

## **The Secret History of the International Court of Justice**

### **KIERSTEN'S VENGEANCE**

#### **3**

#### **LEGEND**

The following reconstructs the operation of the Secret Society women and Homeland Security CO chief against me and my website from 10 December 2013 to 2 January 2014.

This is a July 2021 rewrite of the original “Kiersten’s Vengeance, 3”, first composed in July 2018. The original version, with the file name “timeline61\_6b.pdf” (last dated 28.07.2018), can still be found in the same file folder.

The terminology used in this reconstruction follows the convention established in later reconstructions. “Secret Society women” has replaced “Kiersten’s Secret Society” or “Kiersten’s gang”, etc. The Secret Society women consisted of (as of December 2013): Angelica (G), Karin (K), Kiersten (J), and Dr P (Petterson), plus many of their associates, such as SDW (Maura) or Kiersten’s old friends Carolyn and Peter.

“Volunteers” is the terminology I have been using in the reconstructions of the later phases. I have decided to use it here too. It refers to the people from around the world whom the Secret Society women were able to recruit to make false reports about my website by galvanizing them with Homeland Security’s warnings about me, “Chaya’s warning”, and the horror story they had made up about me.

#### **RESUME**

Now, a summary of the events of this period. In the previous episode we have seen the TMU first rejecting Dr R’s stalking claim on 26 November and then Uncle Chad’s stalking claim by 5 December, causing the Secret Society women and Homeland Security CO chief a lot of panicking as the Homeland Security warnings about me were almost proven false in the ICJ. On 10 December, the Secret Society women again forged evidence of my plagiarism. They also called upon the same Hong Kong volunteer last seen on 29 November to brainstorm. Late at night, also another Los Angeles volunteer. On 11 December, the Secret Society women brainstormed with Dr R’s Hawaiian friend about how to enable Dr R to file another stalking claim against me. The Hong Kong volunteer also came to brainstorm. By late night, a Los Angeles volunteer came to brainstorm about how to report me for frequently developing delusions about government officials in conformity to Homeland Security’s warnings about me. The Secret Society women also instructed two volunteers to forge evidence of my plagiarism. On 12 December, the Secret Society women asked their volunteers to forge evidence of my plagiarism three times. Dr R’s Hawaiian

friend came again to look for any new materials about Dr R on my blog. The Hong Kong volunteer also came to brainstorm. Also a volunteer from Cupertino. From today onward, I would begin communicating with Laura about Valentine. On 13 December, the Secret Society women continued to ask their volunteers to brainstorm. They also stepped up their effort in asking their volunteers to help locate Ms Kudo. There was a volunteer from Tacoma, Washington, who was checking over my blog. This might be a friend of the earlier Seattle volunteer. On 14 December, the Secret Society women summoned another physicist at the Deutsches Elektronen Synchrotron to help them brainstorm about how to report me for plagiarism. Another volunteer from Michigan (probably SDW's TI friend) examined my links on SDW's blog. Then, that night, the Secret Society women were again conferencing with Jennifer Day about the "situation". Finally, on 10:49 PM, a Los Angeles volunteer was Googling my name and "mind-control". On 15 December, the Secret Society women continued the scramble to locate Ms Kudo. They also asked a volunteer to forge evidence of my plagiarism again. Then, 7 PM, desperate, they contacted my step-mother – probably via Evelyn again. My step-mother spent an hour looking through my website. Then, late at night, the Secret Society women seemed to be talking to Jennifer Day again. On 16 December, while the TMU rejected my step-mother's report about my insanity, the Secret Society women continued to mobilize their volunteers to brainstorm. A volunteer from Poland was examining my Youtube channel. It seems that the Secret Society women had asked a volunteer from Malaysia to forge evidence proving that I plagiarized on my blog as well. On the morning of 17 December, a volunteer from Aix-sur-Vienne, France, looked over many of my blog posts and Secret History chapters in order to brainstorm for the Secret Society women. The Secret Society women then spent the rest of the day brainstorming with other volunteers and trying to locate Ms Kudo. They also recruited a volunteer from Bundeswehr University in Germany.

On 18 December, after brainstorming with their volunteers for the whole day, the Secret Society women, late at night, again summoned the Aix-sur-Vienne volunteer to look at the matter. On 19 December, somebody in San Francisco came to my blog posts on the Secret Society women by Googling Dr P's name. Could this be Dr P's friend in San Francisco? The Secret Society women then continued to mobilize their volunteers to brainstorm. Jennifer Day had been joining in on the brainstorming late at night every night. On 20 December, the Secret Society women continued to mobilize their volunteers to brainstorm. Around noon, Angelo seemed to be talking to the Secret Society women about my website. Everyone was frustrated: how to get law enforcement to confirm that the Homeland Security warning about me was correct? On 21 December, a volunteer from Saint-Martin-de-Seignanx, France, was looking over my Secret History chapters trying to brainstorm for the Secret Society women. The Secret Society women then seemed to have asked another volunteer to create a plagiarized version of my Table of Contents. On 22 December, the Secret Society women spent another day brainstorming (especially about how to report me for plagiarizing). Carolyn, with Kiersten by her side, also visited my website this afternoon. On 23 December, two volunteers from Monterrey and Raynham were playing with my hacker images from the Secret Facebook Group. On 24 December, the Secret Society

women suddenly got a break. On this Christmas Eve, everyone (along with Carolyn) was gathering in Veronica's house watching me getting caught in their surveillance videos while loitering around Carolyn's office. The Secret Society women now had cause to oblige the TMU to reopen their stalking claim against me! On the morning of 25 December, the Hong Kong volunteer composed for the Secret Society women an important testimony about how I was a danger to others due to suffering severe schizophrenia. The Secret Society women then gathered a few more testimonies throughout the day. By night, Kiersten came to Annukka's house to warn her once again about me and to persuade her to join her organization against me, but Annukka still refused.

On 26 December, the Secret Society women accompanied Carolyn to the TMU to reopen their stalking claim against me. The TMU was obliged to do so and immediately "activated" Jennifer Day as their informant inside the Secret Society women's organization. Late night, the Secret Society women asked their Hong Kong expert to revise his testimonies about why I was such a danger to people due to my severe insanity. On 27 December, the Secret Society women held a meeting at Mary Anne's old home in Rancho Cucamonga. They discussed adding Angelica, Veronica, and Jennifer Day as additional victims to Carolyn's new case. They then spent the night watching me loitering around Carolyn's office for the second time on their computer screens. On the morning of 28 December, the Secret Society women forged more evidences of my plagiarism. Around 4 PM, they (including Carolyn, Peter, and Jennifer Day) were at the TMU submitting the new evidences and adding new victims to reinforce their case. However, the TMU detectives feigned skepticism about some of the evidences, especially those pertaining to my supposed plagiarism. At night, Homeland Security CO chief might have sent in an agent to get the police to arrest me for vandalism. On 29 December, the Secret Society women mobilized their volunteers to continually make false reports about my website to the TMU to reinforce their case. Laura continued to persuade me to contact Dr R in order to enable Dr R to add herself to the list of my victims. Then Homeland Security CO chief seemed to be thinking about whether to add Marie as well to Carolyn's case. Then, 5 PM, Kiersten instructed Carolyn to make false reports to the TMU saying I expressed obsession about Kiersten on my blog in order to enable Kiersten to be added to the list of victims as well. Past midnight, the Hong Kong volunteer was examining my Peace Pink page.

