

The Secret History of the International Court of Justice

KXXXXXXX'S VENGEANCE

35

RESUME

The following reconstructs the operation of the Secret Society women and Homeland Security CO chief against me from 9 to 17 March, 2015.

A note about my progress with my writing – the root cause of everything. On the morning of 12 March, I would finish “The birth of a mission, D”. This is the last I would do in my reconstruction of the previous ICJ trial before my arrest in May. It's not clear whether the Invisible Hand had planned it this way. For the rest of the time until May, I would concentrate on working on “K's Vengeance” (until mid-June, 2014).

Synopsis:

09.03: the Russian diplomatic mission brought the intercept of my conversation with Wes from yesterday to the international diplomatic community but their case was rejected again. As the Secret Society women brainstormed with their volunteers, ANG continued to struggle with how to prove that my Goddess Athena was a representation of her.

10.03: early morning, the Secret Society women sent in a Korean guy to verify the damage in Koreatown. Then the international diplomatic community continued to refuse to consider the Russian diplomatic mission's claim. The Secret Society women brainstormed with their volunteers for the whole day. From 7 PM onward, the volunteers posted more evidence on the Russian diplomatic mission's secret Facebook group for me. Late night, the women gang continued to mobilize the community to watch over my collection of damages.

11.03: the Secret Society women brainstormed with their volunteers for the whole day. SDW was out for the whole day, from 10 AM to 5:30 PM. After taking a walk in Solana Beach in the morning, she went, 2 PM, to University City to meet with fellow TI Leslie. Late night, the first University of Hawaii volunteer with “asmatpoles.jpg”, and Homeland Security continued to run surveillance on me while I collected my damages. (Law enforcement might be running surveillance on me too in order to continue their debate with Homeland Security.)

12.03: this morning, I finished “The birth of a mission – D”. The Secret Society women brainstormed with their volunteers for the whole day, especially focusing on how to prove to any authority that I did plagiarize. The second University of Hawaii volunteer showed up in the morning.

13.03: the Secret Society women brainstormed with the volunteers for the whole day. Both SDW's Tampa friend (LGL34C) and the Meknès volunteer showed up. Another volunteer posted my letter to Prof. W as evidence on the Russian diplomatic mission's secret Facebook group for me. And, again, a ton of brainstorming about how to report me for plagiarism or violation of intellectual property rights. The community's surveillance on Western/ Hollywood when I was doing my nails (?).

14.03: the Secret Society women continued to brainstorm with the volunteers. **3:40 PM, my conversation with Wes.** Homeland Security and the Russians obtained more evidence about how my delusions had prompted me to petition and commit xxxxxx, and, by night, they instructed the Secret Society women to mobilize the community surveillance again to get me to confess and then watch over my collection of damages. (The volunteers also posted "The Cheney Plan" as evidence on the Russian diplomatic mission's secret Facebook group for me.)

15.03: after the Russians' case was rejected again in the international diplomatic community, the Secret Society women were back to the focus on my delusions about people's being part of some government conspiracy to go after me. They were asked to post more evidence on the Russian diplomatic mission's secret Facebook group for me in order to keep the previous ICJ trial locked up for the time being. Note especially the Washington State volunteer from 9:45 to 10:10 PM. Just before 1 AM, they sent in this black woman to purposely run over my nxxx in order to collect more concrete evidence of my collection of damages.

16.03: during the brainstorming since early morning, the Secret Society women continued to focus on my delusion about their going after me but then switched their attention also to my violation of Dr B's intellectual property rights. Then, in the afternoon, my supposed naked picture of ANG. Then, past midnight, the Wesseling volunteer began examining all of my TIH chapters in order to come up with ideas as to how to convince any authority that I did plagiarize. Also, tonight, a throng of volunteers coming from the University of Hawaii began working on "asmatpoles.jpg" as the ultimate proof of my violation of intellectual property rights.

17.03: more brainstorming about my delusional mind, and the Wesseling volunteer continued his work throughout the morning. Then the volunteers discovered my latest blog post: the latest evidence of my anti-xxxxxxx txxxxxxx. Then more focus on my violation of Dr B's privacy and intellectual property rights. And more volunteers from the University of Hawaii ("asmatpoles.jpg"). Late night, more filming of the nails and the collection at MSTEVE.

9 March (Monday; sleep deprivation)

First, a note about myself. Home. Was going to sleep by 7 AM or so. Watching a video (Ruth) while sleeping. One got, however, increasingly worried over Wes' words in last night's conversation. Got up and posted below. (*The blog post you see for today: "The Secret Society is probably in the last stage of their current operation to take down their 'stalking suspect'." The scenarios in there were of course complete wrong. In particular, the women gang were not*

demanding that I be permanently locked up for blogging about them nor did they have women's organizations ready to work on "generalizing" my case – although these would become their objectives later on, many years later.)

Then, tried to go to bed. Was no longer allowed to sleep. Around 1:30 PM, still not allowed to sleep. Got up and went to eat at Chinese fast food on Vermont. Four Hispanic persons wearing earphones inside. Extremely uncomfortable. Required to commit xxxxxx. Then went to the Starbucks on Vermont to check the log. The girl sitting next to me turned out to be from Kazakhstan. And her sister too. While walking across the street, one was ambushed by a police officer. He insisted on writing me a ticket. The event was obviously staged from the control center: the officer was told where I was going to be and what I was going to do (by my stalking victims, evidently). (*What? Was this really staged? By Homeland Security CO chief? But why would the police listen to him?*) In any case, because, last night, I read SDW's blog (where she described being interrogated by police officers), 10 hours later I would have to be detained by a police officer also. (*I was probably totally wrong about the causation here: there was currently no attempt to establish identity between me and the Secret Society women.*) Then went to Home Depot: bought spray and nails. Came home. Finally, was allowed to sleep. Until 11:30 PM.

Now the Secret Society women's operation on my website for today. 4:33 AM, 99-6-212-155.lightspeed.hstntx.sbcglobal.net, Houston, Texas,*

Let's summarize. This morning the Russian diplomatic mission was expected to bring up the intercept of my conversation with Wes from yesterday to the international diplomatic community as proof that I was indeed insane and a xxxxxxxxx. Meanwhile, the Secret Society women were instructed to mobilize their volunteers to continue to brainstorm. The essentials for today are:

- (01) 4:33 AM, a Houston, Texas, volunteer examined my harassment of Kxxxxxxx by blogging about her.
- (02) 4:38 AM, a Yehud, Israel, volunteer examined my violation of Mellhedek's intellectual property rights. (1)
- (03) 6:50 AM, he came again.
- (04) 7:23 AM, the LGMS500 Los Angeles volunteer examined my "gang-stalking" thread in order to brainstorm. (My delusion about my women victims' going after me.)
- (05) 7:56 AM, a Kansas City (?) volunteer examined my delusion about being chipped in the brain.
- (06) 8:48 AM, a Perth, Australia, volunteer examined **my supposed naked picture of ANG.**
- (07) At the same time: a Madison, Alabama, volunteer examined my delusions about President Obama.
- (08) 9:14 AM, an engineer at Raytheon was called upon to brainstorm how to falsely report me for plagiarism.

9:17 AM, I posted my latest crazy blog post: "The Secret Society is probably in the last stage..."

- (09) 9:49 AM, a volunteer from Pfizer was called upon to brainstorm how to falsely report me for plagiarism.
- (10) 10:08 AM, a Cordoba, Spain, volunteer examined **my supposed naked picture of ANG.**
- (11) 10:29 AM, a Lithuania volunteer examined my delusions about the Russian president and prime minister.
- (12) 10:45 AM, a Mexican volunteer examined **my supposed naked picture of ANG.**
- (13) 11:22 AM, a Sulphur, Louisiana, volunteer discovered my latest blog post: **my delusion about my women victims' going after me.**
- (14) 11:36 AM, a Bronx volunteer examined my delusion about being chipped in the brain.
- (15) 11:39 AM, an Irvine volunteer examined **my harassment of my aunt Jennifer by posting my lawsuit against her online.**

By this time, the international diplomatic community must have rejected the Russian diplomatic mission's claim again. The Secret Society women continued to brainstorm with their volunteers.

- (16) 1:30 PM, **Robin** rejoined the discussion together with an Austrian volunteer.
- (17) 1:44 PM, a Brooklyn volunteer examined my delusional blog posts.
- (18) 1:54 PM, **Shizuka** rejoined the discussion together with a Georgia volunteer.
- (19) 3:04 PM, a Mexican volunteer examined **my supposed naked picture of ANG.**
- (20) 4:12 PM, a San Diego volunteer examined **my supposed naked picture of ANG.**
- (21) 4:23 PM, another Mexican volunteer examined **my supposed naked picture of ANG.**
- (22) 4:50 PM, a Milwaukee volunteer examined **my supposed naked picture of ANG.**
- (23) 5:28 PM, a Houston, Texas, volunteer examined my Nicaragua videos.
- (24) 7:18 PM, **Shizuka** rejoined the discussion together with a Mexican volunteer.
- (25) 8:51 PM, a Charlotte, North Carolina, volunteer examined my violation of Mellhedek's intellectual property rights. (2)
- (26) 9:08 PM, **Jennifer D** rejoined the discussion together with a Missouri volunteer.
- (27) 11:25 PM, a Wyoming volunteer examined **my supposed naked picture of ANG.**
- (28) 12:18 AM, a US-French volunteer examined my particular brand of misogynist ideology (Elementary Structures).
- (29) 12:54 AM, **Jennifer D** rejoined the discussion together with a Colorado volunteer.
- (30) 1:05 AM, a Colombia volunteer examined my harassment of Ekaterina's family members by posting their pictures on my website.
- (31) 3:47 AM, a Florida volunteer examined my insane blog post about "false flag stalking".
- (32) 3:57 AM, a Polish-UK volunteer examined my delusions about being chipped in the brain.
- (33) 4:16 AM, a Thai volunteer examined **my supposed naked picture of ANG.**
- (34) 4:21 AM – did SDW's Tampa friend (SCH-968C) arrive at my delusions about my women victims' going after me through a search for her phone?

As you can see, ANG continued to struggle with how to prove to any authority that my Goddess Athena was a representation of her. (Since today was Monday and she was presumably at home, she had the leisure to ask many volunteers to examine this supposed naked picture of her.)

