a Pasco volunteer examined my harassment of the ICAACT people by blogging about them.
- (9) 4:18 PM, a Vancouver volunteer examined the delusions I had spilled out on Prison Planet Forum about being chipped in the brain and so on.
- (10) 4:43 PM, an Oakland volunteer examined my harassment of Anja by posting her portrait on my website without her consent.
- (11) 6:25 PM, a Fallbrook volunteer examined my September Diary (evidence of my dangerously delusional mind).

You can see that, so far, the Secret Society women were concentrating on (1) how I was incurably mentally ill and (2) how they were really my victims. Then, they were going to make some special effort with three volunteer:

(12) 7:09 – 7:38 PM, a Honolulu volunteer looked up the evidences of my horrifying delusions about the Secret Society women and did something to lock them up (my diaries and "Kiersten's Vengeance"); then an Australian volunteer consolidated the evidences of my delusions about there being chips planted in my brain; and finally a Spain volunteer collected evidence of my harassment of Karin by posting videos of my drawing her on my website.

As shall be seen. The Secret Society women had obtained another hearing with the NCTC authority tomorrow and so they instructed these three special volunteers to prepare the necessary evidences. Then:

- (13) 8:09 PM, a Macon, Georgia, volunteer was also doing something with my website from my Nicaragua videos.
- (14) 9:34 PM, a London volunteer examined my delusions about my women victims' going after me.
- (15) 11:09 PM, another Philippines volunteer examined my violation of Dr Brizendine's intellectual property rights.
- (16) 11:59 PM, a Wynnewood, Pennsylvania, volunteer examined my delusions about Khalezov.

- (17) 1:06 AM, a West End, Australia, volunteer examined my delusions about Boss Cheney.  
(18) 3:39 AM, did Russian law enforcement examine again my delusions about my women victims' going after me? (In preparation for tomorrow's hearing?)

There was of course plenty of examination of my computer-hacking, my "naked picture of Angelica" (4 times), my harassment of Shizuka (2 times), and my plagiarism.

## 26 February (Thursday; targeted)

*First, a note about myself.* MST (the AWF filmed on 26 May in Pasadena; however, first turned on by Hitomi Furusaki). Began realizing that the Secret Society women had found a new authority to complain to (a feminist organization and international human rights committee?) since 20 February. (*Wrong.*) Past 6 AM, slept, while watching "Bourne Legacy". For the whole time wondering if it would be like that to run away with the Feminist Lawyer. Didn't fall asleep until the movie ended, almost 9 AM. Woke up a little after noon. Feeling okay, however. TNT. Spent a long time trying to figure out whether my stalking victims had made changes to the files in the folder they had scanned last night (WebDAV). It was very confusing because the PDFs of my writings that were downloaded using IE had different hash values. It turns out that IE would add one byte to the document during download. Then, was severely angered by Derrick's reply. Severe physical pain on and off until 7:30 PM. (Mostly over SDW's bizarre way of interpreting her unprovoked attacks on others as victimization by others.) Required to collect damages. Went to Kinkos in downtown to make sure that it's IE which had caused the problems, and that my stalking victims didn't make changes to my files. Then, 6:30 PM, on bus 92 going to Stammtisch. Tried to calm down when the meetup people began showing up. There was Soheila (Turkish German), a very pretty WF. Then Yolana and her husband showed up. Showed Yolana my artworks on her phone. Left around 10:20 PM. Began collecting damages: **12 N (including later ones)**. Then rode bus 4 to Westwood. Stopped by Kinkos to charge my laptop. Checked the log there. Became convinced that Yolana was wearing a wire for my stalking victims. (*Probably not.*) Thus, Yolana's episode repeats the 1 June 2014 meeting with SDW, who was wearing a wire then. (*Completely wrong.*) And just began reconstructing this episode yesterday! Left 1:30 AM. Wanted to collect in SM, but bus 4 didn't come for a while. Walked to SM/ SWTL: **5 H, 3 mirrors, 2 B (PSYCHOANALYSIS), 2 W (MUISC, 2<sup>nd</sup>)**. On the bus going home after 3:30 AM.