On 30 December, the Secret Society women continued to mobilize their volunteers to report to the TMU about my frightening delusional mind. Strangely, late afternoon, one volunteer tried to hack into my blog (in an attempt to leave a message for me?). On 31 December, the Secret Society women continued to mobilize their volunteers to report to the TMU. (Note especially the Saint Denis volunteer from France.) They also forged more evidence of my plagiarism. They also continued to try to locate Ms Kudo. Dr R's Hawaiian friend also showed up again. On 1 January, the false reporting continued, along with the scramble to locate Ms Kudo. At night, the Secret Society women's surveillance caught me loitering around Dr P's home. On 2 January, as Dr P was in Washington DC, she instructed her husband David to go to the TMU to request that she be added to the list of my victims

in the current stalking claim against me. The Secret Society women's volunteers then spent the whole day trying to convince the TMU that I was dangerous given the severity of my delusions. (This includes the Phoenix volunteer who was here both yesterday and today and the Hong Kong expert.) Dr P herself reported to the TMU detectives to such effect.

The climax of this period was certainly the new stalking claim which Carolyn would file against me at the TMU on 26 December. Carolyn (Leigh) and her close friend Peter (De Conceicao) would play an important role this month and the entire next month in the Secret Society women's operation against me. Carolyn would be entirely convinced that Homeland Security's warning about me (as well as "Chaya's warning") was a truthful document, that I was about to hurt her, and that the police would certainly put me away soon. She and Peter had no understanding of why Homeland Security CO chief was doing all this, and so would be utterly perplexed as to why the police just wouldn't do anything about me or my website. The Secret Society women never had any awareness that they had already discredited themselves with their big hype about me and that the TMU detectives were already familiar with Homeland Security CO chief's agenda in all this. In addition, Carolyn couldn't understand that it's all a self-fulfilling prophecy: because I couldn't yet understand what Kiersten's gang was doing behind my back and yet knew vaguely that Carolyn had joined Kiersten's campaign against me, I went loitering around her office looking for clues. (If she weren't in on Kiersten's campaign, I certainly would never have bothered with her.) The same with my checking out Dr P's residence on 1 January. Carolyn's new stalking claim was also the occasion where Kiersten and Dr P would for the first time discover how convenient it was that there were chips planted inside my brain and that their Homeland Security buddy and Angelica's father had monopoly over the computer interfaced with my brain. Because of this, they would be able to know what I was going to do and where I was going to be before I even knew it myself (before I even decided what I was going to do and where I was going to be). The computer inside the control center could make 100 percent accurate prediction about what I was going to do in the immediate future. Dr P and Kiersten would discover that they could use their connection with Angelica's father and their Homeland Security buddy to feign psychic power and expert knowledge over me as a way to impress their gang members.

It should finally be remembered that all this complaining about me and my website to the police and filing of stalking claims against me was a "Homeland Security operation" – namely, it was all directed from behind the scene by Mr Homeland Security CO chief so that he could win his dispute with the CIA and lock up the previous ICJ trial. Homeland Security CO chief, while directing the Secret Society women, would continue to instruct the Monkey to control me to commit vandalism crimes around town. This, in order to reinforce these women's case against me. However, the Monkey didn't hurt me as much this month as in the previous month. The torture I have documented below is mostly insignificant. Nevertheless, I would be especially motivated by hatred and resentment – nobody would give me the slightest hint as to just what was going on and why Homeland Security and the Secret Society women were going after me like this – and this hatred and

Kiersten's Vengeance, 3

resentment would be reinforced by the fact that, both for this and the next month, I would not be able to talk to Wes. The TMU, meanwhile, would continue to ignore my vandalism in defiance of Mr Homeland Security CO chief.

### **10 December (Tuesday; tortured, angered)**

First, my business. 5 PM, I found a jacket on the sidewalk. I bought new clothes. I came to the Starbucks on Vermont. I was remotely controlled (or so I thought) to slip on my keyboard repeatedly, causing paragraphs to disappear and reappear (Third Run Summary). Angered. I was then remotely controlled (or so I thought) to wear my new jacket while under surveillance cameras. I was increasingly angered by my artificial disability (remotely controlled absent-mindedness) and three years of forced delusional state.

While on Metro going to Home Depot, I saw a “Chelsea Clinton look-alike”. I mistakenly thought this “meant something”. (Trained to look delusional to satisfy Mr Homeland Security CO chief.) I collected minor damages: 1 B (school/ Home Depot). 1 B (post office). 1 B (BA). Then, remotely controlled (or so I thought) to take the wrong Metro train. Increasingly angered. Home: 1 B (school).

Now, the Secret Society women's operation on my website. 4:57 AM, Synetrix Limited, Brighton, UK,

More than a minute later, he clicked on:

More than two minutes later, on 4:50 AM, he clicked on one of the folders in “newpetition”:

4:52 AM, or after two minutes, he came to my blog:

This volunteer, quite nearby, had evidently just heard the news about this misogynist terrorist stalker on Homeland Security's watchlist who had this insane website and whom the police had refused to arrest. He came to check out what the fuss was about.

First, a note about myself. This morning, around 4 AM, I discovered Marie's Facebook.

I collected damages tonight: RDNDO: 2 paint bottles, CH. 1 W. 1 B. 1 license plate. I mirror. 2 houses.

## 12 December (Thursday)

First, my business. 10:34 AM, Laura replied me after a long silence, telling me she was not in contact with Valentine.

“Your two messages:

‘Hi Laura, can you verify this? Someone was asking me about you, and I remembered that Valentine told me that you came to LA because you were obsessed with this tall skinny white guy and followed him to LA. You found him and he told you again and again that he didn’t want anything to do with you, that you like skinny tall guys, etc. He told me many juicy details, but I won’t get into that. But I just want to make sure his story about you is correct before I tell someone else about it. Or I won’t tell if you don’t want me to.’

Hi Lawrence, I moved to LA because I needed a change of scene, and LA seemed like a good idea. I was corresponding with someone who lived here, yes, and I was curious about him, not obsessed. Also, he’s not skinny. He’s tall, half Greek, half Mexican, and very handsome, a student of philosophy.

I am not sure what juicy details Valentine might have had, as we were not close, and I didn’t share with him very much about the personal details of my life.

-----

‘Hi Laura, Valentine also said that you used to have a fixation on President Obama. That can’t be true can it? His exact words are: you have a fixation with tall guys with big noses. I just hope you can verify it.’

‘He said you have a friend in Brazil who told him about this.’