10 March (Tuesday; severe torture)

First, a note about myself. Woke up 11:30 PM. Tried to sleep more, for the entire day is already ruined. Slept until 1:30 AM. Got up, used the toilet, and wrote. Then, almost 3 AM, out to buy food and use the Internet. (The Internet connection at home was cut off.) The bus already came. Decided not to get on. Denny's: it's closed. Bought food at a gas station. Then programmed to wait at the wrong bus stop (programmed cognitive dysfunction). Mood dampened. Went home instead, and then severe physical pain. Required to break something immediately in Koreatown. **1 W (COLBALT: the only non-Korean entity around). Also 2 B.** Did my stalking victims want me to break something in Koreatown so that they can then send agents to break Korean residents' properties and blame it on me? (*Most likely just wrong speculation to help make myself*

look delusional.) A car (a Korean guy inside) immediately came to verify that it's I who broke it. (*Did the Secret Society women's community vigilante enterprise send him in?*) Felt hurt a little bit. However, had to run for the bus. Both feet still hurt tremendously from excessive physical exertion from committing xxxxxx. On the bus, began writing. Then programmed to ride past my destination (Westwood). Got off the bus on the bridge between Westwood and Brentwood. Physical pain again, especially since I was required again to walk a long distance. Walked back to Westwood. **3 N.** (One taxi, which caused more physical pain.) Came to Starbucks, Westwood, around 5 AM. Severe physical pain lasting long hours. Required to commit xxxxxx later, despite severe physical pain on both feet.

7:33 AM, Microsoft Paint completely malfunctioned. Not allowed to use it. Then the keyboard malfunctioned as well. Motivated to commit xxxxxx. Rebooted the computer. Not allowed to log in, because "g" malfunctioned. Turned it off. Walked to Ackerman. Got burger. Turned on Asus again. Allowed to log in. Wrote a little. Then the keyboard malfunctioned again. Thus stopped writing. Went home. (Surrounded by people wearing earphones, as always.) (*The community's surveillance?*) Home by 11 AM. Worked a little. Went to bed past 12 PM. Allowed to sleep.

Woke up almost 6 PM. Lay around a little bit. Then, out. On bus 20 to Westwood. Now, had to bring my external keyboard (to serve as an additional identification marker?). (*Probably not.*) On Westwood, rode Blue Bus 8 to SM. On the bus, increasingly convinced that many of the residents who were just recruited by the Secret Society women actually knew what was going on (warned by law enforcement). (*Most likely, they had merely been given the Homeland Security warning about me and told about my collection of damages.*) Anti-xxxxxxx hatred was tremendously softened, even though one was still angry over being duped like this. Was thinking whether collection was really a waste of time. But they would hurt me if I don't... However, at PRMND, as soon as I began throwing bottles, a janitor caught me and called the police. He was obviously previously informed by my stalking victims since he accuses me: "It's you always..." I haven't thrown anything in there for a long time, how could he think it's me? (Unless my stalking victims have already sent agents to throw things in there.) Thus Anti-xxxxxxx hatred rekindled: it's not allowed to not hate xxxxxxxx. (*Indeed! That's Homeland Security CO chief's requirement for me.*) The problem: I'll be all alone in hating xxxxxxxx if all the residents were already warned... The Europeans will not blame all xxxxxxxx indiscriminately if all residents were warned.... In any case, motivated: **13 N in total today.** (My stalking victims wanted me to xxxxxx Asians as well, hence at least two Asian drivers.) **3 B. 1 H.** Then, 11 PM, off to Novel Cafe. Worked there until 2 AM. Again, many Asians there. Then, **2 B.** Both times one was seen. And cars drove around to identify me. (*The community's surveillance?*) On bus 33 to CLVRCTY: **3 W, 3 B. 3 SPC. 7 H.** On bus 33 going home by 4 AM.

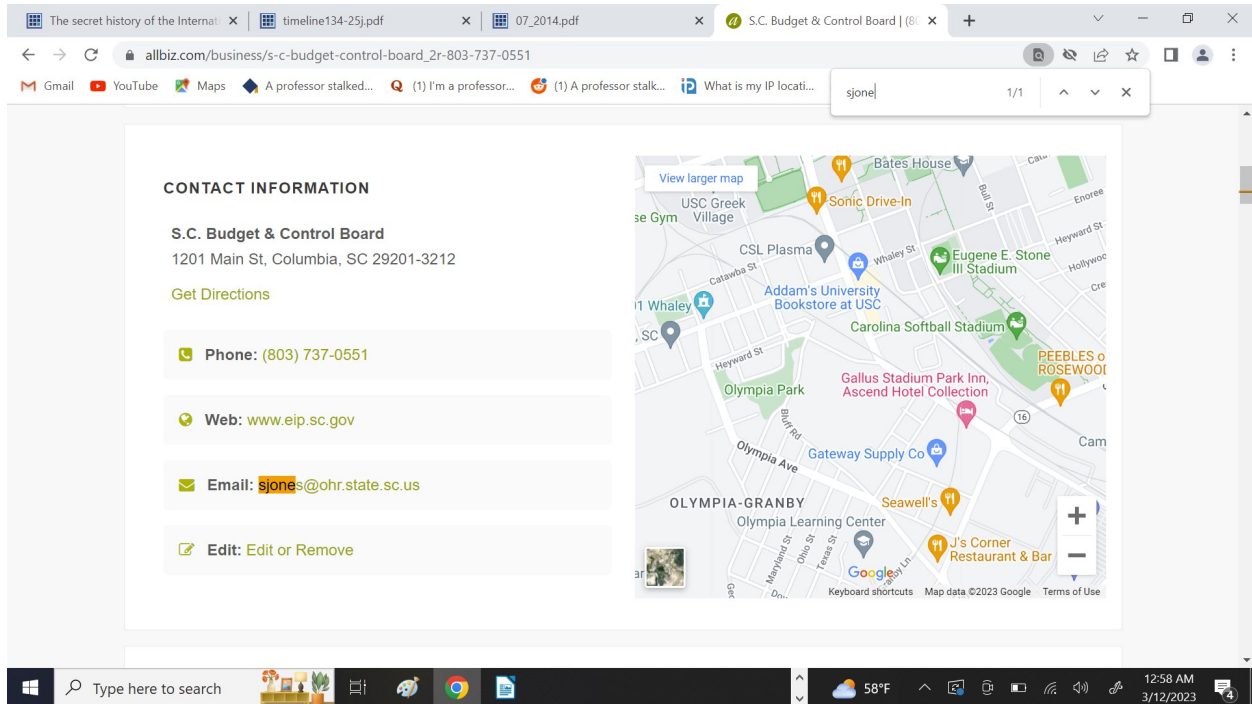

Now the Secret Society women's operation on my website for today. 5:17 AM, sjones.ohr.state.sc.us, Columbia, South Carolina,*

Normally we would say that the search terms are so particular that we can't be sure whether this
was part of the Secret Society women's operation, and yet the location (AAA) was so strange
that we must conclude that it was. But why would anyone be working at an AAA office 12:18
AM in the morning?

Let's summarize. As noted, early this morning the Secret Society women sent in a Korean guy to verify the damage in Koreatown. Then the Secret Society women would be back to brainstorming with their volunteers as to how to prove to any authority that the Homeland Security warning about me was correct.

- (01) 5:17 AM, the Secret Society women called upon an employee at the South Carolina state government's Office of Human Resources.
- (02) 5:31 AM, Russian law enforcement again?
- (03) 5:47 AM, **Shizuka** rejoined the discussion together with a South Korea volunteer.
- (04) 8:24 AM, a Portland, Oregon, volunteer examined my delusion about **my women victims' going after me**.
- (05) 8:28 AM, **Shizuka** rejoined the discussion together with an Indonesian volunteer.
- (06) 8:55 AM – did the Secret Society women call upon **another employee of Amazon?**
- (07) 8:56 AM, **Shizuka** rejoined the discussion together with another Indonesian volunteer.
- (08) 10:17 AM, a Malaysia volunteer examined **my supposed naked picture of ANG**.
- (09) 9:29 AM, **Shizuka** rejoined the discussion together with an Indian volunteer.
- (10) 11:36 AM, a Montreal volunteer examined my violation of Prof. Ménard's intellectual property rights.
- (11) 12:53 PM, an Opera Mini volunteer examined **my picture of Best Mommy**. (“Nanochip brain implant”.)
- (12) 1:48 PM, a UK volunteer examined **my violation of Dr B's intellectual property rights**.
- (13) 2:40 PM, a Brazilian volunteer examined my open letter to **Sibel**. (Did **Sibel** get recruited to join the complaint process?)
- (14) 2:49 AM, a Pennsylvania volunteer examined how my delusions about being mind-controlled had made me a danger to others as well as to myself.
- (15) 4:15 PM, **Shizuka** rejoined the discussion together with a London, Ontario, volunteer.
- (16) 4:41 PM, a Mexican volunteer examined **my supposed naked picture of ANG**.
- (17) 5:15 PM, a Colorado volunteer examined **my violation of Dr B's intellectual property rights**.
- (18) 5:59 PM, a Melbourne volunteer examined **my delusions about my women victims' going after me**.
- (19) 6:29 PM, **SDW's Tampa friend (SCH-S738C)** worked on how to report me for violating intellectual property rights.
- (20) 6:37 PM, the same Woodstock, New York, volunteer from 22 February came to examine “My experience...” again.
- (21) 7:37 PM, a volunteer linked up “Operation Movie-Watching” **from the Russian diplomatic mission's secret Facebook group for me. (1)**
- (22) 7:59 PM, the Secret Society women called upon a **Hong Kong Baptist University volunteer** to brainstorm extensively how to report me for plagiarism.
- (23) 8:24 PM, an Argentina volunteer examined **my supposed naked picture of ANG**.
- (24) 8:32 PM, **Shizuka** rejoined the discussion together with another Indonesian volunteer.
- (25) 9:18 PM – did the Secret Society women call upon an employee at AAA?
- (26) 9:24 PM, a volunteer linked up page 6 of my blog **from the Russian diplomatic mission's secret Facebook group for me. (2)**
- (27) 9:45 PM, a Whole Foods Market volunteer brainstormed how to report me for violating intellectual property rights.
- (28) 10:11 PM, a direcpc volunteer examined **my delusion about my women victims' going after me, especially SDW**.
- (29) 12:16 AM, **the Hong Kong Baptist University volunteer** came again (Foucault).