Now the Secret Society women's operation on my website for today. 4:15 AM,

Again, I simply failed to understand that it's not simply SDW who had turned the entire TI community against me, but Homeland Security CO chief – with his warning to everyone here that, due to my schizophrenia, I mistakenly believed I was targeted and that I then acted on my delusions by joining the TI community.

Ellicott City is on the left side of Baltimore, right above Elkridge. Could this be the Baltimore Lawyer? (The iPad we saw on 20 October last year which we thought might belong to her was 5.1.1, and keep in mind that the Baltimore Lawyer was a Yahoo person.)

We can thus hypothesize: because the avenue to the world's diplomatic missions was closed, the Russians and Homeland Security CO chief had since yesterday instructed the Secret Society women to appeal to the NCTC authority again. At issue was of course my grave insanity (which made me a danger to people) and whether the Secret Society women were really my victims. 11:15 AM, as the Baltimore Lawyer was ready to depart to Washington DC with all the evidences from yesterday demonstrating that I did develop horrifying delusions about my women victims' going after me as part of some government conspiracy, Shizuka asked her to add in her case as well. The Baltimore Lawyer looked up Shizuka's portrait and didn't know this was a trap: Shizuka was a law enforcement informant and she would soon report to the NCTC authority behind everyone's back pointing out how this group of women were committing fraud again.

3:55 PM, I replied Derrick – still guided by my wrong scenario:

---

<sup>71</sup> Again, because Derrick had seen the Homeland Security warning about me – describing me as ridiculously believing I was targeted and chipped due to my schizophrenia and acting on my schizophrenic delusions by seeking out fellow TIs – he never had any interest in my “targeting” while, because he wasn't quite educated, he had never quite noticed that most of the TIs he met were fake. Derrick lived in the opposite of reality, taking the real for the fake and the fake for the real, so that it's really pointless to talk to him at all.

Now, let's summarize. As noted, today the Secret Society women, per the instruction of the Russian diplomatic mission and Homeland Security CO chief, decided to try again with the NCTC authority.

- (1) 7:38 AM, an Oklahoma volunteer examined my delusions about being chipped in the brain.
- (2) 8:15 AM, as the Baltimore Lawyer was ready to depart, she considered Shizuka's case – not knowing Shizuka was going to screw her up behind her back.
- (3) 8:35 AM, a Mesa, Arizona, volunteer looked up my earliest blog posts. Perhaps in preparation for reporting to the NCTC authority.

From 10 AM onward, the meeting with the NCTC authority should be in progress. Soon volunteers started calling in to report:

- (4) 11:02 AM, a Salt Lake City volunteer reported on my violation of Angelica's privacy. ("She really is his victim!")
- (5) 11:45 AM, a University of Laval volunteer reported on my violation of my family members' privacy. ("He even stalked his own family members!")
- (6) 12:17 PM, a Dudley, North Carolina, volunteer reported on my particular brand of misogynist ideology which had prompted me to conduct hate crimes against white women.

However, as expected, the NCTC authority rejected the Secret Society women's appeal saying the Homeland Security warning about me couldn't be honored. From 2 PM onward, the Secret Society women were thus back to brainstorming with their volunteers. For the rest of the day, they considered: how I did plagiarize my theory on linear perspective, harbor delusions about the chips inside my brain, hack people's computers, violate my family members' privacy, and paint Angelica nude.

(7) 9:22 PM, the Russian law enforcement, having heard the bad news, showed up too.

(8) 10:40 PM, the Russian law enforcement again.