I didn’t have a ‘fixation’ on President Obama. There were times when I felt he was my ‘twin spirit’, but I think I was thinking of my longtime boyfriend and subconsciously projecting my feelings about him onto President Obama. It’s something that can happen psychologically.

I’m not sure what he means about a friend in Brazil. I used to know a girl who lived there, who I used to correspond with over email. But we weren’t really friends, as we didn’t talk on the phone or Skype or meet in person.

-----

I hope that helps...

And thank you again Lawrence for warning me about Valentine. I'm glad I no longer keep in touch with him."

At the time I had decided to reveal to Laura all the bad things which Valentine had said about her in order to cause disruptions among the Secret Society women's organization. Valentine was really the worst possible friend anybody can have. He enjoyed ridiculing other people as a way to feel good about himself. He introduced me to Kiersten, and Kiersten, after obsessing over me and stalking me, then told others that I was obsessed with her and stalking her, in order to make people believe she was, despite her pig-like roundness, desirable to mankind. Valentine must have been confirming this lie to others, "Yes, this Lawrence has this obsession with Kiersten... I've seen it..." He wasn't doing this in order to please Kiersten, but in order to further ridicule me to others for the sake of that sadistic pleasure in trashing and dominating other people. What I'm not sure about is whether, and to what extent, Valentine had participated in Homeland Security's and Kiersten's gang's operations on me. Meanwhile, Laura had been pretending to be nice to me in order to hide her participation in the same operations. Both deserved to be exposed.

Tonight, I went to the Bible Study at St. Sophia. Today's topic: "God wants to propagate blessing". I was given a bible. 11:45 PM, I came to King King. I was told that Annukka would be back on Monday.

Now the Secret Society women's operation on my website. 4:38 AM,

### **13 December (Friday; torture; found many bottles)**

First, a short note about me. 4 AM this morning, more malfunctioning: Open Office could not export this diary to PDF. I woke up on 4 PM with severe, debilitating headache. Feeling sick. Tonight, between 7 and 9 PM, I was at the American Film Institute to watch Russian short films.

I collected damages both before and after the Film Institute business: 2 B (school), Home Depot. 1 unbroken. SM: 6 B (2 at URGNT); Homeopathic center. 1 N, Western. "Secret Garden".

Now, the Secret Society women's operation. 4:50 AM, mc.videotron.ca, Saint-Jerome, Quebec,

much. Within 4 seconds, he moved onto the next blog post:

#### 14 December (Saturday)

First, a short note on my business. Just before going to sleep, I got really angry over having to be crazy and delusional all these years. I woke up on 4 PM. I went to Tom N Toms. I was remotely controlled (or so I thought) to forget to bring nails and my cellphone. I went home to get them. Remotely controlled (or so I thought) to bring the wrong jacket. (I needed the new jacket I had found on the street for collection of damages; instead I brought my suit jacket.)

I collected damages tonight. Then, remotely controlled (or so I thought) to fail to break the paint bottle at Hope. 2 B (Hope). HRMSA: Wall. PTHWY. 1 B. Sherwood. Failed (W). Then, BPZZA. 1 B. 2 N. I was very upset over the paucity of damages collected. Union Station: 5 N (2 Asians), 2 mirrors. After I ate at Denny's, a police car slowly moved besides me. (Wilshire.) What?

Now, the Secret Society women's operation. 4:19 AM, uh2macschmidt.desy.de, Deutsches Elektronen-Synchrotron, Hamburg, Germany,

## 15 December (Sunday; torture: sick)

First, a note about my business. Around 11 AM, Laura wrote me again to clarify herself. I would never respond.

“I should revise a little of what I wrote to you. I did trust Valentine when I met him, so I did speak with him as a friend. But given the fact that you’ve given a picture of him as somewhat strange to be raging on like that to you at the same time, I would like to distance myself.

“Also, regarding the woman who used to live in Brazil, we email corresponded nearly every day for some time. For a while, I was comfortable with it and considered it normal for a friendship, but recently I’ve become more aware that it is not. So I don’t really trust the relationship we had.

“Generally, it’s all something I would like to put behind me.

“Thank you Lawrence for helping me become more aware.”

I woke up on 4 PM today. Angry. Remotely controlled (or so I thought) to have a sore throat, slightly sick. Worried because aunt Eva had still not deposited money, and mother had never given me money. Then, Asus malfunctioned on 6 PM. Windows Explorer froze. Everything froze. Recovered after 4 minutes. Realized (another wrong scenario, trained to look crazy):

The control center is able to remotely control me to produce evidences showing me not being remotely controlled and being delusional about the whole evidentiary process: the Americans have disconnected me from the Monkey’s computer in the control center and reconnected me to another computer elsewhere which remotely controls me to repeat the past episodes of my life. Since the judge computer does not see this other connection, but only the connection between me and the Monkey’s computer, it rules that the Monkey is not controlling me and that I am being delusional in thinking that I’m being remotely controlled. Every past episode repeated therefore replaces the original episode in the evidentiary record: until the entire evidentiary record shows me not being remotely controlled and living a life not in any way connected with the “terrorist conspiracy”. That’s how evidences are being eliminated by the Americans.

Also, how to change the terrorist conspiracy. The evidences for Syrian nuclear terrorism case establishes, in the lower domain, the case itself, and, in the upper domain, the lost ICJ trial. The US changes the story (by eliminating evidences and adding new evidences) in the upper domain, making it into a terrorist conspiracy between the Monkey and the Mexican president against Mexico (maybe even between the Monkey and France against Russia and China) without, however, my involvement at all. The changed story in the upper domain

(changed lost ICJ trial) is then moved downward to rewrite the case for the Syrian nuclear terrorism case. Originally, that is, the nuclear terrorism case establishes two cases; now, only one.

Although everything I said here is bullshit, you should always keep in mind the possibility that something like what I said now might become true in the future – all because, when the Monkey was controlling me to say crazy things to look delusional, the “filter” (the Invisible Hand’s hidden program on his computer) might become active and secretly control me to say things which the Invisible Hand wanted to happen in the future. Thus, I might look delusional now – that’s only because you don’t know about the future. (Right now the Invisible Hand let Homeland Security CO chief and the Monkey control me to look crazy as a way to harm him; later on, when the judge computer shall have established their conspiracy with me to harm him, he would request that the harm be reversed by making my “delusions” become reality so that I could be ruled to be “not delusional”, but a “prophet”, after all.)

I collected damages tonight: CC: 9 N (2 1 N). LWLB: 2 B. PSDN: 2 B. 2 N. Some walls. 2 mirrors. 1 side window. Ministry. Arcade Lane (W). Rosa. Another W. ATM (BOA). I felt very tired today, because I seemed to be sick.

The absolute highlight today was certainly my step-mother's visits. Homeland Security CO chief and the Secret Society women were evidently thinking that, if even my parents were willing to confirm for the TMU that Homeland Security was right about me (that I was indeed insane), then the TMU would be forced to grant that Homeland Security's warning about me was indeed correct. And yet, as you can expect, when my step-mother reported me to the TMU tomorrow, she would merely be ignored.