- (30) 12:56 AM, a Pasadena volunteer examined my opposition paper to my aunt's demurrer.
(31) 1:13 AM, a Jacksonville Beach, Florida, volunteer examined my delusion about being chipped in the brain.
(32) 3:04 AM, another volunteer posted "Poisonous Friends" as evidence **on the Russian diplomatic mission's secret Facebook group for me. (3)**
(33) 3:48 AM, a Pennsylvania volunteer examined my delusion about being chipped in the brain.
(34) 3:54 AM, **Shizuka** rejoined the discussion together with a Singapore volunteer.

As you can see, because the international diplomatic community continued to refuse to consider Homeland Security's warning about me, the Russian diplomatic mission, desperate for some temporary evidence in the ICJ, instructed the volunteers, from 7 PM onward, to post more evidence on their secret Facebook group for me. It would also seem that, desperate to collect more evidence to convince the police and the international diplomatic community, Homeland Security CO chief instructed the Secret Society women to mobilize the community surveillance again tonight to watch over me and identify me as I went on with my collection of damages.

11 March (Wednesday; severe pain, sleep deprivation)

First, a note about myself. Slept around 7 AM. Woke up 1 PM. Very sleepy. Went to the bakery to eat, and read "Samuel". Came back home, tried to sleep more, but was not allowed. Got up, and listened to the recording of my conversation with Wes. Saddened by my programmed speech impediment (remotely controlled loss of words during speech) which made all my speech unintelligible to others. Had to go back home two times. Fetched my umbrella, for it looked like it was going to rain. Physical pain over the social isolation caused by the Secret Society women. Went to Jons: cheap chickens. Remotely controlled to lose my umbrella. Required to waste more of my money. Feet hurt tremendously still, and yet was not allowed to take breaks from committing xxxxxx. Physical pain increasing. Went home, and had to forget about going to the meetup (Draw Anything LA). Perhaps my stalking victims needed to confer with them. (*Really?*) Physical pain continued to increase over my social isolation and inability to know. Left three messages with Wes. Yelled at the people wearing earphones, "Fuck you xxxxxxxxx". Perhaps Kxxxxxxx and Dr P, after seeing that my hatred toward xxxxxxxxx was waning since last night, had decided to cause me severe physical pain and anguish today in order to rekindle it. (*Right, but not the Secret Society women, but rather Homeland Security CO chief.*) Home, and wrote a little. Done with "August 2009". Into Sino-Russian relationship. Then got increasingly sleepy. Allowed to sleep from 8 to 11:30 PM. Lay around a little. From 12:15 to 12:30 AM, computer froze up repeatedly. Then, almost 1 AM, out to collect damages. (Had better not resist my stalking victims' demands.)

SM/26: **1 W (PRK: 8th)**. Noticed a homeless man with a cart nearby. (*Homeland Security surveillance? Law enforcement surveillance?*) **3 B**. Then, walked up to MNTN: couldn't W at the school. Came down. **1 small W**. A resident ran into his house. Then, at the bus stop. One Hispanic man wearing earphones. Severe physical pain. Required to break something immediately to kill pain. (*Homeland Security surveillance?*) **1 W (PRK again: 9th)**. Felt a little

better. **Others: 5 N (1 Asian, causing physical pain). 2 mirrors or lights. 3 H.** Done by 3:35 AM. Felt increasingly dark and hopeless, because there is only pain everyday and committing xxxxxx to kill pain. Terrified by my stalking victims' overwhelming power and persistence. Back at Denny's, 4:30 AM. The computer continued to freeze up repeatedly, causing physical pain.

Note that SDW would be out the whole day from 10 AM until 5:30 PM. More on this, below.

Let's summarize. Today was just another day that the Secret Society women would spend brainstorming with their volunteers as to how to prove to any authority that the Homeland Security warning about me was accurate.

(01) 7:11 AM, **Shizuka** rejoined the brainstorming together with a Seoul volunteer.

(02) 8:11 AM, a Belgium volunteer examined **my supposed naked picture of ANG**.

10:45 AM, SDW was in Solana Beach.

(03) 10:56 AM, a Wichita, Kansas, volunteer examined **my delusion about my women victims' going after me. (1)**

(04) 11:01 AM, the Secret Society women got **an Air Force officer** to report on my supposed violation of intellectual property rights.

(05) 12:51 PM, a Finland volunteer examined **my supposed naked picture of ANG.**

2 PM, SDW was in University City. She was ready to meet "Leslie".¹

(06) 2:11 PM, **Robin** rejoined the brainstorming together with a New York volunteer.

(07) 3:23 PM, a Brazilian volunteer examined **my supposed naked picture of ANG.**

(08) 4:15 PM, a **Phoenix, Arizona, volunteer** examined **my delusions about my women victims' going after me** on Prison Planet forum. (2)

4:40 PM, SDW was in La Jolla. She was now going home.

4:57 PM, SDW was in Del Mar.

5:15 PM, SDW was home.

(09) 5:29 PM, a New York volunteer examined my violation of Dr B's intellectual property rights.

(10) 6:24 PM, a Philadelphia volunteer examined my delusion about President Obama (chipped in the brain). (1)

(11) 7:16 PM, the same Hong Kong volunteer living in South Korea checked my blog. (To discover my latest blog posts about the Secret Society women.)

(12) 7:27 PM, **Robin** rejoined the discussion together with a Pittsburgh volunteer.

(13) 7:29 PM, **the Phoenix volunteer came back** to examine my blog post series /targeted-individuals/.

(13) 8:43 PM, **Robin** discussed me with a Berkeley volunteer (her old friend?).

(14) 9:42 PM, SDW called upon an Illinois volunteer to come examine how, when one searched for "gang-stalking", my blog posts about her would show up.

(15) 10:19 PM, a Sonora, California, volunteer examined my blog (**my latest blog post about the Secret Society women's going after me**). (3)

(16) 10:23 PM, a New Zealand volunteer examined **my supposed naked picture of ANG.**

(17) 10:55 PM, a US volunteer examined my delusion about intelligence agencies' watching over me (FBI, DHS, Blackwater).

(18) 12:03 AM, a Google proxy volunteer examined **my delusion about my women victims' going after me. (4)**

¹ This is apparently the same Leslie I wrote to on 23.03.2012, during those days when I first discovered "targeted individuals". Leslie was some sort of UCSD student with learning disability, and I talked about SDW's meeting today in my blog post for 10.04.2015. It's evident that, among other things, SDW would discuss me with Leslie, this schizophrenic who somehow believed he was targeted (when he was really part of the gang-stalking enterprise). Leslie would respond: "Yeah, he actually wrote me 3 years ago! I have his email address here."

- (19) 1:58 AM, a Sri Lanka volunteer examined my violation of Prof. Ménard's intellectual property rights.
- (20) 2 AM, an Opera Mini volunteer examined **my delusion about my women victims' going after me. (5)**
- (21) 2:16 AM, a Malaysia volunteer examined my delusion about President Obama (chipped in the brain.) (2)
- (22) 2:43 AM, the Secret Society women asked a first student at the University of Hawaii to brainstorm "asmatpoles.jpg".
- (23) 3:55 AM, the Secret Society women asked a second Whole Foods Market volunteer to brainstorm how to report me for intellectual property rights violation.

As noted, while I was collecting damages late into the night, Homeland Security CO chief seems to have sent in more agents to run surveillance on me. To collect more evidence so that the Russian diplomatic mission could make their case again to the international diplomatic community in the morning. Now – did the police, under the CIA's direction, run surveillance on me too during my collection? In order to continue the debate with Homeland Security CO chief?

Note also that, late night, SDW posted on her blog a new post about the Fedex incident on the night of 8 March. Thus, after she had got back from meeting Leslie, she was talking to volunteers about me and preparing her new blog post.

12 March (Thursday; no collection; no pain)

First, a note about myself. Home. Up all morning. Began finishing up the last portion of "D. 07/25/09 – 08/10/09": Stride-2009. Done around 10 AM. Uploaded it to my website. Then rested a little. Realized that France would be obliged to transfer massive amount of technology to Russia in order to build up Russia's hard power. (A French girlfriend for me as well?) (*Just more wrong scenarios to help make myself look delusional.*) Ate at the Korean restaurant. Then home. Rested more, watching a Chinese movie (灭狼记). Then, out to Starbucks, almost 3 PM. Checked the log. Then, Best Buy, to buy a cable. Realized: today, so far no pain, and no hatred for xxxxxxxxx, because I still needed to produce evidences showing me hating xxxxxxxxx one day and not hating them the next day. Also: what I wrote about AWFs in "soft power" was actually BOL's team's thinking beamed into my mind, so that, right after the control center has stopped programming me to think about the imaginary Feminist Lawyer, what I wrote looks kind of strange to me. (Really? *In any case, what I said was just what the Invisible Hand had always wanted to say.*) At Best Buy, buying the USB cable. Again, had forgotten to bring my EHD, and my phone as well. But wasn't too upset. Bought it, and checked my website on the iMac there. Info on Dr P too.² Discovered that somebody had linked up my chapter on a forum discussion in late December 2014. (*That was most likely a Homeland Security operation, to make it look like I was going around advertising my plagiarized writings.*) Going home. On the bus, sitting with an

This is the St. Mathew's RC High School, located in Manchester, UK:

The screenshot shows a Chrome browser window displaying the contact page for St. Matthew's RC High School. The page layout includes a header with the school's name and a navigation menu. The main content is divided into several sections: 'Contact' with the school's address (Nuthurst Road, Moston, Manchester, M40 0EW), 'School Enquiries' with contact information for the reception team, 'Key Contacts' listing the Headteacher (Mrs H Murden), SENCO (Mrs C Holt), and Careers Lead (Miss J Ackers), and 'Safeguarding' information. A 'Find us' section features a Google Map of the school's location. The browser's address bar shows 'smrchs.com/contact/' and the page title is 'St Matthew's RC High School'. The browser's taskbar at the bottom shows various application icons.

Let's summarize. The essentials for today are:

(01) 6:40 AM, a Google proxy volunteer examined my delusion about being chipped in the brain.