## 27 February (Friday)

*First, a note about myself.* Slept around 5 AM, watching "Serge wagt Kazakhstan...". Woke up 11 AM. Took two more sleeping pills. Slept until 4 PM. TNT, then Western/ Hollywood. Chinese fast food. Home Depot. Arrived at Sabor almost 8 PM. Already left two messages for Wes. He will not call back tonight. Feeling increasingly distraught. The control center had turned off my sex drive today, little attraction to AWFs. Around 10 PM, preliminary collection on Franklin. H at the Secret Garden. A white guy saw me from afar, and he went to check on Garden. (*Was this a Homeland Security operation?*) Ran up to Los Feliz. There to resume collection. **12 N**. Then, stopped by Starbucks, Vermont/ Prospect, to finish checking my log. Then, on the Metro going to PSDN, arriving around 12:30 AM. **7 H, 2 W (LRNCLLA, 4<sup>th</sup>), 7 B**. It soon began raining. Had to cut short. Came back to the Metro station by 1:50 AM. Began suspecting that Green Street (where collection happened) was lined up with surveillance cameras. Returned to downtown around 2:30 AM. By this time, the control center has programmed me to feel once more severe hatred for xxxxxxxxx, on account of the fact that, as for those Americans who wish to exterminate me, I can never touch them because they are all protected by the "system". Will be thinking all night, "This sexist and racist society...", probably to achieve identity with my stalking victims. Began dreaming about forming my own anti-xxxxxxx hate group again. (*Actually, it was just Homeland Security CO chief who, because his star witnesses' case with the NCTC authority had failed again, needed me to do more damages and shout more anti-American slogans.*) Severe physical pain. Thus, more collection: **7 N, 1 ATM**. Stopped because at least 3 Asians ran over the nails. In IHOP by 3:20 AM.

Now the Secret Society women's operation on my website for today. 4:12 AM,

This is what we think was going on. While everybody else was brainstorming, Homeland Security CO chief and their Russian friends of course needed temporary evidence in the ICJ to lock up the previous ICJ trial for the time being – especially since the NCTC authority's decision yesterday had again become unfavorable evidence for them over there. Homeland Security CO chief thus instructed this Milan volunteer to link up my chapter from a secret Facebook page so that, when faulty surveillance should intercept it into the ICJ, it would be evidence that I was again showing off the stuff I had plagiarized in my attempt to pretend to be intellectual.

My plagiarism? My particular brand of misogynist ideology?

11:31 PM, I finished posting on my blog "The resumption of insurgency warfare". Again, Homeland Security CO chief wanted me to post this both in order to enable the Secret Society women to have something more to report about and so that he could intercept some temporary evidence into the ICJ.<sup>77</sup>

11:35 PM, this again – merely 4 minutes after I had posted it:

---

<sup>76</sup> According to a current trace.

<sup>77</sup> While whatever I said about Kiersten and her companions in this new blog post was for Homeland Security and the Secret Society women again evidence of my delusions about them, much of what I said was in fact true: the Secret Society women were going after me because they didn't know what else to do with their life and Homeland Security was going after me because these worthless minorities and peoples of color didn't want to lose their lucrative job.

My computer-hacking. (Again, the special task assigned to the “Turkish Group”.)

Let's summarize. Given the failure yesterday, the Secret Society women spent the whole day today  
brainstorming how to prove that Homeland Security was right about me (that I did victimize them). Of  
special note:

- (1) 8:35 AM, Homeland Security CO chief instructed a Milan volunteer to link up ancestorcult.html from a secret Facebook page. (Temporary evidence in the ICJ.)
- (2) 9:29 AM, a Vermont volunteer examined my harassment of Dr Brizendine by blogging about her and violating her intellectual property rights.
- (3) 9:53 AM, a Gumligen volunteer examined how I did develop bizarre delusions about my women victims' going after me as part of some government conspiracy.
- (4) 10:19 AM, a Wembley volunteer examined how I did develop bizarre delusions about my women victims' going after me as part of some government conspiracy.
- (5) 1:11 PM, did Russian law enforcement show up again?
- (6) 2:50 PM, the Secret Society women posted more "essential evidence" on the Secret Facebook Group (my obsession with Karin and delusional mind).

Then, from 3 to 4 PM, the Secret Society women were working especially with (7) a West Babylon volunteer (producing evidence of my violation of intellectual property laws), (8) a SUNY Stony Brook volunteer (to produce hard evidence that I did hack people's computers), (9) a North Dakota volunteer (my delusions about being gone after by Homeland Security and so on), and (10) the Lincoln Center volunteer (?) (that I did plagiarize).