### **16 December (Monday)**

First, my business. I woke up 2 PM, still feeling sick. 5 PM, I called up Valentine for a test. When he answered the call, I hanged up. He called back on 5:15 PM, and I didn't answer it. Valentine was eager to work as informant for the Secret Society women and Homeland Security – he needed money – hence he called me back.

On 6:16 PM, I wrote to Laura:

Hi Laura, I think you misunderstood what I said.

I think Valentine actually cares deeply about you. He told me that, when he first met you, he wanted to sleep with you because he found you very beautiful. Later, when he noticed that you have psychiatric problems, he changed, and wanted to be your friend to help you. But you kept pushing him away. The same with your friend in Brazil. Valentine said that your friend in Brazil cared deeply about you. When you were not responding to her, she would call Valentine to ask him if everything was okay. She was worried about you because she knew you have problems.

You don't have to be ashamed of having emotional or psychiatric problems. In this day of age, nobody judges you because of that. I really suggest that you not misunderstand me, and go contact Valentine again, for it will be your terrible loss if you ignore him just because of some stupid things I said.

Full of sarcasm! Devised to anger Laura!

Some torture: my mood was dampened when I discovered I didn't know how to check my voice mail on my cellphone. It was 9 PM. Electronically inept. On the train to Hollywood: the train paused to cause me to be very late.

At King King on 10 PM. I saw Annukka. She was surprised to see me, but tried to look normal with me. Her reaction was proof that she was aware of Kiersten's gang's operation against me. In fact, she knew everything about Homeland Security's as well as Chaya's warning about me and all the nail business. But, although she had believed that these warnings were truthful, she had no interest in participating in Kiersten's hysteria. She then told me she had not been robbed in London, that she was in Miami during Thanksgiving.

I continued to develop my wrong scenario in order to look crazy. This time, about Sentient World Simulation:

After Homeland Security's exposure of the SWS SC simulation, the US announced: the decision to keep the simulation in secret from the world was made by the Pentagon officials alone; now that we know about it, we intend to invite all nations to input their interests into the simulation; Pentagon officials were angry for taking the fall. Meanwhile, the US will secretly order the SWS team to make the simulated SC biased toward preserving US prosperity.

Now, the Secret Society women's operation. 5:03 AM, usis.com, Connellsville, Pennsylvania,

### 17 December (Tuesday; torture)

First my business. On 5:45 AM: The temp file for Microsoft Word (Third Run Summary-14) failed to be deleted when Word was closed. Nervousness. Angry over being the “chosen one of machine malfunctioning”. Distracted. More angry.

7:48 AM, Laura replied to me, “Don’t worry about it...”

I woke up 3 PM. Still feeling sick. Incessant coughing. In a lot of pain. I came to Tom N Toms. 4 PM, I came to Union Station wanting to check out Veronica’s house. Then I realized I forgot to take cash out of the ATM. No money for taxi. Had to give up the plan. Mood dampened, upset over the loss of my short-term memory. Upset over being perpetually dumbed down to not fit my image of myself as an intelligent person. Upset with the profile that I was required to fit: although academically gifted, I’m perpetually absent-minded: the Einstein type, the Stephen Hawking type: this only results because the control center cannot destroy my intellect after it has destroyed my short-term memory and constantly angered me to distract me. Required to have low self-esteem. Extremely saddened.

Now, the Secret Society women’s operation. 4:26 AM, the Aix-sur-Vienne volunteer came back after five hours:

We have earlier seen how the DGSE also didn't want the CIA to reactivate the previous ICJ trial and had in fact supplied volunteers to this Homeland Security operation. This Aix-sur-Vienne volunteer might be another one.

The Secret Society had recruited another volunteer from the strangest place. But, given the close relationship between the BND and the CIA – the BND wanted to help the CIA reactivate the previous ICJ trial – this volunteer had most likely come into the Secret Society women's organization as an informant.

### **18 December (Wednesday; Dr G)**

First, a note on my business. I met up with Dr G this afternoon (from 1:38:00 onward in the recording). He still denied that he had visited my website on 3 November. I didn't know I was mistaken and he was telling the truth. We talked more about Issac Deutscher's Trotsky book. He then gave me a bunch of books, including one *Air Con*. I mistakenly believed he did this per his government handler's instruction. I would write down my erroneous scenario in my diary thusly:

This was his first "mission" from his Republican cronies. Dr G was enthusiastic about his "mission" because he liked to play the game of "secret agent" and because he was told that the purpose of the "game" (to make sure I conform to Kiersten's, Chertoff's, and the Monkey's false profile of me) was to erase the previous ICJ trial, which was important because there was a sustainable civilization program associated with it. Dr G shared with the Republicans the common interest in seeing the SC program not implemented so that, while civilizations may collapse everywhere else in the world, Americans can continue to maintain their power and dominance over the world and live their wasteful lifestyle, thus looking "superior". To harm the world, make Americans look good and superior, and make me look bad and disgusting – this is the point of the "game" which has really excited Dr G. Meanwhile, I continue to treat him with respect and sympathy out of ignorance, which would further delight him because he will have established his intellectual superiority over me while stabbing me in the back but leaving me respecting him as my "mentor" out of ignorance.

Again, while all this was bullshit for now, something like this would happen in the future. At the end of the afternoon, Dr G took me to his house and I browsed through more of his books. Today I couldn't even be sure whether Dr G was acting as an informant for the TMU.

Now, the Secret Society women's operation. 5:10 AM, www.etisalat.com.ng, Lagos, Nigeria,

## 19 December (Thursday)

First, a short note about me. I woke up on 4 PM. Going to the storage. 5 PM, remotely controlled to get on the wrong train (Blue Line): had to walk a long distance. Asus laptop froze (no webcam) when I opened my storage unit. Temporarily not allowed to film my storage configuration. Some anger.

Then, in late afternoon, after seeing a visit to my blog from what appeared to be Dr P's friend in San Francisco, I eliminated the tag ("Pettersen") and corrected the mistake in the 2013/10/07 blog post.

I collected damages tonight: USC: 3 N. PSDN. LKAV: 1 W. 4 B. 1 B (apartment). 2 unbroken. 3N. ZNRS. 2 mirrors, 1 license plate. DWNTWN: ATM, 1 N (Hispanic). 6 B (LWLB).

This visit is the most important. Did Dr P have a friend in San Francisco? Dr P was evidently talking to this volunteer over the phone or via Skype at this very moment: "Look, he wrote all this crazy stuff about me and it will come up when you search for my name! And the police refuse to do anything about it even when he is on Homeland Security's watchlist!" 5:08 PM, the volunteer came to the blog post for 7 October:

## **20 December (Friday)**

First, my business. 3:30 PM, I checked out H-1630 (by taxi.) Miguel's pickup was present, Veronica's car not. No one outside.