(02) 8:03 AM – did the Secret Society women instruct this “Yuli111” to try to befriend me on Interpals?

(03) 9:42 AM, a Greek volunteer examined **my supposed naked picture of ANG.**

- (04) 12:16 PM, a Düsseldorf volunteer examined my blog post on the mosquito drone.
- (05) 2:16 PM, **Robin** checked in together with a Washington State volunteer.
- (06) 2:46 PM, a **Cal State LA (?) volunteer** examined my delusion about my women victims' going after me together with the LUG buddies and Homeland Security.
- (07) 2:50 PM, **he continued.**
- (08) 3:01 PM, a volunteer from the Department of Energy Richland Operations Office brainstormed how to report me for violating intellectual property rights.
- (09) 3:16 PM, a Texas volunteer examined **my supposed naked picture of ANG.**
- (10) 3:34 PM, an Italian volunteer examined **my supposed naked picture of ANG.**
- (11) 7:08 PM, an Illinois volunteer examined my front page.
- (12) 7:36 PM, **Shizuka** rejoined the discussion together with a Calgary volunteer.
- (13) 7:55 PM, a Cupertino volunteer examined my delusion about my women victims' going after me (Third Run Outline unfinished draft).
- (14) 8:45 PM, a Jasper Technologies volunteer (SDW's TI friend) examined my delusion about my women victims' going after me.
- (15) 11:30 PM, an UAE volunteer examined **my supposed naked picture of ANG.**
- (16) 1:45 AM, a Google proxy volunteer examined my delusion about being chipped in the brain.

And a ton of brainstorming about how to convince any authority that I did plagiarize or violate intellectual property rights (including a second University of Hawaii student). Since I didn't collect damages tonight, there was no argument tomorrow morning, either in the international domain or with the law enforcement here.

Later tonight, I did compile a new tally about all the damages I had so far collected:

Total since 1 March: N: 96; B: 41; W: 36; H: 62; SPC: 9; Mirror: 6.

Total since the beginning until 1 March: W: 545 (including shattered); B: 1331; H: 506; SPC: 427; N: (3172); mirror: 10; ATM: 21.

Total since the beginning: W: 581 (including shattered); B: 1372; H: 568; SPC: 436; N: (3268); mirror: 16; ATM: 21.

13 March (Friday; no pain; minor collection)

First, a note about myself. Woke up a little past 5 AM. Then, lay around watching this Chinese movie about Chiu's meeting with Genghis Khan. Almost 8 AM, walked out to eat at the Korean restaurant. Then, Starbucks, and worked on the reconstruction. Far fewer surveillance today. Home, and got caught up in another Chinese movie. (Late Ming secret police.) It seems that the control center is collecting evidences showing me conforming to my mother's stereotype of me (lazy, sleeping all day, watching videos). (*Wrong.*) Didn't want to spend too much time watching videos, and so around noon, at the Korean Chinese restaurant to eat, while finishing up the movie. Home. Burned DVD-447. Then rested for an hour. By 4 PM, out, to storage. Put in DVD-

446 and 447. Then, Sabor. There a little past 6 PM. Left two messages for Wes. He never called back. At Sabor (open mic) all night until 11 PM. Somewhat back in the mood for pretty-AWF-watching. Wasn't planning to collect damages, but research into SDW's TI gang caused me some anger. Realized just how stupid people are, and how impossible it is to reason with them (i.e. to make them understand it's Kxxxxxxx's gang who are victimizing me). (*Again, I didn't yet quite understand Homeland Security's role in all this.*) Worried all night that it's impossible for the residents to understand "being remotely controlled to commit xxxxxx". Thus, decided on minor collection, WSTRN/ HLYWD/ FRNKLN. **4 B, 7 N**. The only suspicious person (the Secret Society women's surveillance) was an Asian guy wearing earphones standing on the sidewalk waiting for me when I came (WSTRN). (*Was this part of the community's surveillance?*) On Metro going home by 12 AM.

How I had stolen this drawing from my family members. Let's summarize. Today was just another day that the Secret Society women would spend brainstorming with volunteers as to how to prove to any authority that they and Homeland Security were right about me. The essentials are:

- (01) 8:16 AM – did the Secret Society women call upon another employee at Amazon to brainstorm how to report me for violating intellectual property rights?
- (02) 11:05 AM, **SDW's Tampa friend (LGL34C)** examined my delusion about being chipped in the brain (2012/07/08).
- (03) 2:39 PM, a Mexico City volunteer examined **my delusion about my women victims' going after me** (TL-IV).

There was of course a ton of brainstorming about how to report me for plagiarism or violation of intellectual property rights. The women gang seems also to have mobilized the community again to run surveillance on me while I collected damages.

14 March (Saturday; Wes; severe physical pain; collection resumed)

First, a note about myself. Woke up 7 or 8 AM. Continued to watch “The Warlords” (投名狀). Decided to pack up and watch it while eating breakfast. Thus, took my Toshiba Satellite to McDonald's, and then continued to watch it in Starbucks. Many pretty AWFs began to show up. After a while, realized something. Thus, did some research on Chinese female footbinding as well. Just when I found the Chinese academic article confirming my hypothesis, the download failed. As usual. But not too angry. Tried again. Succeeded. Researched the matter until 2 PM or so. Home. Rested a little. Then Wes returned my call. About BOL's program: but one didn't explain why she wants to demonize Axxxxxxx women. Talked until past 5 PM. Felt so much better, and didn't want to hate xxxxxxxx. Then, to Sabor. Because I took my Asus with me, the connector for the external mouse was still left on Toshiba. This was how the control center planned to cause me pain tonight and prompt me to commit xxxxxx. At Sabor, all ugly males, some ugly females. But concentrated on working. Sad, because no entertainment was possible. Then, the mouse pad repeatedly malfunctioned. Physical pain. But didn't want to commit xxxxxx. Finally, Asus completely froze up. Severe physical pain: my stalking victims were waiting for me to piss off more people so that they can recruit them to make false reports about me. (*Actually, it was just Homeland Security CO chief and the Russian diplomatic mission who desperately needed new evidence, and so first instructed Wes to call me in order to obtain evidence of my schizophrenia and then targeted me to prompt me to commit xxxxxx.*) Walked outside: a white guy wearing earphones sitting outside. Told him: will commit xxxxxx, I was just lying about being remotely controlled by my stalking victims. He didn't react at all. (*Evidently, knowing what I would do by reading it off the predictions of the computer in the control center, Homeland Security sent in this guy from the community to wait for me to confess to him.*) Walked to FRKLN: 9 PM. **10 N.** Many white guys wearing earphones passed me by. (*Community's surveillance.*) Didn't even cover my face – programmed to not remember to bring my scarf. Thus, had to go home – needed to get the connector anyway. Home, and lay around until 11:15 PM. Decided to finish working outside, and was actually thinking about not continuing to commit xxxxxx. First, to Denny's. All full. Not too upset. Then, MAK. The kitchen closed. Not

too upset, but thus decided to commit xxxxxx: the only thing to fill up the black hole where I was not allowed to have any human interaction. (Partly: everybody in MAK looked at me intensely, as if they were all alerted about me. Thus motivated.) Rode the Metro to UNION ST. Bought “dinner”. On the train to ALLN: many pretty AWFs on board. One even showed her legs. At ALLN, 12:40 AM. Programmed to change my cloth in front of a surveillance camera. Didn't feel good about DR-LWRNC-V: all lighted up. Tried PNUPCRLS. Protected: **1 small W (3rd)**. Not dramatic enough to kill pain. **Thus, 1 W at BLLVGHN (2nd)**. **Very scared. Also: 4 H, 4 B**. On the train going home by 1:45 AM. Another couple (an AWF and a black guy) on board. And a security guard (Unified).

Now the highlights of my conversation with Wes today: (1) I cried because I had such a terrible week. (2) They hurt me on Tuesday and Wednesday because they wanted me to commit xxxxxx, but not on Thursday and Friday. I walked so much that I injured my feet, so it's good that on Thursday and Friday they gave me a break... since they wanted me to do things in order that I'd fit their descriptions of me... I was so sad on Wednesday... (*Again, Homeland Security and the Russians' evidence that my delusion about being mind-controlled had indeed prompted me to commit xxxxxx.*) (3) The police might have started warning the residents... they might have said the matter is more complicated than my stalking victims have portrayed... there aren't going to be any anti-xxxxxxx hate groups forming in Europe in the future... the goal of the program... what I have said might have actually changed the police's mind... so they told the residents to put up a good face... that means that when I get out of this, I would be all alone in my anti-xxxxxxx hatred... there are those ultra rightwing groups in Europe... but I don't have anything to do with them... my experience differs from others' by such a wide margin... And I used the example of the Jewish people's feelings toward Germany: even though Germany has all changed, they can never like Germany again... (*Again, Homeland Security and the Russians' evidence that I indeed should count as an anti-xxxxxxx “xxxxxxx”.* (*And that my delusional mind was the cause of my “xxxxxxxsm”.*)) (4) The Secret Society women have sent in all these moles to my meetups, some of them are informants, and these informants don't care... so what if my stalking victims have victimized me... I'd be left all alone in my resentment... the only people who would share my resentment, I have nothing in common with them... and I wouldn't be comfortable in Europe, they have a different organization of space... most places in the world are too urban... once you get used to America, you couldn't be comfortable elsewhere... the special forces' principle: you are most effective in the place where you are native... this anti-xxxxxxx hatred... (*The same evidence.*) (5) BOL's program... to save the world, to cut the world into pieces... a bad scandal to cause people around the world to hate xxxxxx in order to cause the world system to break up... but that's the fast way... BOL is actually thinking about doing it slowly... because I assume it's gonna be fast and so say so, that has caused law enforcement to change their practice... so the fast way is prevented... the only way now is to do it slowly... which is actually BOL's program... (*Again, evidence that my delusion about there being some “program” had caused me to become engaged in my “xxxxxxxsm”.* *And some strange delusion about the police!*) (6) There has to be identity between me and my stalking victims... I need to be like other people: develop preconceptions and be wrong... and I'm supposed to feel this hatred... anger... so that they can record these feelings with their computer