- (11) 4:44 PM, did SDW instruct a Glasgow volunteer to search for my blog? (My delusion about being gang-stalked.)
- (12) 5:09 PM, the Secret Society women linked up another "essential evidence" from the Secret Facebook Group. (My delusion about being chipped in the brain.)
- (13) 5:17 PM, a Netherlands volunteer examined my harassment of Eva Briegel.
- (14) 6:52 PM, a Little Falls, New York, volunteer examined "my" posting of my delusions about brain chips in the Chinese Internet domain.
- (15) 8:52 PM, the Secret Society women got a physicist from Raja Ramanna Center for Advanced Technology in India to make a false report about my plagiarism.
- (16) 9:20 PM, a TOR volunteer examined my delusions about my women victims' going after me as part of some government conspiracy.
- (17) 9:55 PM, a Thailand volunteer examined the delusions I had spilled out on Peace Pink about being mind-controlled and so on.
- (18) 9:58 PM, a Czechia volunteer examined my harassment of Kiersten by posting her message to me on my blog.
- (19) 11:19 PM, a Sierra Madre volunteer examined my misogynist ideology and/ or plagiarism.
- (20) 2:42 AM, the Gumligen volunteer again.

There was of course plenty of brainstorming about my violation of my family members' privacy, my hacking of people's computers, and how I did paint Angelica nude (4 times), harass Shizuka (2 times), and – above all – plagiarize or violate intellectual property laws. Meanwhile, Homeland Security CO chief not only got me to post "The resumption of insurgency warfare" on my blog but also succeeded in remotely controlling me to decide to continue with my vandalism spree.

## 28 February (Saturday; Wes)

*First, a note about myself.* Home. Forgotten to buy sleeping pills. Still full of energy. Worked on the reconstruction, finishing up the episode of 31 May 2014. Uploaded the new version of “Kiersten V” onto my website (including the new reconstructions up to 31 May). Burned DVD-442 (videos). Then watched “Bourne Legacy” again, while fixing all the errors and screenshots in “Kiersten V”. Then checked the log. Already past 10 AM. Out, and ate and read (Klein). Then, Walgreens, to buy sleeping pills. Home by noon. Finally, took pills and fell asleep. Woke up past 5 PM. After 6 PM, at the Korean/Chinese restaurant near home. Called Wes. He answered the call. About SDW’s underdeveloped brain. Mood much calmer after the conversation. Raining. Home to get umbrella. Then, Hollywood and Vine. Starbucks. Checked the log, and wrote. Then, got increasingly upset: (1) Only one electrical outlet was working, and two black guys were using it. (2) Upset over programmed memory loss and vague mind: specifically, couldn’t remember the term “Joint Chiefs of Staff”. Had to say “General Staff” during the conversation with Wes. It’s due to control center-programmed memory loss that most of my oral communication was incoherent, which made me sound crazy, and which made my writings look plagiarized (for how could this incoherent guy write such good essays, etc.?). Had to go to the Metro station to charge my laptop. Very angry. Some collection: **3 N, 2 B**. Then, came to King King, around 12:30 AM. The crazy AWF who was flirting with me the last time I was here (November? December?) was here again. She flirted with me again. It was increasingly likely that she was sent here by the Secret Society women. (*Probably not.*) She claimed her name was “Norma”. She asked for my name too (“Larry”). Toward the end, became upset, reflecting back on the “lost time” (from late 2013 to the first half of 2014). Left the club, almost 4 AM. Collection nearby. Total: **7 B, 5 H, 2 W (Boys and Girls, 2<sup>nd</sup>)**. The Ws weren’t dramatic enough, and so did not feel healed afterwards. “Red” had damaged xxxxxx. At “Structure” (Healing Center), couldn’t W. Came to the Metro station (Vine) around 5:20 AM.

*Highlights of my conversation with Wes today (from 6:00 onward):* (1) The Secret Society women were reporting me to a different authority. (*Wrong.*) (2) I had to think the US racist and sexist yesterday in order to establish my identity with the Secret Society women. (*Really?*) (3) When the control center/the Secret Society women wanted me to commit crimes, they would make me think of a reason to do so, but my reason for committing crimes was not the real reason, for only their reason was the real reason. (*Right!*) (4) The pain which the control center caused me had something to do with the Monkey’s forgery or Homeland Security CO chief’s forgery in imitation of the Monkey. (*Not quite right.*) (5) I had started reconstructing the happening on 1 June last year, in the hope that something like that might happen soon. My conclusion was that SDW was wearing a wire on that day, but law enforcement had also accessed the surveillance, so that, on 2 June, law enforcement dismissed the case. I was mistaken about the way what I was writing had to be repeated in real life at the same time: I reconstructed the episode on Wednesday night; then, on Thursday night, at Stammtisch, this same couple showed up wearing a wire (the guy from Chile and the girl from Germany). And that’s how the episode was repeated. (*From 17:00 onward, strange buzz sounds.*) So I got sad, knowing that the trial would last longer than I thought. At least 3 more weeks. So that had become my new reason for committing crimes. (*In fact, the trial would last more than 7 more years!*) (6) Karin had changed side: she was now working as an informant for the government. (*Wrong! Although this would happen later.*)