I spent the whole night in Tom N Toms. The Akina video. 12 AM, leaving Tom N Toms. A Hispanic man (never seen before) was in the coffeehouse waiting for me to leave. He was chatting on Skype with a fat woman. Suspicious. Did Homeland Security CO chief send in a surveillance agent?

Now, the Secret Society women's operation. 5:13 AM,

Another volunteer had heard the news that this stalker on Homeland Security's watchlist put pictures of his wounds on his website.

6:48 AM, it's the Helmond volunteer from 16 December:

It's not clear whether this volunteer was related to the Aix-sur-Vienne volunteer. Presumably another volunteer recommended by the DGSE.

## 21 December (Saturday)

First, a short note about me. I woke up on 4 PM. Remotely controlled to forget to bring my nails and scarf. Went home to get them before going on collection of damages. 9:20 PM, I was nevertheless still remotely controlled to forget to bring my scarf. I theorized erroneously that the control center was preparing for my capture (my face would not be covered). Collection: BRNT/25: 6 N. Caught. 3 mirrors/ 2 license plates. 6 B. Trash.

Now the Secret Society women's operation. 5:57 AM,

## 22 December (Sunday)

First, a short note about myself. I woke up on 1:30 PM. Still feeling sick. 2:30 PM. Turned on Asus. Frozen. Rebooted it. 3:30 PM. Asus frozen for 10 minutes.

Night. Repeated provocation from the control center. I went to Home Depot. Home by 8 PM. Prevented from downloading the 29 October “Camara de diputados” video from Youtube. Sick, and so gave up collecting damages. 11:30 PM, was writing “01\_09\_28.odt”. The control center froze up my Open Office, forcing me to reboot. My laptop continued to freeze afterward. Violent anger. Forced to get on the bus to go collect damages. In BRNTWD. 5 store fronts and walls. 3 mirrors (1 license plate). 1 paint bottle, 3 B. Left 2 N.

*(Take note of the fact that I had begun working on Part II of “On the Periphery of Karin’s Meetups”. The CIA continued to wait on my writings ready to use them as evidences once Homeland Security’s warning about me could be proven false and the previous ICJ trial reactivated. It was always my progress with my writings that got Homeland Security CO chief really nervous.)*

Now the Secret Society women’s operation. 5:36 AM,

## **23 December (Monday)**

When I watched the news item about Pussy Riot girls' release from jail today, I developed more wrong scenarios in order to look crazy: This might be part of the Macrospherian "script"! I continued to be sick. I wrote (to look crazy): "It's possible that the Republicans have programmed me to be sick in order to submit the argument: I have not been violently hurting people also because I have been sick."

## 24 December (Tuesday)

Tonight, Christmas eve, despite feeling sick, I decided to check on Carolyn's office. I didn't find anything, but was instead seen in the hidden surveillance cameras which Veronica's investigators had placed around Carolyn's office. Well, at least I had learned this: Kiersten had created such a hype about me among all the people we used to know – "Lawrence is a very dangerous stalker, he's on Homeland Security's watchlist, and he places nails on the road to puncture people's tires" – that everyone had asked Veronica's investigators to install hidden cameras in their homes and offices as defense against me. (Everyone was of course instructed to keep the whole thing a secret from me.)

Afterwards, I came back to Union Station to collect damages. 1 N.

4:43 AM, the Tasikmalaya volunteer came back after 3 hours:

CO chief and the Monkey were able to read from the computer inside the control center that I would “stalk” Carolyn at her office tonight. They informed the Secret Society women about this, especially Dr P. Everyone was absolutely excited. For three weeks, their stalking case had been dead in the waters causing the Homeland Security warnings about me to be in serious jeopardy in the ICJ, and now *this* would breathe new life into it. Kiersten contacted Carolyn about it. (Since she obviously wouldn't reveal the fact that Homeland Security CO chief could know what I was going to do before I even decided what to do through the chips inside my brain, she might have simply impressed Carolyn with her psychic power and/or expertise over my psychology: “I know Lawrence, he's going to hang around your office tonight... Let's go!”) And so all the Secret Society women along with Carolyn and Peter were gathering in Veronica's house between 8 PM and midnight watching me loitering around Carolyn's office on their computer screen in real time. Everybody – Karin, Kiersten, Angelica, and Dr P – was the happiest woman since this means that, tomorrow, they could all go to the TMU to request to file another stalking claim against me on Carolyn's behalf – which would then become evidence in favor of their Homeland Security buddy in the ICJ. (Carolyn, frightened because she really believed I was dangerous having seen both Homeland Security's and Chaya's warning and repeatedly heard Kiersten fear-mongering about me, of course agreed to do this. Meanwhile, her admiration for Kiersten's and Dr P's “expertise” over me had just skyrocketed.) Now Carolyn's stalking claim would be the third attempt after the failed attempts by Dr R and Uncle Chad.

Then, operation resumed after midnight. 12:17 AM, Bouygues Mobile, Courbevoie, France,

### 25 December (Wednesday)

First, a short note about me. I woke up on 4 PM, feeling very sick and very depressed. No motivation for writing. Meaninglessness. I gave up collection for today. Instead, I rested at home tonight.

Now let's continue with the Secret Society women's operation. 5:14 AM, fbx.proxad.net, Sevres, France,

He was here to compose testimonies about how I posed grave danger to others due to suffering severe schizophrenia (such that I believed there were chips inside my brain). Again, this Hong Kong volunteer was apparently some sort of “expert”. The Secret Society women would use his testimony when they met with the TMU detectives later: “He must be put away in the mental hospital immediately after he is arrested... The Homeland Security warning about him is correct. He's very dangerous because of his schizophrenia...”

Apparently, the Secret Society women decided to postpone their trip to the TMU to tomorrow (probably because today was Christmas). Today they gathered a few more testimonies about my insanity, my danger to others, and my harassment of people like Khalezov on my website, etc. With all the evidences ready, Kiersten came to Annukka's house tonight. She showed Annukka the video showing me loitering around Carolyn's office last night, and warned her once again how dangerous I was and how ready I was to stalk her as well. Kiersten, by persistently warning Annukka about me in the past few months – “Lawrence is a very dangerous stalker, and he will stalk you as well” – as well as showing her the Homeland Security warnings about me, had already convinced Annukka to adopt a very aggressive pit bull to guard her house. Now Kiersten was persuading Annukka to put up more defense around the house. Annukka would soon get a second dog to guard her house. However, Annukka had never agreed to join Kiersten's enterprise against me. Tonight, Kiersten tried to persuade Annukka once again to join her Secret Society, but Annukka still refused. She simply didn't have the time nor the interest. As she later stated to me: “I don't want any of Kiersten's dramas!” Namely, while Kiersten, because she was bored and never had a man pay attention to her before, jumped up and down in excitement when there was supposedly a serial stalker in town – even though the whole affair did not concern her at all – Annukka had had plenty of lovers and friends in her life and so had no need of such excitement to spice up her life. I would of course never bother Annukka. In the end I would merely knock on her door and she would graciously receive me.