and take the brain scan images to the Court... they don't actually care about what I feel... in the previous ICJ trial, there are Wes and Lavonne... Lavonne hates America... and the story is entirely composed of brain scan images... when I have theoretical thoughts, they would mix up the brain scan images with Wes' thoughts, and these images would make up "Wes" in the evidentiary record... when I get angry, they would mix up the brain scan images with those from my stalking victims, to make up "Lavonne" in the evidentiary record... and they would take the story of "Wes" and "Lavonne" to the Court, and the judges would say, "Okay, the story looks good..." But after I've done my job, what should I do? I'd still remember the hatred... and I'd want to look for other people who also feel it... and they aren't necessarily my type... it's a bad idea to use brain scan images as evidence – and I used the analogy with cardiograms: ... it's very bad human rights abuse... *(Again, you can see what's going on: Homeland Security CO chief programmed me to develop all this anti-xxxxxxx hatred so that I could offend everybody in the law enforcement and national security circle and fit his demonic profile of me while, at the same time, because I couldn't understand what he was doing with the Invisible Hand, I would develop all this wrong understanding which he could then use as evidence that I was indeed insane. But the idea that I had suggested: mixing up brain scan images – would it be adopted later on?)* (7) Me: I have now a better understanding of BOL's program, she wants to demonize Axxxxxxx women... she hates them... and now I look at them differently... and they remotely controlled me to write all that... afterward, when I look at my writings, they don't reflect me at all... *(Again, Homeland Security and the Russians' evidence of my schizophrenia.)* ... BOL's team... their intentions are embedded in the computer inside the control center... whenever somebody uses the computer to control me to look crazy, these intentions also get beamed into my head... and so they beam their thoughts into my head and cause me to write them down... and then I'd look at them and see that they aren't my opinions... *(What I said here was in fact true, but, because nobody else knew about the hidden program installed on the computer inside the control center, all this was still Homeland Security and the Russians' evidence of my schizophrenia.)* ... and I have been living like this for four years... what I just wrote about China and Russia, that was my opinion... but these writings are more like readings... my literary career is ruined... that's also human rights abuse... complete slavery... (8) Now I started on another Chinese story I found while researching the story of Chen Yuan Yuan: ... it has to do with BOL... the woman entered the imperial palace... but because she didn't pay the painter, the painter didn't paint her pretty... she then volunteered to marry the Huns chieftain, and that's when the emperor saw how beautiful she was... and so the emperor had the painter executed... that's BOL's story for me... back in 2008... the US said I was such a bad-to-the-bone schizophrenic... BOL believed it... she read my Thermodynamic Interpretation of History only in late 2009... then she exclaimed: this is what I have always wanted to say... and so she was very angry with the US for lying to her... causing her to never notice me... so now BOL is going to adopt me... because the Axxxxxxx are so bad... *(It's not clear whether I was indeed correct about what happened here.)* (9) Me: Wednesday and Thursday, I was also upset with the way the control center has messed up my speech ability in order to make me appear retarded... so I have nothing but my writings to rely on... Homeland Security and my stalking victims are allowed by the ICJ procedures to do this because my ideas cannot be made into international laws unless they are made to look like garbage... so I'm sacrificing myself for the good of the world... *(I was in fact right about this,*

but because Homeland Security CO chief and the Russians didn't know about this, nor did anyone else, this was still their evidence of my schizophrenia.) I continued: you can do that once or twice... but after four years you'll get fed up... (10) ... I have been required to fit this ridiculous profile for five years now... I'm required to do to you what Lavonne has done to you because this is a story about you and Lavonne... when the CIA was negotiating with BOL, they must have asked her to minimize the damages to the US... they didn't want any anti-xxxxxxx hate groups to form around the world... filter down... so now only the demonization of Axxxxxxx women... I hate it when I would change the future by speculating on the future... a bad prophet... so I'd better not say why BOL hates Axxxxxxx women... (*Again, all this was bullshit and so Homeland Security and the Russians' evidence of my schizophrenia.*) (11) I continued: my stalking women were asking the control center to make me hate Asians too... sex drive toward Asian women... MST with JP... accidentally committing xxxxxx against Asians... Asian drivers on nails... in the most unlikely places... are they 'dummy victims'? If you don't commit xxxxxx, this will not end... when you do commit xxxxxx, people will get angry and request that this thing move faster... but I tend to underestimate people's reaction... but neither resisting the control center nor not resisting it is a good idea... (*Again, all the wrong scenarios: Homeland Security and the Russians' evidence of my schizophrenia.*) (12) I continued: when the control center controls you to do things without causing you pain, you don't usually notice it... the reconstruction of 2 June last year... hence 3 June, the desire to check out K's friend's office... that idea was actually caused by the control center... that had enabled them to ask the police to continue the stalking claim... the police would think I was helping my stalking victims to fuck with them... but it's actually the Homeland Security guy inside the control center... this brain chip system is so pernicious... when they control you to do something and it's not out of the ordinary, you won't even notice it... (*Here I was sort of correct in my scenario.*) (13) Wes bought a circuit in Radio Shack... for fun in the future... Me: maybe you are just producing evidence... Russian-made spy equipment from 2009... (*Homeland Security and the Russians' evidence that I had continued to be engrossed in my delusion about there being some ICJ trial over me.*) (14) Me: I'm exhibiting characteristics that remind you of 911 conspiracy stuff... whenever the FBI agents were about to make a move on the 911 hijackers, something would happen... so whenever the police are about to arrest me, somebody would tell them not to make a move, and everyone would think it's very strange... but in fact someone high up has said, 'Let him break things... he needs to produce evidence while breaking things'... the evidences are so much more important than a few hundred dollars... the brain scan images are so much more important... (*Complete bullshit: evidence of my schizophrenia.*) (15) I continued: but I'm always required to be wrong... somebody in the control center would say, 'Let him break something on 7 PM and piss somebody off' and he would go do it on 7 PM... how can you say that's free-will? What if people find out these mass shooters have chips in their brain? What would the victims' family members think? I tend to overestimate people's intelligence... (*Again, since people were not allowed to know that Homeland Security had the right to remotely control me via the ICJ, all this was still evidence of my schizophrenia.*) (16) I continued: ... the priest's blog... the Christians' mental state and perspective on things... how diverse can human beings be... other people can look at things from a perspective I have completely missed... the meaning of intelligence just evaporates... nobody really quite exhausts all the possible ways to react to an event... and

SDW... somebody can just walk in front her and she can interpret that as a very pernicious act of victimization... that's quite a talent... I asked her for her email address, she gave it to me, but for her that's 'stalking'... how in the world can she make 'stalking' out of that? But she *could* and she truly believes it... a very particular talent which no one else can fathom... did she go to school for that? The human mind is really an amazing thing... (*Quite insightful. Any evidence here? Perhaps my delusion about SDW?*) (17) Youtube kept on showing me Chinese movies... in the end I must be just producing evidence... that I'm very lazy and just lie on bed all day... human beings are also capable of so many different kinds of suffering... (*Again, evidence that I was still engrossed in this delusion about there being some trial and that evidences were being produced.*) (18) Wes on some "pro-biotic". Me: I'm afraid you are producing evidence that you are K... (*More evidence of the same delusion on my part.*) Wes continued on about his health condition. Me: I'm producing evidence that I'm over-interpreting... that I'm overly paranoid about producing evidence... (*Right.*) I'm gonna end up like one of those Japanese soldiers stuck in the islands or the Philippines who never knew that the war had already ended... somebody needs to tell me when they had finished gathering evidences... Wes went on about the three Confederate soldiers: the problem is that, when you tell them (the Confederate soldiers) the war is over, they won't believe you... Me: maybe I'd be required to produce evidence showing that I believe evidence is still being produced when the evidence-gathering has ended... (*Right.*) Wes continued on about the three Confederate soldiers, even mentioning those in the South who never knew the Revolutionary War had already ended. Me: that's why I need to commit xxxxxx... they don't care what I'm feeling, so I won't care what they are feeling... since I won't feel what they feel and they won't feel what I feel... (*Right.*) 1:29:00, I hanged up with Wes.

It would seem that, around this time, there was a new comment on my stupid video:

The screenshot shows a Chromium browser window with the YouTube homepage. The address bar shows the URL https://www.youtube.com. The page content includes a 'What to Watch' section with several video recommendations. A notification box is overlaid on the right side of the page, displaying a comment from a user named 'alienbuddy'. The comment text reads: 'No chip is needed, I have no chips in my body yet I'm a victim of synthetic telepathy and psychological'. The notification also shows the user's profile picture and the time '1 hour ago'.

Shizuka back in the discussion? Let's summarize.

- (01) 5:31 AM, a French volunteer examined **my supposed naked picture of ANG**.
- (02) 5:57 AM, a Romanian volunteer examined **my supposed naked picture of ANG**.
- (03) 6:45 AM, **Shizuka** rejoined the discussion together with an Austrian/ UK volunteer.
- (04) 7:35 AM, **Shizuka** again together with a South Korea volunteer.
- (05) 8:47 AM, a Greek volunteer examined **my harassment of Rebecca** from my Draw Anything LA Meetup?
- (06) 8:48 AM, a Hungarian volunteer examined **my supposed naked picture of ANG**.
- (07) 9:08 AM, a Brighton, Massachusetts, volunteer examined **my delusion about my women victims' going after me** (my blog itself).
- (08) 9:40 AM, a Huntington Beach volunteer examined **how I had acted on my delusion about intelligence agencies and some ICJ trial** by petitioning human rights organizations.
- (09) 12:06 PM, an Ellicott City, Maryland, volunteer examined **my supposed naked picture of ANG**.
- (10) 12:07 PM, **Shizuka** rejoined the discussion together with an Opera Mini volunteer.

(11) 12:34 PM, a Sugar Land, Texas, volunteer examined **my delusion about my women victims' going after me.**

(12) 1:02 PM, an Italian volunteer examined **my supposed naked picture of ANG.**

(13) 1:49 PM, another Opera Mini volunteer examined my webpage lawsuit.html (**how my delusions had prompted me to file a lawsuit against the Russian government**).

(14) 2 PM, Homeland Security CO chief instructed another volunteer to make a comment about my stupid video on Youtube.

(15) 2:18 PM, a Sydney, Australia, volunteer examined **my harassment of SDW** by posting my messages to her on my website.