(7) I made more empty threats on Wednesday, but the Secret Society women were so powerful that there was no way I could touch them; I could only attack their fellow citizens as substitutes. Thus I was encouraged to form my own anti-xxxxxxx hate group, that's how I shall achieve the political purpose which the government had in store for me. How I had got manipulated! Somehow I believed that the government's plan was to cause widespread hatred for Americans around the world. "Hopefully they will also use this insidious method on other people." (*What a bizarre wrong scenario! The Russians' and Homeland Security's evidence of my insanity.*) (8) What happened in early June: that's when the ICJ trial was stalled. The government's plan was originally to get the Secret Society women arrested, but then somebody from the Pentagon changed the plan so that I ended up being the one detained. But this man tried to minimize the damage to me. Thus I could even guess who it was, somebody in the "General Staff" – I couldn't remember how that was called in the US system. (*Wrong! More evidence of my schizophrenia.*) (9) "I couldn't remember anything anymore because the control center requires my mind to be very confused and vague in order to establish my identity with the Secret Society women... I've spent four years trying to become the opposite of what I am... which is a form of torture... BOL's program is to turn everybody else into their opposite too in order to save the world..." (*Maybe.*) (10) The Secret Society women's previous claim seemed to be for the French, and maybe they were now looking for feminist organizations to help them petition international human rights organization. (*Wrong.*) "... by now they should have figured out the futility of their effort and concluded that the whole world is very sexist... the government's purpose is not to let them know why they couldn't get anywhere, so that they will just believe the police are sexist... so that, when they should get arrested, they'll shout 'This is sexist' to the news camera... but the audience would know why and would be shocked... And that's what happened to me in 2009... thus identity between me and them... the US is an expert in making people look bad..." (*Although this was a wrong scenario – will the Invisible Hand make use of it later on?*) (11) "... their brain is underdeveloped and so they have a strange notion of justice... SDW especially... she's very subjective... when you did something to make her uncomfortable, she always assumes that you did it on purpose and have coordinated your effort with other people..." (*Right on target here.*) Wes produced the tomato example. "She has never figured out that other people, and the external reality, might be independent of her... her mind is underdeveloped, but she's not insane... she has never passed through the mirror stage..." (*Right.*) Then I explained why people thought me insane when I was clearly not insane: "... most people don't see the difference between being wrong, being subjective, being underdeveloped, and being insane... these are four different things... my stalking victims don't make as many distinctions... that's BOL's point: most people are bad because they are stupid, not because they are bad..." (*Completely right! But take note of the buzz sounds again.*) Then about how SDW thought I was part of the gang-stalking crew stalking her. "Because her brain is underdeveloped, she has a very strange notion about right and wrong, she thinks the good guy is the bad guy, the bad guy is the good guy... when you collapse certain distinctions, your entire notion of reality would actually become the inverse of reality..." (*Right on target again.*) (12) Then about how I had developed fantasies about the Feminist Lawyer. "You said that if you save her, she'd be yours, and now I thought you were referring to the Feminist Lawyer... In July 2012 the Invisible Hand and BOL found the Feminist Lawyer and thought she had some potential... BOL wants to make Kiersten into Chen Yuanyuan... because of her gang, America is about to lose one third of its empire... but she'd be the inverse of Chen Yuanyuan... Germany wants America to move its bases to Italy... that America lost its empire because of a group of dumb women would be

the legendary version... how Russia was saved because of Double Smile's smile is the legendary version..." (*Would the Invisible Hand make use of any of my wrong scenarios here? Or was I speaking about BOL's plan again?*) And I explained how the saying "One Smile Sinks A Nation" came from. "But the episode where one smile has saved Russia is not yet repeated." (13) Then my final comment about my program for developing Russia's soft-power.

– to be continued.