## **26 December (Thursday)**

First, a short note about me. 2:30 PM, I wrote to Laura to encourage her to help Valentine.

“Hi Laura, I just want to wish you a late Merry X-mas. Where are you spending the holiday? With whom?”

“I want to make sure that you are getting in touch with Valentine. I feel very bad when you say you are not in contact with him anymore. I also encourage you to help him if he is in financial trouble. Because he cares about you deeply, and do you remember that he came to visit you in the hospital (Nov. 11 2011)? He's a good friend who would do that, huh? Nobody else visits you except your mother, right? So don't forget other people's kindness, “would you?”

“Let me know.”

An hour later, Laura responded angrily:

“Thanks Lawrence. If I remember correctly, you were the one who encouraged Valentine

to visit me at the hospital.

“I think you might be losing touch with reality. I suggest you get in touch with Dr. R...”

Laura was evidently instructed by Homeland Security CO chief to lure me to contact Dr R so that Dr R could try to file another stalking claim against me at the TMU. Don't forget that Homeland Security CO chief was the mastermind behind the stalking claim which Carolyn, accompanied by Kiersten, Dr P, Karin, Angelica, and Veronica, was filing against me at the TMU at this very moment. All this hype about a “serial stalker” had no reality behind it except for the purpose of preventing the CIA from reactivating the previous ICJ trial and convicting Russia. Another claim from Dr R could significantly reinforce Carolyn's case and help Homeland Security CO chief in his war with the CIA.

I attended Stammtisch tonight. The event was accidentally left unrecorded.

Now, the Secret Society women's operation. 5:24 AM,

There was not much activity this afternoon on my website probably because everybody – Dr P, Angelica, Veronica, Kiersten, Karin, Carolyn, and Peter – was at the LAPD headquarters at this very moment to open a new stalking case against me with the TMU. The Secret Society women submitted the surveillance video from 24 December plus a bunch of other testimonies about my plagiarism, my harassment of Khalezov, how I hosted naked pictures of Angelica on my website, etc., to demonstrate to the detectives that Homeland Security's warnings about me were absolutely correct. Because of the surveillance video, the TMU detectives had no choice but to reopen the stalking claim against me and to investigate me again, although they had already decided in advance to dismiss the case eventually. Cooperating with the CIA, they knew that Homeland Security CO chief was the mastermind behind this stalking case, and they would never do anything to gratify him.

5 visits in a row! Apparently, the Secret Society women were talking to Jennifer Day tonight about their progress with their stalking case filed this afternoon. They were evidently talking about how to add Jennifer Day to the present case as an additional victim of my stalking and harassment. However, Jennifer Day was certainly acting as the TMU's informant inside the Secret Society women's enterprise. The TMU had "re-activated" her after reopening the stalking case against me this afternoon: the first step in this investigation was always to investigate the so-called "victims" themselves! As usual, whenever the Secret Society women had opened a new case against me, Jennifer Day would be summoned and sent in to infiltrate their organization to gather evidences that these women were a bunch of fraudsters – so that there would eventually be grounds on which to dismiss their claim.

The Secret Society women were probably discussing with Jennifer Day at this moment about submitting a new claim at the TMU saying I had also harassed her by putting her picture on my website without her consent. This could be one of the women gang or their volunteers checking over the evidence in question.

This is a very special visit. This could be Dr P visiting from Mary Anne's old home in Rancho Cucamonga. (Dr P was an avid user of AOL when nobody else used it anymore.) Apparently the Secret Society women were holding a meeting at Mary Anne's old home discussing their current case with the TMU. Present would be Karin, Kiersten, Dr P, Angelica, Veronica, Carolyn, Jennifer Day, Peter, Mary Anne, the investigators – and maybe even Homeland Security CO chief himself. Now that Jennifer Day was also on, Dr P, using her laptop, did a search on Veronica to see how my blog would come up. It appears that the women were discussing how to add new complaints on behalf of Angelica, Jennifer Day, and Angelica's sister Veronica. Adding Angelica and Veronica was crucial because the whole purpose of any stalking claim was to obtain validation from law enforcement that the Homeland Security warning about me was correct and Angelica was both witness and *victim extraordinaire* on this warning. The meeting might be taking place also because Homeland Security CO chief had alerted everyone that, tonight, I would loiter around Carolyn's office for a second time. (Kiersten and Dr P would have said to Carolyn and Peter, "Come with us to the conference. According to our psychic power, he will be stalking your office again tonight!") Jennifer Day, on the other hand, would be participating in the meeting as the TMU's mole.

As expected, the Secret Society women were glued to their computer screens tonight watching me loitering around Carolyn's office for the second time in real time. (They probably passed the night at Mary Anne's old home.) They had more evidences to take to the TMU tomorrow, plus complaints from several more women. Once again, Carolyn and Peter couldn't have been more impressed by the psychic power which Dr P and Kiersten had demonstrated today!

## **28 December (Saturday)**

First, a short note on me. I checked out King King tonight. Annukka was not there. I was told that she only ran one show per month. The next time would be February. The woman at the counter said she was out of town.

I collected damages tonight. PSDN: 1 W, 1 B. 5 mirrors/ license plate. 1 N (taxi). LKAV: 1 W. A man on bicycle reported me, and the police came. The man could be a Homeland Security agent. Namely, getting prediction from the control center about which window I would break tonight, Homeland Security CO chief placed an agent nearby to report me while pretending to be a passerby. If I could be arrested, that would be a big boost to the Secret Society women's claim to the TMU that I was a danger to people. (More on this later.) But I got away. Then, DWNTWN, 1 N.

Now, the Secret Society women's operation. 5:26 AM, Reliance Communications, Mumbai, India,

There were no visits for the next several hours – because the Secret Society women were busy. Evidently, the Secret Society women, along with Carolyn, Peter, and Jennifer Day, were at the TMU by 4 PM to submit the new evidences: other than the new surveillance video, Jennifer Day, Veronica, Angelica, and Dr P claimed that I had also harassed them with my website by putting up their pictures or by describing my delusions about them on my blog. (Angelica was doing this for the second time because, at the beginning of last month, the TMU suddenly just forgot about her.) Then there were the new evidences of my plagiarism. The LUG members and SDW also claimed they felt harassed. The Secret Society women didn't know that the TMU had already collected evidences of their fraudulent scheme through Jennifer Day and was quite ready to dismiss their case.

Why were the Secret Society women instructing this volunteer to forge evidence of my plagiarism? Perhaps it's like this: the TMU detectives, having already decided to dismiss the Secret Society women's new case, pretended to make a big fuss about my plagiarism, such as saying the evidences of my plagiarism were not perfect. Again, this was deadly to the women even though plagiarism was irrelevant to stalking because, if Homeland Security's warning about me was to be judged correct in the ICJ, every devilish characteristic attributed to me on this warning, including plagiarism, would have to be confirmed as true by law enforcement. (It was certainly the CIA which had instructed the TMU to play this trick.) The Secret Society women therefore returned home to mobilize their volunteers to forge better evidence of my plagiarism.