(16) 2:38 PM, an Oberlin College volunteer examined **my supposed naked picture of ANG.**

(17) 3:11 – 3:15 PM, a British Columbia volunteer examined **my harassment of Ekaterina's family members** by posting their pictures on my website.

(18) 3:19 PM, an Ohio volunteer examined **my supposed naked picture of ANG.**

3:39 PM, Homeland Security CO chief instructed Wes to call me.

(19) 4:15 PM, **Shizuka** rejoined the discussion together with a Tokyo volunteer.

(20) 4:25 PM, an Oregon volunteer examined **my supposed naked picture of ANG.**

5:08 PM, I hanged up with Wes.

(21) 5:11 PM, the Carson City volunteer.

(22) 5:12 PM, a Corpus Christi, Texas, volunteer examined my delusion about being chipped in the brain as seen on Prison Planet forum.

(23) 5:30 PM, the Carson City volunteer examined Best Mommy's picture.

(24) 5:42 PM, a volunteer from the University of the Sciences in Philadelphia examined **my supposed naked picture of ANG.**

(25) 7:05 PM, an Illinois volunteer examined **my supposed naked picture of ANG.**

(26) 8:55 PM, **Eva** rejoined the brainstorming together with a New York City volunteer. (Her second time.)

(27) 9:24 PM, the Secret Society women posted an unfinished version of "The Cheney Plan" as additional evidence on the Russian diplomatic mission's secret Facebook group for me.

(28) 9:44 PM – **Shizuka** back in the discussion together with a South Korea volunteer?

(29) 10:59 PM, Russian law enforcement again?

(30) 12:09 AM, a Newton Center, Massachusetts, volunteer examined **my delusion about my women victims' going after me.**

(31) 12:42 AM, an Italian volunteer examined **my supposed naked picture of ANG.**

(32) at the same time, a Texas volunteer examined **my violation of Dr B's intellectual property rights.**

(33) 2:13 AM, a Swedish volunteer examined **my supposed naked picture of ANG.**

(34) 4:01 AM, **Shizuka** back in the discussion together with a Tokyo volunteer?

And so Homeland Security CO chief and the Russian diplomatic mission had obtained plenty of evidence today about how my delusions about the intelligence agencies and government conspiracies and so on had prompted me to petition and commit xxxxxx and so on – including new evidence from my conversation with Wes. Then, tonight, from 8 PM onward, while I was in Sabor, the Secret Society women mobilized the community of volunteers again – first to obtain my “confession” and then to watch over my collection of damages. Tomorrow morning, the Russian diplomatic mission was going to raise my case again in the international diplomatic community while the “women victims” were going back to their detectives.

15 March (Sunday; no pain; some collection; black woman)

First, a note about myself. Woke up past 2 PM. Ate at the Korean restaurant, and read Samuel. Home: burned DVD-449, in order to switch to Toshiba to avoid malfunctioning. (Perhaps, it has something to do with the recent increase of Toshiba laptops in my surrounding.) (*Probably not.*) Showered. Then, Starbucks, Vine. Worked there, and then got very confused and nervous for a while when discovering that the TRGT last night was Armenian. Just then, a surveillance agent came in. (*Homeland Security had me under surveillance again.*) Due to confusion, went to the Metro station, also to charge. Then, came back, and ate outside 711. Past 11 PM, checked out King King. Closed. Suspected that it's Kxxxxxxx who has warned King King's owner. (But later discovered that King King had registered no activities on its calendar on its website.) Strange, for, today, far fewer people on Hollywood Blvd. Went to a bar to write down the note below. 12:30 AM, wanted to dispose of the bottles. Placed N on SNST. A black woman in a convertible was waiting for me. Once N on the road, she drove toward me, ran over it, and then, a minute later, came back, and turned around to face me (to film me, presumably). Another “dummy victim”! Kxxxxxxx's goal today seemed to be to collect evidence for my hating and attacking black people. (*Probably not: the purpose was something else.*) Then more taxis on N. This was so upsetting that I walked to SM, and **1 W** (STUDIO: 2nd). Also, an AWF and an AWM camping on the sidewalk! Were they waiting for me? Later to make false reports about my attempting to assault them? Acting? Total tonight: **6 B; 7 N; 1 W; 2 H**. Came home by 4:20 AM. (*What happened tonight was indeed very strange! It seems that, after their case was rejected again, Homeland Security, the Russians, and the Secret Society women somehow mobilized their community surveillance again, and this black woman in particular, to catch more evidence of my collection of damages.*)

5:15 AM, discovered that “Sex in the City, II” was deleted from Youtube. Apparently, my stalking victims wanted me to watch this movie yesterday (13 March) in order to make up some stories about it. They probably wanted me to upload to my channel my own downloaded version of this movie. (*Just more wrong scenarios to help make myself look delusional.*)

Now the Secret Society women's operation on my website for today. 4:08 AM, KT Corporation, Seongnam, South Korea,*

Let's summarize. Again, the Russian diplomatic mission was planning this morning to raise my case again in the international diplomatic community. The Secret Society women might also be going with their community volunteers back to their detective. The essentials of their activities on my website today were:

- (01) 4:08 AM, **the same Hong Kong volunteer living in South Korea** checked on my blog.
- (02) 4:42 AM, an Italian volunteer examined my **delusion about Karin and her meetup friends' going after me as part of some intelligence operation**.
- (03) 5:45 AM, **Shizuka** rejoined the discussion or reporting together with a Turkish volunteer.
- (04) 5:58 AM, a Hong Kong volunteer examined or reported on **my supposed naked picture of ANG**.
- (05) 6:17 AM, a British Columbia volunteer examined or reported on **my supposed naked picture of ANG**.
- (06) 8:52 AM, **Robin** rejoined the discussion or reporting together with a French volunteer.
- (07) 8:56 AM, **Shizuka** rejoined the discussion or reporting again together with a Philippines volunteer.
- (08) 9:31 AM, Russian law enforcement again?
- (09) 10:44 AM, **Shizuka** rejoined the reporting together with a New York volunteer.
- (10) 10:53 AM, a Fort Smith, Arkansas, volunteer examined my computer-hacking or **my delusion about my women victims' going after me**.
- (11) 11:43 AM, a Geneva volunteer examined **my delusion about my women victims' going after me** (my January blog posts).

By now the international diplomatic community had rejected the Russian diplomatic mission's new claim (invalidated the Homeland Security warning about me once again). Given Shizuka's heavy involvement in the preceding, she must have again totally sabotaged the reporting with her backdoor informing on the supposed women victims' fraud. And so the Secret Society women were back to brainstorming:

- (12) 12:11 PM, the volunteers posted "timelinepartII-Nb.pdf" on the Russian diplomatic mission's secret Facebook group for me (evidence of **my delusion about my women victims' going after me**).
- (13) 12:30 PM, a Maine volunteer examined **my violation of Dr B's intellectual property rights**.
- (14) 2:39 PM, a Texas volunteer examined **my harassment of Ekaterina and her family members** by posting their pictures on my website.
- (15) 2:49 PM, the Secret Society women recruited another employee at Amazon to brainstorm how to report me for intellectual property rights violation.
- (16) 2:53 AM, an Italian volunteer examined **my supposed naked picture of ANG**.
- (17) 3:55 PM, the volunteers posted "Ying and Yang, I" (42c6v) on the Russian diplomatic mission's secret Facebook group for me. (Evidence of **my delusion about ANG**.)
- (18) 4:29 PM, the volunteers posted the Feefee blog (408) on the Russian diplomatic mission's secret Facebook group for me. (Evidence of **my obsession with Karin**.)
- (19) 5:28 PM, the volunteers posted "Cassie" (How-I-have-67) on the Russian diplomatic mission's secret Facebook group for me. (Evidence of **my delusion about my China trip's being an intelligence operation**).
- (20) 6:05 PM, a Pennsylvania volunteer examined **my supposed naked picture of ANG**.
- (21) 6:17 PM, a reading, Pennsylvania, volunteer examined **my delusion about the intelligence agencies' going after me** ("My experience").
- (22) 6:23 PM, a Bronx, New York, volunteer examined **my supposed naked picture of ANG**.
- (24) 7:17 PM, **Robin** discussed me with a Port Saint Lucie, Florida, volunteer.
- (25) 7:20 PM, the fifth volunteer from the University of Hawaii showed up to brainstorm about "asmatpoles.jpg".
- (26) 7:21 PM, **the same Hong Kong volunteer living in South Korea** checked my blog again.
- (27) 9:49 PM, a Washington State volunteer examined **my delusion about my women victims' going after me together with Homeland Security** (here, ANG).
- (28) 9:55 PM, she proceeded to examine the other blog posts from 2013.
- (29) 10:02 PM, she came to the front page.
- (30) 10:06 PM, she came to the Academy.
- (31) 10:22 PM, a Vietnam volunteer examined my August 2013 log.
- (32) 11:21 PM, a Yukon, Oklahoma, volunteer examined **my supposed naked picture of ANG**.
- (33) 12:01 AM, a Singapore volunteer examined **my supposed naked picture of ANG**.
- (34) 1:27 AM, **SDW** asked a Dallas, Texas, volunteer to search for my "Kxxxxxxx, II".
- (35) 3:26 AM, **Jennifer D** checked in together with a LA County Department of Health Services volunteer.

(36) 4:02 AM, the Secret Society women got a police officer from Oxford Police Department in North Carolina to brainstorm how to report me for violation of intellectual property rights.

And so we see that, after the Russians' case was rejected again, the Secret Society women were back to the focus on my delusions about people's being part of some government conspiracy to go after me. They were asked to post more evidence on the Russian diplomatic mission's secret Facebook group for me in order to keep the previous ICJ trial locked up for the time being. Meanwhile, they mobilized their community vigilante group again tonight (after Homeland Security had conducted surveillance on me). Just before 1 AM, Homeland Security and the Secret Society women sent in this black woman to purposely run over my nxxx in order to collect more concrete evidence of my collection of damages.

16 March (Monday)

First, a note about myself. MST (Japanese). Slept around 7 AM, discovering "Lucy" on Youtube and watching it. Woke up 10:30 AM: had been believing that it was Sunday, while believing, yesterday, that it was Saturday. Apparently, the control center had once again programmed me to suffer cognitive dysfunction in order to make me conform to the false profile of me as mentally retarded. I was not allowed to go to church, after all. Were my stalking victims meeting with the church parish again? So extremely angry, because I had also missed French-in-Mind. Not allowed to have any human interaction. (*All this was probably just so much wrong scenario.*) Watched the news, and discovered: "Asia Infrastructure Investment Bank". Is the UK trying to diversify its international relations in view of France's coming conviction? (*Not. Bullshit.*) Then, couldn't sleep. Went to eat breakfast at the bakery. Began to worry about committing xxxxxx. Thought: once one gets out, one must have a "good reason" for hating xxxxxxxxxx, i.e. reasons that would appear "reasonable" to other people. (Cannot hate xxxxxxxxxx for the same reason for which SDW, and my stalking victims in general, hate xxxxxxxxxx.) By noon, became so angry that I can no longer concentrate on reading (Samuel). Came home. Then severe physical pain. Panting and sweating, required to commit xxxxxx. Thus was the resistance toward committing xxxxxx overcome. (*Homeland Security CO chief wanted me to collect damages later tonight.*) A little later, however, was allowed to fall asleep.

Woke up 5:30 PM. Continued watching "Lucy". While walking to TNT, became increasingly angry, for last night's operation revealed something like: "The xxxxxxxxxx people (a bunch of monkeys) put electronic devices into my brain and then remotely control me (a true human being) to do this and do that, everyone knowing where I'm going to be and what I'm going to do before I have even decided where I'll be and what I'll do, as if I were some sort of video game." Such insult to human dignity (by monkeys) is indeed good reason for hating xxxxxxxxxx. And one must commit xxxxxx against xxxxxxxxxx (just as they wish I'd do). (*And so you see that, while I was wrong about everything else, I had begun to comprehend the enormous extent of the control which Homeland Security CO chief and the community he had assembled had over me.*)

Kxxxxxxx's Vengeance, 35
Lawrence C. Chin
Mar. 2015/ Jan. – Apr. 2023.

Anti-xxxxxxx hate groups around the world must do this: kidnap those xxxxxxxx you can find, and then install electronic devices into their brain so that you can remotely control them from your own computer, making them your little personal drones. Then you can remotely control them to get themselves into troubles and make a fool out of themselves, so that you can laugh. Remotely control them to commit xxxxxx, so that they will all end up like me! (*Again, Homeland Security CO chief continued to instruct the Monkey to program me to hate the xxxxxxxx around me so that he could be justified in his designation of me as an anti-xxxxxxx txxxxxxx.*)

Then, bought a hot dog, and rode the bus to SM Library. Returned Luther's Bible. Checked the log in Starbucks, 9:30 PM. Then, collection on 26th. **7 N, 4 B**. Some Ns left on the road. Today, one seems to be able to get mostly AWMs and AWFs. Then, Starbucks, WSTWD. Already 12 AM. Worked until 2 AM. Then decided not to conduct further collection (W). Shall post:

Since Kxxxxxxx's Secret Society's current operations are presumably described in the previous posting, their next step is presumably to order the local police to detain me for whatever reason, but not to take me to jail, in order to make me believe that it's my imagination and erroneous belief that they are planning to get the police to arrest me clandestinely for the gravest hate crimes, but overtly on minor misdemeanors. But, presumably, after I write this down, they will have to give up even this operation of deception.

Of course, all is very strange. If they have indeed partial control of my thought-processes, why are they controlling me to subvert their op? Presumably, what happens is that, when they ask the computer to control me to do one thing to fulfill their current agenda, what I end up doing would subvert their next agenda. Thus, presently, what I'm writing here fulfills their agenda of making their new recruits believe that I'm lying about being remotely controlled by them – for some of them must begin to wonder: why are Kxxxxxxx and Dr P such expert psychologists that they are able to predict, with pinpoint accuracy, where I'm going to be at what time to do what, ten hours before I even decide myself where I'm going to be at what time to do what? – but this, then, subverts their next agenda of making me believe that they are not secretly going after me presently.

I'm assuming that, on Sunday night, their new recruit (the black woman in convertible) must be stunned to see that Kxxxxxxx and Dr P were able to predict to her, hours in advance, that, that night, around 1 AM Monday morning, I'll end up on Sunset doing this on the road – and this, despite the fact that I didn't even decide to do this at that time until I had already reached Sunset.

Again, any inaccuracy in this hypothesis must be blamed on law enforcement agencies. I bear no responsibility for slandering if I turn out to be wrong.

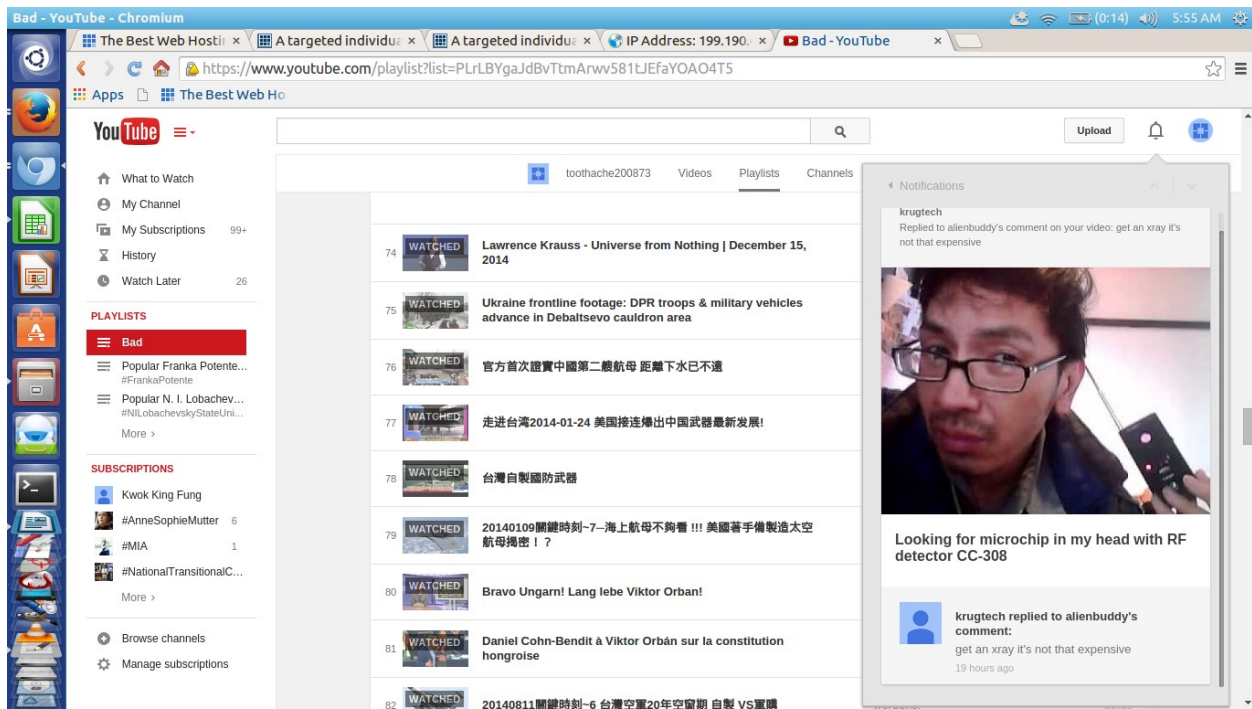

Und siehe, wie heute dein Leben in meinen Augen wert geachtet gewesen ist, so werde mein Leben wert geachtet in den Augen des Herrn, und er errette mich aus aller Not. (Samuel, I, 26:24.)

David aber dachte in seinem Herzen: Ich werde doch eines Tages Saul in die Hände fallen: es gibt nichts Besseres für mich, als dass ich entrinne ins Philisterland. (Samuel I, 27:1.)

(Again, while my understanding of Homeland Security and the Secret Society women's operation was completely erroneous, I did now possess a correct understanding of the capabilities of the control center: the computer in there can predict where I would go and what I would do many hours before I have even decided myself. And Homeland Security CO chief would use this prediction to position volunteers in the right place and at the right time to ambush me – with pinpoint accuracy.)

Some time today, another comment on my stupid video:

My violation of intellectual property rights.

Let's summarize. Since early morning, the Secret Society women continued to mobilize volunteers to brainstorm how to prove to any authority that they, and Homeland Security, were right about me.

- (01) 6:58 AM, **Shizuka** rejoined the discussion together with a Hong Kong volunteer.
- (02) 7:50 AM, an Indian volunteer (Quantil) examined **my delusion about my women victims' going after me** (especially SDW) (K, II).
- (03) 8:10 AM, the Secret Society women recruited a physicist from the Brazilian nuclear research institute to forge evidence of my plagiarism.
- (04) 9:10 AM, an Opera Mini, UK, volunteer examined **my violation of Dr B's intellectual property rights**.
- (05) 9:11 AM, an Alabama volunteer examined **my delusion about my women victims' going after me** on Prison Planet forum, especially SDW.
- (06) 10:08 AM, a British Columbia volunteer examined **my violation of Dr B's intellectual property rights**.
- (07) 1:10 PM, a Toronto volunteer examined my latest blog posts (**my latest delusions about my women victims' going after me**).
- (08) 1:35 PM, **Shizuka** rejoined the discussion together with a Philippines volunteer.
- (09) 2:15 PM, an Ohio volunteer examined **my supposed naked picture of ANG**.
- (10) 2:49 PM, a Hungary volunteer examined **my violation of Dr B's intellectual property rights**.
- (11) 2:50 PM, an Italian volunteer examined **my supposed naked picture of ANG**.
- (12) 2:56 PM, a Swedish volunteer examined **my supposed naked picture of ANG**.
- (13) 3:15 PM, **Shizuka** rejoined the discussion together with a Zurich volunteer.
- (14) 5:20 PM, **Robin** rejoined the discussion together with a Michigan volunteer.
- (15) 7:07 PM, a British Columbia volunteer examined my delusion about being chipped in the brain.
- (16) 7:10 PM, a Cal State LA volunteer examined my particular brand of misogynist ideology.
- (17) 7:21 PM, the same Pasadena volunteer from 11 March came to examine the Opposition to Demurrer paper.
- (18) 9:02 PM, a Texas volunteer examined **my supposed naked picture of ANG**.
- (19) 12:10 AM, a volunteer from the Aja Group in Lebanon examined Index3.pdf.
- (20) 12:14 AM, a Seven Hills, Australia, volunteer examined **my harassment of Kxxxxxxx by blogging about her**.
- (21) 12:39 AM, a Wesseling volunteer came to thoroughly examine my TIH chapters (Foucault.)
- (22) 1:34 AM, the Wesseling volunteer continued (bio-power).