## 29 December (Sunday)

First, a note about me. 5 AM, it's the control center's torture again: the verification of DVD-342 failed. I checked the failed burn: the error occurred just when Marie Le Pen appeared in the video. Did this mean something? (A fake "secret message" from the Monkey to trick me into looking delusional?)  
5:53 AM, I wrote a reply to Laura to provoke her:

Why are you disagreeing with me? Do you remember what you said to me on September 17 when we met? You told me Valentine is a very caring person. I agreed with you and now I try to remind you that Valentine cares deeply about you. Do you disagree with what you yourself have said about Valentine?

I have got in touch with Valentine just because you suggested so on September 17. And now he is in [a] desperate condition. I cannot help him because I'm very poor myself. I merely encourage you to help him, and you call me 'out of touch with reality'. What's going on?

Valentine has told me before that you don't have friends because you treat them like shit. I said, well, you have mental problems, but he doesn't buy that.

I'm not a superstitious person, but one thing I'm certain of is that the universe always makes sure that others will do onto you what you do onto others. If not immediately, then later. Think about Valentine's condition. One day, when you feel the world is [crashing] down on you, there will be no one around to help you either, not even your mother. Would you like that? Having mental problems is no excuse in this kind of things.

Then, 6:02 AM, I wrote another email to my cousin Irene:

Happy new year! Where are you right now? Have you heard from Cindy? I talked to her two weeks ago. Please give me news about your current situation.

Something nice is that somebody mailed to me some old drawings I did but left at his house. So many years ago. Can you see them:

I moved into a new place and I want to get my own internet connection. What service do you recommend? What Internet provider are you using right now? Have you changed service lately? Please give me some idea.

Otherwise, I'm still very alone.

Do you have a Facebook?

The message was more like a trick. Meanwhile, my coughing worsened. I also suffered back pain. I was unable to sleep until 10 AM because of it.

9:40 AM, Laura replied me: "Stop emailing me. Get in touch with Dr R". Laura was angry, and she continued to try to trap me.

I woke up 3:30 PM. Severe coughing. I would stay home tonight due to sickness. I didn't collect damages tonight.

Now, the Secret Society women's operation. 4:27 AM,

It's Dr R's Hawaiian friend. She was last here on 12 December. Since it was only 6 minutes before Laura replied me, it's very likely the case that Laura was talking to Dr R's Hawaiian friend at this very moment. Irene must have by now also heard from Evelyn the great news that Carolyn was able to reopen the stalking case against me at the TMU. Homeland Security CO chief could be at this very moment instructing her to report to the TMU about seeing hardcore pornography on my website.

Kiersten's Vengeance, 3  
Lawrence C. Chin  
Mar. – Jul. 2018; rewritten, Jul. 2021

This seems to be Carolyn again. (This IP address was last seen on 22 December.) Apparently, Kiersten was spending this Sunday afternoon with Carolyn again. Seeing that so many of her companions were adding themselves to the list of my victims in the new case, Kiersten felt left out. She also wanted to be a victim of male sexual aggression! She was now asking Carolyn to make a false report to the TMU on her behalf so that she could too be counted among my victims. Under Kiersten's direction, Carolyn thus came to the front page of my website. 5:18 PM, or almost two minutes later, Kiersten directed Carolyn to do a search. Carolyn arrived at my "Preface":

98.154.49.50 - - [29/Dec/2013:18:18:51 -0700] "GET /blogs/these-secret-history-of-the-international-court-of-justice-vol-iii-6-on-the-periphery-of-karins-meetups-introduction/ HTTP/1.1" 200 29304 "https://www.google.com/" "Mozilla/5.0 (Macintosh; Intel Mac OS X 10\_6\_8) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/31.0.1650.63 Safari/537.36"

37 seconds later, she followed Kiersten's instruction and did a search for Kiersten's name on my blog:

98.154.49.50 - - [29/Dec/2013:18:19:28 -0700] "GET /blogs/?s=kiersten&submit=Search HTTP/1.1" 200 45034 "http://www.lawrencechin2011.com/blogs/the-secret-history-of-the-international-court-of-justice-vol-iii-6-on-the-periphery-of-karins-meetups-introduction/" "Mozilla/5.0 (Macintosh; Intel Mac OS X 10\_6\_8) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/31.0.1650.63 Safari/537.36"

16 seconds later, she came to:

98.154.49.50 - - [29/Dec/2013:18:19:44 -0700] "GET /blogs/2012/08/22/oh-my-god-its-kiersten/ HTTP/1.1" 200 10377 "http://www.lawrencechin2011.com/blogs/?s=kiersten&submit=Search" "Mozilla/5.0 (Macintosh; Intel Mac OS X 10\_6\_8) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/31.0.1650.63 Safari/537.36"

Carolyn was now talking to the TMU detective over the phone describing what she supposedly saw on my blog. Kiersten instructed Carolyn to say that, on my blog, I expressed obsession with Kiersten and then talked about cutting myself when I thought about her. Namely, the same complaint which Angelica had voiced about me. Carolyn was of course consciously making a false report, since nowhere on my blog did I ever say I was obsessed with Kiersten or cut myself when thinking about this fat pig.<sup>3</sup> 5:21 PM, Carolyn clicked on the link to this recording which Kiersten had sent to her in advance.

98.154.49.50 - - [29/Dec/2013:18:21:02 -0700] "GET /2012/IMPcutselfmiraewes\_8\_11\_12\_202-651PM.MP3 HTTP/1.1" 200 134664 "-" "Mozilla/5.0 (Macintosh; Intel Mac OS X 10\_6\_8) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/31.0.1650.63 Safari/537.36"

Now Carolyn was describing listening to a recording in which I recorded myself cutting myself. Then, Carolyn clicked on the second result of the search:

---

3 Perhaps she was ordered by Homeland Security CO chief to make such a false report.

56 seconds later, she followed Kiersten's instruction and did a search for "cutting":

98.154.49.50 - - [29/Dec/2013:18:23:46 -0700] "GET /blogs/?s=cutting&submit=Search HTTP/1.1" 200 30799 "http://www.lawrencechin2011.com/blogs/2012/08/24/the-academicsopinion-on-nafta-etc/" "Mozilla/5.0 (Macintosh; Intel Mac OS X 10\_6\_8) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/31.0.1650.63 Safari/537.36"

That was it. Carolyn's reporting to the TMU lasted no more than 10 minutes. Kiersten made the request to the TMU that she be added to the list of my victims. The TMU detective agreed perfunctorily. Since the TMU had already decided to dismiss this new case, all the false reports today had fallen on deaf ears.

### 30 December (Monday)

First, a short note about myself. 7 AM, I mailed the latest note to Central Complaint Unit. Tonight, I attempted to collect damages on Lincoln in Marina. 2 N. A bicyclist was somehow stationed in the darkness by the freeway to catch me. I fled. Flashing yellow light can then be seen. (Could this guy be Homeland Security CO chief's agent again?) I came to Santa Monica instead. Stone's window was fortified; couldn't. Several store fronts (Homeopathic), 4 B (URGNT), 1 sign, 3 mirrors/ license plates. SM Blvd: 4 N, 2 mirrors.

I then came to Denny's. 2:30 AM, Open Office crashed while exporting to PDF, destroying "01\_09\_30.odt". I created a Microsoft Word version of it by opening up in Word the Open Office document. The format was saved, but the images were damaged. I had to redo the images. Mood dampened. Motivated to collect more damages.

By this time, Homeland Security CO chief's plan was evident. Reading predictions from the mind-reading computer as to where I would collect damages each night, he would plant his agent in the vicinity. The agent would pretend to witness my damage collection and report it to the police, hoping to get me arrested. Meanwhile, the Secret Society women and their volunteers would have already convinced the TMU as to how dangerous I was to others given my grave insanity. Once I got arrested, the TMU was supposed to carry out their request and send me directly to state mental hospital for the criminally insane for permanent lock-up. In this way, due process could be circumvented and I would never go to trial and confront the evidences against me, so that I would never know that it's the Secret Society women (the victims of my "stalking") who had been pulling strings behind the scene to put me away once and for all. It's basically the same plan as in October. Meanwhile, all this would become evidence in the ICJ that the Homeland Security warning about me was all correct – that I was indeed a danger to people – resulting in the permanent lock-up of the previous ICJ trial.

Now, the Secret Society women's operation. 4:16 AM, lightspeed.irvnca.sbcglobal.net, San Gabriel, California,

We have to wonder whether this was Ting-Ta, my maternal cousin in Taiwan. Perhaps he had just heard the news about the “stalker” who was on American Homeland Security’s watchlist. Again!

### **31 December (Tuesday)**

Since last night, several accidents happened (hurting my own fingers, etc.) to dampen my mood, making me hate the xxxxxxxxx around me even more and want to collect damages even more. It's just Homeland Security CO chief's remote control (via the Monkey).

I collected damages tonight in RDND: BRKWTR: 2 B; paint all over; SP; SEA: 2 B; several front doors; 1 B; 6 N; 1 W. 3 mirrors/ license plates.

Now the Secret Society women's operation. 5:20 AM, Google,

8:02 AM, the Saint Denis volunteer came to the front page.

He had apparently studied the blog post for 35 minutes. He must be making a false report to the TMU about what he had seen. Within a minute, he came to the summary:

84.101.205.65 - - [31/Dec/2013:09:03:22 -0700] "GET /miscellaneous/targetedforum-corrected82413.pdf HTTP/1.1" 200 296097 "http://www.lawrencechin2011.com/" "Mozilla/5.0 (Windows NT 6.1) AppleWebKit/537.36 (KHTML, like Gecko) Chrome/31.0.1650.63 Safari/537.36"

Within one second, also the "New Summary":

Then:

84.101.205.65 - - [31/Dec/2013:09:03:24 -0700] "GET /miscellaneous/targetedforum-corrected82413.pdf HTTP/1.1" 206 263384

Note that there were six visits to Ms Kudo's portraits tonight. It's still not clear whether the Secret Society women had finally located Ms Kudo.

### **1 January (2014) (Wednesday)**

First, a note about myself. 3:25 AM, I blocked Dr R's Hawaiian friend's IP address. It would have no effect, however. Then, 3:35 AM, my Open Office malfunctioned terribly: my diary couldn't be exported as PDF. I had to switch my diary to Microsoft Word. Again!

3 PM, I was at Tom N Toms. I turned on my Asus. For no reason, the Open Office document "Reading-2013" went into recovery, even though it wasn't even opened when the laptop was shut down last night.

Today I seemed to be programmed to become disgusted with Ekaterina's family, seemingly in order to confirm the Monkey's lies about me (that I was Russia-hating).

Then, the most important event: around 11 PM, I walked past Dr P's original address. There was an additional vehicle parked before the garage: 5LBC171. This vehicle belonged to a certain "Emilio Ramos". This was probably one of Veronica's investigators.

Then, I collected damages: 2 mirrors/ license plates; 2 B; 1 LM; 3 store fronts; some walls; 2 N (possibly 2 more N).

Now, the Secret Society women's operation. 5:40 AM, rogers.com, Toronto,

There were again six visits to Ms Kudo's portraits today. This morning, Mr Homeland Security CO chief must have informed Dr P that I was going to loiter around her house tonight. This would certainly have greatly excited her and the rest of the Secret Society women: it could reinforce their case against me at the TMU. Dr P, as shall be seen, seemed at this moment to be in Washington DC. She instructed her husband David to ask one of Veronica's investigators to stay at their home tonight in case something should happen. Kiersten had probably also asked Carolyn to watch with her the unfolding of the "stalking" tonight in real time in order to further frighten her and reinforce her perception of Kiersten as some sort of psychic genius.

## **2 January (Thursday)**

First, a short note about myself. I woke up on 4 PM. At Home Depot on 8 PM. I collected damages tonight: 2 W, 3 mirrors. Church.

Now the Secret Society women's operation. 6:04 AM, dynamic.upc.nl, Koedijk, Netherlands,

Now, on 11:20 AM, it was Dr P herself who was visiting my blog post from a public library in Washington DC:

205.201.255.5 - - [02/Jan/2014:12:20:00 -0700] "GET /blogs/2013/04/20/a-comment-on-darpas-involvement-in-braininitiative/ HTTP/1.1" 200 19598 http://search.aol.com/aol/search?s\_it=topsearchbox.search&v\_t=comsearch51&q=military+brain+functions+decoding+and+process+system "Mozilla/5.0 (compatible; MSIE 9.0; Windows NT 6.1; Trident/5.0)"

This morning, Dr P's husband David must have followed Dr P's instruction and come to the TMU to turn over the surveillance videos from last night to the TMU detectives. This is why, since 7:20 AM this morning, the Secret Society women's volunteers were continually reporting to the TMU about seeing me expressing frightening delusions on my website (believing there were chips inside my brain and so on). David requested that the TMU now add Dr P to the growing list of the victims of my stalking. Dr P herself seemed to be busy this morning in Washington DC. Only by 11 AM (2 PM in Washington DC) did she find time to handle the matter herself. She went inside the public library and made a call to the TMU to personally report that she saw me expressing bizarre delusions on my blog (being implanted with brain chips). (Note that she seemed to be using a public computer.) She emphasized to the TMU detective, "Trust my judgment, I'm a licensed psychologist. His delusion is very severe, and he is very dangerous. The Homeland Security warning about him is correct! When he gets arrested, you must immediately ship him to the state mental hospital... And you must keep our reporting confidential..." The TMU detectives perfunctorily accepted Dr P's request. Again, they had already decided to dismiss this whole stalking case.