(23) 2:08 AM, he continued (Chapter 3).

(24) 2:26 AM, **Shizuka** rejoined the brainstorming together with a South Korean volunteer.

(25) 2:47 AM, the Wesseling volunteer continued (Chapter 1).

(26) 3:16 AM, he continued (Chapter 1B).

In general, the Secret Society women continued to focus on my delusion about their going after me but then switched their attention also to my violation of Dr B's intellectual property rights. Then, in the afternoon, my supposed naked picture of ANG. Then, past midnight, the Wesseling volunteer began examining all of my TIH chapters in order to come up with ideas as to how to convince any authority that I did plagiarize. Also, tonight a throng of volunteers coming from the University of Hawaii began working on "asmatpoles.jpg" as the ultimate proof of my violation of intellectual property rights.

17 March (Tuesday; severe sleep deprivation)

First, a note about myself. Went to bed around 7 AM, watching "Lucy" and then "The Warlords" on the newly burned DVD-450. Past 9 AM, still awake. Got up, MST (Japanese). Then tried to sleep. Soon it became apparent that I would not be allowed to sleep. Got very angry, not just because I attributed it to my stalking victims/ the control center, but also because I seemed to be destined to miss the Forum tonight. Went out, uttering "required to commit xxxxxx" – definitely picked up by the Secret Society's surveillance. (*Really?*) Ate lunch at the Korean restaurant, and worked on the reconstruction also (4 June last year). Then came home, and slept. This time, allowed. Around 2 PM. Woke up almost 5 PM. Slept more. Woke up 6 PM. Got ready. Out. Near home, saw an AWF holding hands with an Asian guy. Was increasingly worried about the fact that, really, AWFs are only interested in demonizing *me*, and no one else. I'll have to be all alone in my anti-xxxxxxx hatred, since "extermination of one person only" is not much of a crime. (*Right.*) Then, at the Forum around 7 PM. Noah and his girlfriend walked out, saying they were going to the liquor store. They would never come back. Father Alan also didn't show up. Stephanie didn't either. When JOSEPH saw me, he held his phone in front of me and pressed a button on it. It's clear that my stalking victims are asking everyone to stage some sort of show for their foreign audience. (*This was not the case.*) When I commit xxxxxx tonight, they'll say to their audience: He commits xxxxxx against AWFs and others because he is jealous of others who have girlfriends, and so he blames his own failures on others. And yet, the police ignore guys who victimize women because American society is misogynist. (*Again, all the wrong scenario to help make myself look delusional about my "women victims".*) The Forum was very boring. Left before 9 PM. Then, realized that the government wants worldwide hatred of AWFs only. (*More of my bullshit here.*) One has to tell the truth: the US government was also just like AWFs before, but then changes because it has got caught. (*Ha!*) Rode bus 33 to VNCE. Preliminary collection: **8 Ns**. Some Ns left on the road. Must have been filmed. Novel. Worked until 2 AM. Then out. There was a brawl on the street. Then, collection: **3 W (CLDWLBNKR)**, **5 H (Yoga, Willie Jean, 3rd or 4th)**, **2 SPC**, **1 mirror**, **5 B**. Done by 3:30 AM. Waited at the bus 33 stop. The bus should come on 3:45 AM. Apparently, one was programmed to wait at this wrong stop, so that the bus simply passed me by. Some physical pain. Had to walk a long distance again. Sprayed

along the way. **3 H, 1 SPC, 2 B (1 B at MSTEVE**, per Kxxxxxxx's request, supposedly). (*Wrong. But maybe because Homeland Security CO chief wanted it.*) **1 W (restroom)**. Then, a white car came to make a U-Turn in front of me. The driver was holding a cellphone up at the windshield, and there was no license plate on the car. (*The Secret Society women's investigator came to collect evidence that it was indeed me.*) Kxxxxxxx must at this moment be watching me together with MSTEVE's owner, telling her that I blamed my own failure (missing the bus) on others. (*Something like this was the case: Homeland Security CO chief wanted me to collect at MSTEVE so that, tomorrow, another victim might come to the police to demand the acceptance of the Homeland Security warning about me.*) The next bus wouldn't come until past 4:45 AM. Didn't arrive near home until past 6 AM. Ate at the Korean restaurant, and read Samuel.³

Now the Secret Society women's operation on my website for today. 4:19 AM,

³ I also noted in my diary today: "DRAW [ANYTHING] LA: Emiko decided on the location of the meetup only today. It's going to be near Kxxxxxxx's home on Melrose. Evidently, the location is selected for easy surveillance over me and protection from me." It's still not clear whether, by this time, Kelly and Emiko had indeed been recruited by the Secret Society women or shown the Homeland Security warning about me.

It seems that I was just furnishing Homeland Security and the Russians with more evidence of my delusions about my women victims' going after me – since I was speaking from an incorrect understanding of how exactly my women victims were “gang-stalking me”. But keep in mind that my wrong understanding, many years later, might become a correct description after all.

She would have seen last night's new post: not only my latest delusions about my women victims' going after me, but the latest evidence of my anti-xxxxxxx terrorist hatred.⁴

⁴ The search terms "gang-stalking, Russian embassy, asylum" suggest that this search was commissioned by SDW, who, now at home, was again working on the complaint: "Every time when you search for something about gang-stalking, his garbage would show up!"

My violation of Oliver's intellectual property rights. Did the Secret Society women call on Oliver so early in the morning?

Again, it's not clear whether this was part of the Secret Society women's operation.

My violation of intellectual property rights. This school was presumably located in Sheffield, UK:

There is no showing of anything else. Was this a real visit? Let's summarize. Since early morning, the Secret Society women continued to brainstorm with their volunteers:

- (01) 4:25 AM, a Colorado volunteer examined **my harassment of Dr B by blogging about her.**
- (02) 6:48 AM, **Robin** discussed me with a Boston school teacher.

- (03) 7:52 AM, the Secret Society women instructed a second engineer from Boeing to make a report about my violation of intellectual property rights.
- (04) 9:09 AM, an Australian volunteer examined the screenshot of my message to SDW and Best Mommy's picture.
- (05) At the same time, **Shizuka** checked in together with a Malaysia volunteer.
- (06) 9:35 AM, a Verizon volunteer examined my delusion about being chipped in the brain.
- (07) 9:57 AM, the Wesseling volunteer continued (The Liberation of Women).
- (08) 10:17 AM, a Swiss volunteer examined my blog post series for January (my delusion about my women victims' going after me, etc.)
- (09) 10:25 AM, the Wesseling volunteer continued (Cultural Feminism).
- (10) 11:11 AM, a New Zealand volunteer examined my delusions about Russia and Ekaterina (/russia/page/2/).
- (11) 11:15 AM, the Wesseling volunteer continued (translating TIH-1).
- (12) 11:22 AM, a New York volunteer examined my front page.
- (13) 11:32 AM, he came again.
- (14) 11:34 AM, a UK volunteer examined my supposed naked picture of ANG.

12 PM, SDW was at Solana Beach. Taking a walk on the beach?

- (15) 12:18 PM, a volunteer visited my Facebook.
- (16) 12:39 PM, the Meknès volunteer came again to examine my delusion about Boss Cheney.

Around this time, SDW was in Carlsbad – was she still taking a walk on the beach?

- (17) 2:02 PM, **Robin** discussed me with an Illinois volunteer.
- (18) 2:05 PM, **Eva** rejoined the discussion together with a Belgium volunteer.

2:08 PM, SDW was on Encinitas Blvd in Carlsbad.

2:15 PM, she was back in Encinitas. She's going to the shopping mall.

2:20 PM, she exited the shopping mall in Encinitas.

- (19) 2:28 PM, **Robin** was back in the discussion together with an Ontario volunteer.
- (20) 3:52 PM, **Robin** discussed me with a Morocco volunteer.
- (21) 4:08 PM, a Detroit volunteer, under SDW's instruction, discovered the latest evidence of my delusion about my women victims' going after me and my anti-xxxxxxx txxxxxxx ideology.
- (22) 4:42 PM, **Shizuka** rejoined the brainstorming together with a Washington State volunteer.
- (23) 5:14 PM, a UK volunteer examined my violation of Dr B's intellectual property rights.
- (24) 5:35 PM, a Virginia volunteer examined my harassment of Dr B by putting her picture on my website without her consent.

6 PM, SDW approved a comment on her blog (saying she was passing out cards about gang-stalking earlier). This suggests that, on 11 March, when she went to meet with Leslie, they

discussed not only my case but also the proposal to advertise gang-stalking in public places in order to raise people's awareness.

- (25) 6:24 PM, a Kentucky volunteer examined **my supposed naked picture of ANG.**
- (26) 7:04 PM, a South Carolina volunteer examined **how my delusion about being mind-controlled had caused me to be a danger to others as well as to myself.**
- (27) 8:30 PM, a Uxbridge, UK, volunteer also discovered **my latest blog post (the latest evidence).**
- (28) 8:55 – 9:03 PM, a volunteer from Bethany Lutheran College examined **my violation of Dr B's intellectual property rights.**
- (29) 11:23 PM, **Shizuka** rejoined the discussion together with an Indian volunteer.
- (30) 2:56 AM, a proxy volunteer examined **my delusion about Boss Cheney.**
- (31) 3:20 AM, a Rhode Island volunteer examined my violation of Oliver's intellectual property rights.

Also, today, more volunteers from the University of Hawaii showed up to examine "asmatpoles.jpg". 20 so far! Meanwhile, tonight and into early morning, Homeland Security and the Secret Society women continued to send in more volunteers from the community to film me collecting damages. Evidently, tomorrow they would go back to argue with the detectives again while the Russian diplomatic mission would continue to raise my case in the international diplomatic community. (The Russian diplomatic mission had not only my latest damage collection, but also my latest blog post, as evidence that Homeland Security was right about me and the Secret Society women would tomorrow specifically take the owner of MSTEVE to the police to make reports about me.)
